Road Of England Wales:

The Development of Transportation in Modern England William T. Jackman, 2019-04-24 Published in 1962 In offering this work as a modest contribution to our knowledge of the economic development of England from the standpoint of transportation the author must say in the first place that he has endeavoured to adhere rigidly to the subject in hand without making deviations into collateral fields

The Development of Transportation in Modern England W. T. Jackman, 2014-04-17 Originally published in 1916 this book forms part of a two volume set on the history of transportation in modern England taking the term modern as meaning the period beginning with about the close of the fifteenth century and ending with approximately the middle of the nineteenth century Volume one covers the period from 1500 up until the introduction of steam and volume two focuses on the development of railways and the effect of this change on other modes of transportation Both books contain detailed textual notes and a comprehensive bibliography is also included The set will be of value to anyone with an interest in transportation and British history
