Road Race Around The World:

Crazy Road Races Jennifer Mason, 2017-07-15 The popularity of motorsports hasn't waned since the advent of the automobile. In fact, some races began for the sole purpose of getting people interested in driving cars for the first time, such as the Peking to Paris race of 1907. This wide-ranging book full of dynamic photographs is an intriguing historical look at the world of racing but also offers valuable information about the competitions of today, such as the Indy 500. Readers will love finding out about the famous figures of the racing circuit as well as learning about different kinds of races and racecars.

The Way of the Runner Adharanand Finn, 2016-06-07 Japan is the most running-obsessed country on earth. A 135-mile relay race or *ekiden* is the country's biggest annual sporting event. Thousands of professional runners compete for corporate teams in some of the most competitive races in the world. The legendary marathon monks run a thousand marathons in a thousand days to reach spiritual enlightenment. Yet so much of Japan's running culture remains a mystery to the outside world. Adharanand Finn, the award-winning author of *Running with the Kenyans*, spent six months immersed in this one-of-a-kind running culture to discover what it might teach us about the sport and about Japan. As an amateur runner about to turn 40, he also hoped to find out whether a Japanese approach to training might help him run faster. What he learns about competition, teamwork, chasing personal bests, and about himself will fascinate and surprise anyone keen to explore why we run and how we might do it better.

Kings of the Road Cameron Stracher, 2017-11-01 A lively informative history of distance running's 1970s heyday, including the famous Falmouth Road Race, written with a true fan's contagious enthusiasm. *Newsweek*: It was 1978, Jimmy Carter was president, gas prices were soaring, and Americans were hunkering down to weather the economic crisis. But Jim Fixx's *The Complete Book of Running* was a bestseller. Frank Shorter's gold medal in the 1972 Olympic marathon had put distance running on the minds of many Americans. The odd activity of jogging became running, and America was in love. That summer, a junior from the University of Oregon named Alberto Salazar went up against Shorter and Boston Marathon champion Bill Rodgers at the Falmouth Road Race. Though he lost to Rodgers's record-setting 32:21, the competition set the stage for an epic rivalry among the three greats. Each pushed the others to succeed and in turn inspired a nation of couch potatoes to put down the remote and lace up their sneakers. A lively informative history. *Newsweek*, *The Daily Beast*, *Essential* reading for runners, both competitive and casual. *Kirkus Reviews*: *Kings of the Road* is about marathon legends. It's about running. Fast. It's about Will. It's about the Real. It's about drama of the finest kind. Bernd Heinrich, author of *Why We Run* and *Racing the Antelope*. A rollicking informed account of how distance running helped define a generation. John Brant, author of *Duel in the Sun* and coauthor with Alberto Salazar of *14 Minutes*.

Running Times, 2007-06 *Running Times* magazine explores training from the perspective of top athletes, coaches, and scientists; rates and profiles elite runners; and provides stories and commentary reflecting the dedicated runner's worldview.

Trail Running Graeme Hilditch, 2014-05-22 *Trail Running* helps advise runners how to make the transition from road running to off-road running, whether your intention
