## **Road To Athletic Scholarship:**

*The Road to Athletic Scholarship* Kim McQuilken, 1996-07 As the film *Hoop Dreams* made painfully apparent gifted young men and women in pursuit of college scholarships urgently need help as they select a college or university Student athletes and their parents are all too often bystanders in the recruiting process passive recipients of misleading information rather than aggressive participants in planning a student athlete's future Too often students set unrealistically high goals intent on stardom at national universities and subsequent professional careers thereby sacrificing the opportunity to make the most out of their talents and their education Others feel overwhelmed and powerless when faced with coaches recruiters and bewildering rules and regulations beholden to a process they don't understand In *The Road to Athletic Scholarship* Kim McQuilken a former NFL quarterback who himself rose from humble origins at a small university to spend almost a decade in the ranks of professional football argues that students parents and coaches can and should take a more active role in designing the student athlete's future *The Road to Athletic Scholarship* is the definitive guide for today's student athletes and their parents as they attempt to navigate the treacherous waters of college recruitment Practical hands on filled with engaging anecdotes that instructively recount the actual experiences of student athletes *The Road to Athletic Scholarship* takes readers through the recruitment process step by step McQuilken carefully lays out the intricacies of athletic scholarships and explains the recruiting process in depth highlighting common misconceptions and offering hints for the marketing of student athletes This unique resource provides invaluable information for parents student athletes and high school administrators and coaches alike

[Athletic Scholarships](#) Lynn West, 2013-11 How are college Athletic Scholarships offered Contrary to what you may think it is a process that you can easily implement but it is a system that very few high school athletes or their parents know about The truth is if your dream is playing college sports you have to be proactive in the recruiting process *Athletic Scholarships* shows you step by step how to get recruited It shows you how to get noticed by the coaches and also how to recruit the college coach Every year thousands of talented student athletes make the mistake of thinking the college coach will automatically come knocking on their door to recruit them This is total myth A college coach rarely hounds down an athlete Unfortunately you can't sit back and wait and hope to be recruited and you can't depend on your high school coach to take care of it for you either Learn how to get noticed by the coaches and get on their college recruiting radar Find out what will help you get an offer and also what will instantly keep you from getting offers College athletic scholarship com has been online since 1999 and during that time it has shown literally thousands of talented athletes how to get a college sports scholarship One of the main keys in the process of getting recruited for these coveted athletic scholarships is to start the process early Don't give up on your dreams Start now so that you land a spot on the college team of your dreams Do what is necessary to get recruited Let signing day be your biggest joy not your biggest disappointment Whether you are interested in football recruiting and football scholarships or any sport this guide can take you all the way to

signing day Becoming a college athlete with an athletic scholarship allows you to play the sport you love and get a college education at the same time What could be more exciting or more rewarding
