Corvi, Ian F. W. Beckett, 2020-01-31 The senior British generals of the Victorian era men like Wolseley Roberts Gordon and Kitchener were heroes of their time As soldiers administrators and battlefield commanders they represented the empire at the height of its power But they were a disparate sometimes fractious group of men They exhibited many of the failings as well as the strengths of the British army of the late nineteenth century And now when the Victorian period is being looked at more critically than before the moment is right to reassess them as individuals and as soldiers This balanced and perceptive study of these eminent military men gives a fascinating insight into their careers into the British army of their day and into a now remote period when Britain was a world power **To the Heart of the Nile** Pat Shipman, 2024-06-11 In 1859 at age fourteen Florence Sz stood before a room full of men and waited to be auctioned to the highest bidder But slavery and submission were not to be her destiny Sam Baker a wealthy English gentleman and eminent adventurer was moved by compassion and an immediate overpowering empathy for the young woman and braved extraordinary perils to help her escape Together Florence and Sam whose love would remain passionate and constant throughout their lives forged into literally uncharted territory in a glorious attempt to unravel a mysterious and magnificent enigma called Africa A stunning achievement To the Heart of the Nile is an unforgettable portrait of an unforgettable woman a story of discovery bravery determination and love meticulously reconstructed through journals documents and private papers and told in the inimitable narrative style that has already won Pat Shipman resounding international acclaim Sudan Telecom Industry Business Opportunities Handbook Volume 1 Strategic and Practical Information IBP USA, 2013-08 2011 Updated Reprint Updated Annually Sudan Telecommunication Industry Business Opportunities Handbook **The Song of Ascents** Tom Hiney, 2022-06-01 The Truth is bigger than we are and if it comes for us everything might break open It falls from heaven writes Tom Hiney It can fall at four in the morning when you are cold with insomnia and it can refuse to fall when advertised It has a life of its own and sometimes appears with a special intensity God calls whether we are ready or not The Song of Ascents tells the stories of lives laid bare by love stories that over the years gradually spurred acclaimed English biographer Tom Hiney up the ragged mountain of his own conversion to Roman Catholicism These stories he says are about people turning to God in horrible moments with faltering human hearts like mine and finding Him to be faithful Written in lean vigorous prose the book is a visceral study of faith in

which the holiness of other men and women leads the writer to realize that despite everything anything is possible with God even joy A medieval king awaiting a Viking invasion King Alfred a Jesuit evangelist at the court of Akbar Father Monserrate a West African prince in 1890s Indiana Samuel Morris and a composer in Communist Poland Henryk G recki as well as a trapped Arctic whaling vessel the Diana a lost explorer David Livingstone a disobedient general Charles Gordon and an aging war hero the author s own father all these become unlikely companions in Hiney s messy fumbling journey to Christ The Song of Ascents is about coming to faith through stories including the humanly incredible storytelling of the Church s unique heavenly and inevitable destiny

Making Saints Kenneth E. Hendrickson, 1998 This study tells the story of how the British army went from rabble to crusaders beginning with the century that witnessed Britain s greatest imperial triumphs and how institutional reforms helped to shape and alter public opinion

Even the Dead Are Coming Michael Robbins, 2009-08-08 In 1987 Mike Robbins a 30 year old London journalist decided on a change of

lifestyle and signed up for two years as an overseas volunteer. Some weeks later he found himself standing with his luggage in the middle of a featureless baked earth plain in Eastern Sudan. It was over 100 deg F in the shade. And there was no shade. This is Robbins's account of the two years that followed working with the Sudan Government in the last months of a failed democratic experiment as the country coped with hundreds of thousands of refugees in the aftermath of the 1980s famine. But it is also a personal account of life as a development volunteer in a surprising, sometimes inspiring country.
