Brown, 2012-04-01 Mbogo the Black Death which manifests itself in the African Cape buffalo now stood less than 12 feet away from me The cow and calf were too close for me to have time to be scared I would only have time to react on instinct if they came closer That is the type of excitement that every hunter dreams of and it is still possible in Africa today It is also one that I was fortunate enough to experience without any permanent ill effects Eighty percent or more of American hunters think that Africa is too expensive or off limits and that they will never have a chance to experience their own up close and personal adventure in the African bushveld Safari 101 proves just the opposite Safari 101 is written for the hunter that has always considered Africa out of reach someone who has a spark of desire just waiting to be fanned into a flame American hunters spend thousands of dollars every year hunting at home Almost none of them know that for the price of a guided elk hunt in the western United States they can take an African Safari The myths of being too expensive and too difficult are firmly entrenched in many hunters minds Safari 101 has forty six hints dispersed throughout 11 chapters and proves these myths false Personal experiences are used to illustrate the value of each hint and to make each one easy to remember Safari 101 takes the author s experiences and what he learned from professional hunters and outfitters and puts the information in a logical progression that is entertaining as well as informative Safari 101 will help fan the spark into a flame **American Motorcyclist** , 1999-05 American Motorcyclist magazine the official journal of the American Motorcyclist Association tells the stories of the people who make motorcycling the sport that it is It s available monthly to AMA members Become a part of the largest most diverse and most enthusiastic group of riders in the country by visiting our website or calling 800 AMA JOIN

A fantastic guide to the best outdoor fun in the Pacific Northwest covering Oregon, Washington, Victoria, and Vancouver in British Columbia and far northern California. This ever-popular region offers unlimited opportunities for the active traveler, and this book shows you where, when, and how to find them. Kayaking, hiking, cycling, trekking, horseback riding, boating, and more to fill your days with adventure. Sightseeing, museums, galleries, theaters, and picnicking will take care of your down time. Maps, photos. Most people are aware that the Space Needle is in Seattle and that the Columbia River Gorge is a must-see on any trip to the Northwest. But where should you turn for information about watching the killer whales (orcas) among Washington's gorgeous San Juan Islands? Fishing along the rugged Oregon coast? Hiking in country said to be frequented by Bigfoot himself? Parasailing over Puget Sound? Engaging some llamas to carry your gear on a camping trip to the high country? And much, much more. Adventure Guide to the Pacific Northwest will take you where you want to go. Reader Adventure Guide to the Pacific Northwest by Don Marjorie Young is a Hunter Travel Guide which I can also highly recommend. We love traveling in the Pacific Northwest, but there is so very much to see I couldn't imagine how they could get it all into one book, but they have done a very good job of it. The organization of the book makes it easy to find just what you want in each area, from restaurants and places to stay in all price ranges, tours, camping information, sources, maps, etc. I especially like the sections called Adventures, which have separate categories for on-foot, horseback, wheels, water, and snow. This is a guide worth having and nominally priced. Bonnie Neely
