Road Ahead Middle East Policy In The Bush Administrations Second Term

J. Russell

Road Ahead Middle East Policy In The Bush Administrations Second Term:

The Road Ahead Flynt Leverett, 2005-11-01 The war on terror and the battle in Iraq provided the framework for George W Bush's first term in office. As he embarked on a second term, the president reaffirmed his administration's commitment to a transformative Middle East agenda that now includes the challenges of promoting democracy, non proliferation, and Israeli/Palestinian peace. The Saban Center at the Brookings Institution commissioned a group of its experts to critique the Bush administration's first term performance and present alternative approaches for its second term. The Road Ahead covers the full set of challenges confronting President Bush in his second term, from fighting Bin Ladenism to promoting Arab reform, from achieving Middle East peace to saving Iraq, and from tackling Iran to engaging Syria and Saudi Arabia. The contributors argue that the Bush administration will need to develop an integrated Middle East strategy that improves the prospects for achieving a priority identified during the 2004 presidential campaign: strengthening alliances and utilizing them to ease the burden on American leadership. The Road Ahead provides the necessary elements for a genuinely integrated strategic framework that will help decisionmakers manage both the changes and the continuities in America's post 9/11 Middle East policy. Contributors: Martin Indyk, Flynt Leverett, Kenneth Pollack, James Steinberg, Shibley Telhami, and Tamara Cofman Wittes, all connected with the Saban Center at the Brookings Institution. A Saban Center Report.

Controversies of the George W. Bush Presidency Nancy S. Lind, Bernard I. Tamas, 2006-12-30 The George W Bush administration has become one of the most controversial in American history. The president, who once enjoyed a post 9/11 astronomical approval rating of 88 percent, ranked almost as low in his second term as any president in history. Throughout the social security and stem cell research debates, the Enron trial, the Patriot Act, the Abu Ghraib prisoner abuse scandal, No Child Left Behind, and the administration's lackluster response to Hurricane Katrina, George Bush's presidency has been white-hot controversial. Fueling the controversies have been Bush's speeches and public statements, axis of evil, mission accomplished, etc. This volume is packed with primary document excerpts from presidential speeches, public statements, and letters, and from opposing congressional arguments, an excellent resource for helping students understand events that will affect the U.S. for years to come. Introductory sections set the context for each document, and extensive lists of web sites and further reading sources supplement the material. This volume is an excellent resource for helping students understand events that will affect the U.S. for years to come.

Thicker Than Oil Rachel Bronson, 2008-06-05 For fifty-five years, the United States and Saudi Arabia were solid partners. Then came the 9/11 attacks, which sorely tested that relationship. In *Thicker than Oil*, Rachel Bronson reveals why the partnership became so intimate and how the countries' shared interests sowed the seeds of today's most pressing problem: Islamic radicalism. Drawing on a wide range of archival material, declassified documents, and interviews with leading Saudi and American officials, and including many colorful stories of diplomatic adventures and misadventures, Bronson chronicles a history of close and always controversial contacts. She argues that, contrary to popular belief, the

relationship was never simply about oil for security Saudi Arabia's geographic location and religiously motivated foreign policy figured prominently in American efforts to defeat godless communism From Africa to Afghanistan Egypt to Nicaragua the two worked to beat back Soviet expansion But decisions made for hardheaded Cold War purposes left behind a legacy that today enflames the Middle East Looking forward Bronson outlines the challenges confronting the relationship The Saudi government faces a zealous internal opposition bent on America's and Saudi Arabia's destruction Yet from the perspective of both countries the status quo is clearly unsustainable

The Encyclopedia of the Arab-Israeli Conflict Spencer C. Tucker, Priscilla Roberts, 2008-05-12 This exhaustive work offers readers at multiple levels key insights into the military political social cultural and religious origins of the Arab Israeli conflict The Encyclopedia of the Arab Israeli Conflict A Political Social and Military History is the first comprehensive general reference encompassing all aspects of the contentious Arab Israeli relationship from biblical times to the present with an emphasis on the era beginning with World War I The Encyclopedia of the Arab Israeli Conflict goes beyond simply recapping military engagements In four volumes with more than 750 alphabetically organized entries plus a separate documents volume it provides a wide ranging introduction to the distinct yet inextricably linked Arab and Israeli worlds and worldviews exploring all aspects of the conflict The objective analysis will help readers understand the dramatic events that have impacted the entire world from the founding of modern Israel to the building of the Suez Canal from the Six Day War to the Camp David Accords from the assassinations of Anwar Sadat and Yitzhak Rabin to the rise and fall of Yasser Arafat the 2006 Palestinian elections and the Israeli Hezbollah War in Lebanon

The War on Terror Encyclopedia Jan Goldman Ph.D., 2014-10-07 This fascinating reference chronicles the individuals operations and events of the War on Terror around the world exploring its causes and consequences through the lens of policy doctrine and tactics of combat The War on Terror is more than a political movement to identify and prosecute terrorists it has become a cornerstone of economic and military importance This campaign has shaped policy in the Middle East prompted uprisings of Islamic fundamentalists against the West and redefined the ideology of warfare This single volume encyclopedia provides readers with more than 200 engaging entries on the myriad events key individuals and organizations that have played a major role in the War on Terror The A Z entries define the policies and doctrines describe the armies battlefields and weapons employed and profile the figures whose actions and decisions set the course of history The expert contributors decode military jargon for non specialist readers and explain the unconventional tactics used in the War on Terror shedding light on the reason behind the attacks the political maneuvering of the leaders involved and the internal conflicts and external clashes that drove terrorists to settle all over the world The book also includes detailed essays on the impact of the September 11 attacks on U S foreign policy presidential powers and public opinion

The Iraq War Encyclopedia Thomas R. Mockaitis, 2013-08-15 This reference work is an ideal resource for anyone interested in better understanding the controversial Iraq War It treats the war in its entirety covering politics religion and history as well as

military issues The Iraq War started in 2003 in a quest to rid the nation of weapons of mass destruction WMDs that were never found It lasted over 8 years during which more than 30 000 U S service members were wounded and almost 4 500 American lives lost Comprised of some 275 entries this comprehensive encyclopedia examines the war from multiple points of view Each article is written by an expert with specialized knowledge of the topic The reference covers every aspect of the Iraq War from the U S invasion Operation IRAQI FREEDOM through the rise of Al Qaeda in Iraq the surge and the U S withdrawal Other significant aspects of the conflict are addressed as well including Abu Ghraib WMDs the controversial use of private military contractors and Britain s role in the war The book also features an overview essay a causes and consequences essay maps photos a chronology and a bibliography *Critical Issues Facing the Middle East* J.

Russell,2006-07-21 Addressing systemic changes in the Middle East s security environment since the Iraq War prominent experts analyze the challenges these changes pose to US strategy and policy They examine the causes of profound economic political and religious transitions and their implications for hopes of reform **The Encyclopedia of Middle East Wars**

Spencer C. Tucker,2010-10-08 This in depth study of U S involvement in the modern Middle East carefully weighs the interplay of domestic cultural religious diplomatic international and military events in one of the world s most troubled regions The monumental five volume *The Encyclopedia of Middle East Wars The United States in the Persian Gulf Afghanistan and Iraq Conflicts* is a must have resource for anyone seeking to comprehend U S actions in this volatile region Under the expert editorship of Spencer C Tucker the encyclopedia traces 20th and 21st century U S involvement in the Middle East and south central Asia concentrating on the last three decades Beginning with the 1980 1988 Iran Iraq War it covers the 1979 1989 Soviet occupation of Afghanistan the 1991 Persian Gulf War allied punitive actions against Iraq during the 1990s the Afghanistan War the Iraq War and the Global War on Terror Many smaller military actions against Iran Iraq Libya Afghanistan and other regimes that have been involved in international terrorism are also included Diplomacy religion as it pertains to Middle East conflict and social cultural developments are other key subjects of analysis as is the interplay of politics with military policy in the United States and other nations involved in the region *Freedom's Unsteady March*

Tamara Cofman Wittes,2008-10-01 President Bush promised to democratize the Middle East but the results so far have dispirited democracy advocates and brought their project into disrepute After the debacle in Iraq and the electoral success of Hamas the pursuit of Arab democracy seems to many observers a fool s errand an unfortunate combination of ideology and wishful thinking In *Freedom's Unsteady March* Tamara Cofman Wittes dissects the Bush administration s failure to advance freedom in the Middle East and lays out a better strategy for future efforts to promote democracy Wittes argues that only the development of a more liberal and democratic politics in the Arab world will secure America s long term goals in the region and that America must continue trying to foster progress in that direction To do so however it must confront more honestly the risks of change and act more effectively to contain them A dangerous combination of growing populations economic

stagnation and political alienation poses the primary threat to Middle East stability today severely testing the legitimacy and governability of key states such as Egypt and Saudi Arabia If Arab governments cannot sustain the support of their citizens they will find it difficult to work with America on issues of common concern such as stabilizing Iraq confronting Iran on nuclear weapons and promoting Arab Israeli peace Despite President Bush s failures Wittes argues the United States cannot afford to ignore the momentous social economic and political changes already taking place in Arab states Wittes detailed analysis of Arab politics and American policy presents an alternative in her view the only alternative overcoming America s deep ambivalence about Arab democracy to support positive liberal change in the region that will create a firmer foundation for Arab American ties *Geopolitics of Oil* United States. Congress. Senate. Committee on Energy and Natural Resources,2007 U.S. Conflicts in the 21st Century Spencer C. Tucker,2015-12-14 This three volume reference work provides an up to date presentation and analysis of the U S wars of the 21st century addressing their backgrounds causes courses and consequences It serves as an indispensable resource for students seeking to understand the role of the United States in the world today Addressing the U S conflicts in Iraq Afghanistan and the Global War on Terror from the year 2001 to the present this comprehensive three volume encyclopedia covers the significant individuals key events and important places involved in these recent military events Beginning with the rise of Al Qaeda in the 1990s and the attacks on September 11 2001 and covering events through ISIS s dramatic surge in Iraq and Syria the hundreds of detailed entries also examine historical trends nations and ethnicities involved in the conflicts influential figures and organizations economic political diplomatic and cultural influences wars campaigns and battles and important weapons systems The set s A Z organization makes it an easy to use ready reference for high school and college students Perspective essays on several controversial topics such as the use of torture and the effects of the Patriot Act serve to inspire readers to apply critical thinking A detailed chronology is provided to help students place all the important events that have occurred in the Afghanistan War Iraq War and War on Terror Each of the chronologically arranged primary documents is introduced with a brief overview to provide important background information and context *Foreign Policy in Iran and Saudi Arabia* Robert Mason,2014-12-22 Saudi Arabia with its US alliance and abundance of oil dollars has a very different economic story to that of Iran which despite enormous natural gas reserves has been hit hard by economic trade scientific and military sanctions since its 1979 revolution Robert Mason looks at the effect that economic considerations such as oil gas sanctions trade and investment have had on foreign policy decision making processes and diplomatic activities By examining the foreign policies of Saudi Arabia and Iran towards each other and towards the wider Middle East and beyond Mason seeks to highlight how oil policy including oil production pricing and security of supply and demand is the paramount economic factor which drives the diplomacy and rivalry of these two pivotal regional powers His book thus offers vital analysis for researchers of international relations in the Middle East and the processes involved in the formation of foreign policy **U.S. Leadership in Wartime**

Spencer C. Tucker, 2009-09-10 A historical study of the relationship between civilian and military leaders in the United States during wartime from the American Revolution to the Iraq War Now from one of the world's leading publishers of military history comes a breakthrough reference on one of the most important and complex aspects of U.S. national defense U.S. Leadership in Wartime Clashes Controversy and Compromise offers a comprehensive analysis of the characteristics that constitute effective leadership in war and discusses the often contentious relationships between U.S. civilian and military leadership throughout American history U.S. Leadership in Wartime focuses on ten conflicts including the Revolutionary War the Civil War World Wars I and II the Vietnam War the Iraq War and the war in Afghanistan Coverage for each conflict focuses on the dynamics of civilian military relations and their impact on the course outcome and perception of each war under discussion Coverage in each chapter includes an overview essay sidebars and detailed treatments of key engagements and battles as well as detailed biographical essays of important figures not just politicians and generals but also labor leaders business leaders journalists and women *Geopolitics of oil : hearing ,* **Reforms in the Middle East** Thomas Weihe, 2006 Stability in the Middle East is possible only if the United States and Europe work closely together with the region's own representatives At the 133rd Bergedorf Round Table policy makers and experts from the Middle East the USA and EU member states analysed the current situation and discussed options for political action Some participants judged the intervention in Iraq positively despite all its errors and associated perils The controlled earthquake they said brought movement to the region's political landscape after decades of stagnation Others argued that the invasion turned Iraq into a magnet for international terrorism and that ethnic and sectarian conflicts now threaten to destabilize the entire region Regarding the Iranian nuclear program the discussion focused on Iran's internal dynamics and the role of the United States On the issue of modernization the conference revealed how far attitudes diverge over the relationship of state religion and ethnicity within the Islamic world The Western side saw the region's radicalisation as both a fundamental obstacle to cooperation and the chief cause for the breakdown of security there Participants from the Middle East accused the West of applying less stringent standards toward allied autocrats and being biased towards Israel The Round Table identified ways of supporting reforms externally and developed policy approaches for the USA and the EU Publisher description

Government and Politics of the Contemporary Middle East Tareq Y. Ismael, Jacqueline S. Ismael, 2023-09-18 This exciting new edition of the successful textbook for students of Middle Eastern politics provides a highly relevant and comprehensive introduction to the complexities of a region in constant flux Combining a thematic framework for examining patterns of politics with individual chapters dedicated to specific countries the book places the very latest developments and long standing issues within an historical context This third edition extends its analysis to post 2015 developments in the region as well as expanding the range of pedagogical features on offer Presenting information in an accessible and inclusive format the book offers Coverage of the historical influence of colonialism and major world powers on the shaping of the

modern Middle East A detailed examination of the legacy of Islam Analysis of the political and social aspects of Middle Eastern life including alienation between the state and society poverty and social inequality and ideological crisis and renewal Case studies on countries in the Fertile Crescent Iraq Syria and Lebanon and Israel Palestine the Northern Belt Turkey and Iran and those West and East of the Red Sea Egypt and the members of the Gulf Cooperation Council A key introductory text for students of Middle Eastern politics and history at advanced undergraduate and postgraduate levels this new edition has been extensively updated to also become a timely and significant reference for policy makers and any motivated reader

Inheriting Syria Flynt Leverett, 2005-04-15 Syria has long presented a difficult problem for American policymakers Actively supportive of groups such as Hezbollah it has occupied Lebanon for more than 20 years Damascus remains intransigent on Israel's complete withdrawal from the disputed Golan Heights as the sine qua non for peace with that state It is often mentioned in the same breath as members of the infamous axis of evil Syria occupies an important strategic position in the Middle East one made even more significant as America considers long term involvement in the reconstruction of Iraq As the policy challenges posed by Syria's problematic behavior have grown more pressing in the recent security environment the United States has had difficulty formulating a coherent and effective policy toward Damascus The death of long time dictator Hafiz al Assad has forced renewed debate on its place in the region The transition from Assad to his son Bashar has thrown Western consensus on how to deal with the Syrian leadership further into doubt In *heriting Syria* fills this void with a detailed analytic portrait of the Syrian regime under Bashar's leadership It draws implications for U S policy offering a bold new strategy for achieving American objectives largely via a strategy of coordinated engagement employing both sticks and carrots This strategy would be independent of the Arab Israeli peace process thus a historical departure for the United States The author's long service in the foreign policy establishment has uniquely positioned him to provide valuable insights into this mysterious yet important country This book will be of high interest to those concerned about the Middle East the war on terror and the future of American foreign policy Written for a general audience as well as the policymaking and academic communities *her iting Syria* is an important resource for all who seek deeper understanding of this enigmatic nation and its leadership

Index Islamicus ,2007 *Jordan and the United States* Imad El-Anis, 2010-11-30 Relations between the United States and the Middle East are going through a period of significant change in which the use of force in pursuit of national interests has proved to be increasingly counterproductive A new policy direction has been adopted which seeks to promote economic integration development and cooperation The recent proliferation of US Middle East free trade agreements is a corner stone of this new foreign policy approach Imad El Anis here offers an analysis of how free trade and economic integration can impact US Middle East relations by using the Jordan US relationship as an example This book is essential reading for those wishing to understand the new direction of US foreign economic policy towards the Middle East and the accompanying reforms taking shape in the

Arab world *Unthinkable* Kenneth Pollack, 2014-09-30 Examines Iran's current nuclear potential while charting America's future course of action recounting the prolonged clash between both nations to outline options for American policymakers
