Road Trips, Head Trips, and Other Car-Crazy Writings Jean Lindamood Jennings, 1998-07-29 An anthology of automotive writing featuring essays stories and poems by a variety of authors including Dave Barry Ernest Hemingway and Hunter S Thompson

Machines of Youth Gary S. Cross, 2018-05-04 For American teenagers getting a driver's license has long been a watershed moment separating teens from their childish pasts as they accelerate toward the sweet sweet freedom of their futures With driver's license in hand teens are on the road to buying and driving and maybe even crashing their first car a machine which is home to many a teenage ritual being picked up for a first date parking at a scenic overlook or blasting the radio with a gaggle of friends in tow So important is this car ride into adulthood that automobile culture has become a stand in a shortcut to what millions of Americans remember about their coming of age *Machines of Youth* traces the rise and more recently the fall of car culture among American teens In this book Gary S Cross details how an automobile obsession drove teen peer culture from the 1920s to the 1980s seducing budding adults with privacy freedom mobility and spontaneity Cross shows how the automobile redefined relationships between parents and teenage children becoming a rite of passage producing new courtship rituals and fueling the growth of numerous car subcultures Yet for teenagers today the lure of the automobile as a transition to adulthood is in decline Tinkerers are now sidelined by the advent of digital engine technology and premolded body construction while the attention of teenagers has been captured by iPhones video games and other digital technology And adults have become less tolerant of teens on the road restricting both cruising and access to driver's licenses Cars are certainly not going out of style Cross acknowledges but how upcoming generations use them may be changing He finds that while vibrant enthusiasm for them lives on cars may no longer be at the center of how American youth define themselves But for generations of Americans the modern teen experience was inextricably linked to this particularly American icon

USA Today Index ,1996 Car and Driver ,1997 **Automobile** ,2003-05 The Bad Girl's Guide to the Open Road Cameron Tuttle,1999 Suggests ideas for trips for women who love to drive including unusual festivals and museums things to do in a small town and the best songs to listen to in the car

Jim Harrison Gregg Orr,Beef Torrey,2009-06 Jim Harrison a literary maverick is widely considered one of the great and iconic writers in contemporary American literature This pioneering volume an extensive and up to date illustrated guide to Harrison's published works is the first full length catalog of a distinguished literary career spanning more than forty years Longtime Harrison readers and collectors Gregg Orr and Beef Torrey have amassed a thorough list of the author's wide ranging work annotated and arranged by genre to provide a full view of the breadth of Harrison's accomplishment This work contains more than sixteen hundred citations of writings by and about Harrison including his fiction poetry essays interviews screenplays criticism and reviews it also features photographs of his books dust jackets and broadsides With a foreword by Harrison penned especially for this seminal volume and an introduction by writer and scholar Robert DeMott this is the definitive bibliographical study of

a major figure in late twentieth and early twenty first century American letters *A Second Life* Dan Gerber, 2001 *A Second Life* brings together several new pieces with the best of Dan Gerber's previously published essays and magazine stories many of which have appeared in magazines such as *Outside* *Playboy* *Sports Illustrated* and *Sports Illustrated* Gerber limns his experience as a professional racing driver journalist sailor and fisherman with a poet's eye and a novelist's gift for narrative believing as he states in his introduction that our truest lives must be imagined New essays in this collection include a meditative journal on the Arctic and an in depth interview in which Gerber discusses the relationship of his artistic life with that as an explorer of the natural world Also included are a gripping account of his return to racing thirty three years after his career ending crash a story about saving his own life in the African desert by introducing a clan of Rendili warriors to ice a chronicle of his pursuit of the most elusive fish in the world and the story of a clandestine sailing trip to Cuba His classic and highly praised book on the Indianapolis 500 the World's Fastest Carnival Ride long out of print is included here in its entirety Blending Thoreau's dictum that a writer is a traveler who stays at home with Wallace Stevens's that it is the worst of all things not to live in a physical world Dan Gerber's focus in *A Second Life* is the inward experience of the outer world

Access, 1998 Spelling and Vocabulary Level 7 Pete Earley, 1999 **Gender, Genre, and Identity in Women's Travel Writing** Kristi Siegel, 2004 Women experience and portray travel differently Gender matters irreducibly and complexly Building on recent scholarship in women's travel writing these provocative essays not only affirm the impact of gender but also cast women's journeys against coordinates such as race class culture religion economics politics and history The book's scope is unique Women travelers extend in time from Victorian memsahibs to contemporary road girls and topics range from Anna Leonowens's slanted portrayal of Siam later popularized in the movie *The King and I* to current feminist descripting of the male road buddy genre The extensive array of writers examined includes Nancy Prince Frances Trollope Cameron Tuttle Lady Mary Montagu Catherine Oddie Kate Karko Frances Calder n de la Barca Rosamond Lawrence Zilpha Elaw Alexandra David N el Amelia Edwards Erica Lopez Paule Marshall Bharati Mukherjee and Marilynne Robinson **SF Express** John J. Ruszkiewicz, Maxine Hairston, Christy Friend, 2001 With the *SF Express* the authors have created a pocket handbook unique in its treatment of issues frequently not covered in a book of its size including a sound introduction to critical thinking and the writing process document design and writing for the web *SF Express* breaks new ground in Part I Writing and Thinking where it presents writing as a dynamic activity grounded in practical choices and familiar genres Also innovative is its coverage of document design and writing for the Web Two full chapters devoted to these subjects feature fresh material and relevant illustrations Uniquely *SF Express* treats the design of print and electronic documents as a process like writing itself Yet *SF Express* doesn't forget its responsibilities as a guide to grammar mechanics usage and documentation Its coverage in these areas is unsurpassed in the pocket handbook format A concise but thorough reference the *SF Express* is the perfect tool for student writers needing a handy resource to help them meet the challenges of today's

classes Sf Compact Maxine Hairston, John Ruszkiewicz, Christy Friend, 2004-02 Based on the Scott Foresman Handbook SF Compact offers a simple brief and inexpensive reference as well as ample exercises and thorough coverage of research and documentation Includes thorough coverage of MLA APA CMS and CSE documentation through the context of the writing processes writing for academic and public forums style design and shape of writing grammar punctuation and mechanics research and writing and documentation A useful reference for any professionals who generate correspondence **The Scott Foresman Handbook, MLA Update 2003** Maxine Hairston, John Ruszkiewicz, Christy Friend, 2004 Since the best selling first edition The Scott Foresman Handbook has proven again and again that a comprehensive handbook can be easy practical even fun to use Each new edition has provided complete up to date material on writing processes argumentation style grammar mechanics and punctuation in friendly and accessible language Yet new ground has been broken as the authors have anticipated new developments in writing influenced by new theories and new technologies Earlier editions have led the field in addressing civic literacy visual literacy online research service learning and other emerging trends As a result of this forward looking philosophy writers using The Scott Foresman Handbook know what college writing means today and what writers will need to know tomorrow *The Scott, Foresman Handbook for Writers* Maxine Hairston, John J. Ruszkiewicz, Christy Friend, 2002 The Scott Foresman Handbook for Writers 6e continues its tradition of innovation with ground breaking coverage of grading service learning document design and research Already the most imitated book in its field SFH 6e becomes the first handbook to offer a full chapter on Evaluating Writing covering both traditional and portfolio systems of grading The new chapter answers many of the questions about grading principles criteria and procedures that instructors face every term There s more too in this edition about the kinds of writing more and more college writers are doing in their professional and civic lives or in service learning courses Already a leader in technology SFH now expands its first ever treatment of document design into a fully illustrated section that explains document design as a process like writing itself There s a thorough new chapter with full coverage of Writing for the Web and a portfolio chapter of four color model documents Coverage of research continues to set the standard for college projects with new material on designing research projects evaluating sources and working with online materials helpful online materials to enhance their thinking and research But the edition has not neglected more traditional elements of writing Every chapter has been reworked to enhance clarity and to polish the notably friendly style of SFH No handbook addresses writers more cordially or helpfully A new cleaner design makes all materials more accessible and frequent photos and images make the entire package more student friendly *Literature, Neurology, and Neuroscience: Neurological and Psychiatric Disorders* , 2013-12-11 This well established international series examines major areas of basic and clinical research within neuroscience as well as emerging and promising subfields This volume on the neurosciences neurology and literature vividly shows how science and the humanities can come together and have come together in the past Its sections provide a new broad look at these interactions

which have received surprisingly little attention in the past Experts in the field cover literature as a window to neurological and scientific zeitgeists theories of brain and mind in literature famous authors and their suspected neurological disorders and how neurological disorders and treatments have been described in literature In addition a myriad of other topics are covered including some on famous authors whose important connections to the neurosciences have been overlooked e g Roget of Thesaurus fame famous neuroscientists who should also be associated with literature and some overlooked scientific and medical men who helped others produce great literary works e g Bram Stoker s Dracula There has not been a volume with this coverage in the past and the connections it provides should prove fascinating to individuals in science medicine history literature and various other disciplines This book looks at literature medicine and the brain sciences both historically and in the light of the newest scholarly discoveries and insights *The Automobile in American History and Culture* Michael L. Berger,2001-07-30 This comprehensive reference guide reviews the literature concerning the impact of the automobile on American social economic and political history Covering the complete history of the automobile to date twelve chapters of bibliographic essays describe the important works in a series of related topics and provide broad thematic contexts This work includes general histories of the automobile the industry it spawned and labor management relations as well as biographies of famous automotive personalities Focusing on books concerned with various social aspects chapters discuss such issues as the car s influence on family life youth women the elderly minorities literature and leisure and recreation Berger has also included works that investigate the government s role in aiding and regulating the automobile with sections on roads and highways safety and pollution The guide concludes with an overview of reference works and periodicals in the field and a description of selected research collections *The Automobile in American History and Culture* provides a resource with which to examine the entire field and its structure Popular culture scholars and enthusiasts involved in automotive research will appreciate the extensive scope of this reference Cross referenced throughout it will serve as a valuable research tool

Blood and Smoke Charles Leerhsen,2012-05-22 One hundred years ago 40 cars lined up for the first Indianapolis 500 We are still waiting to find out who won The Indy 500 was created to showcase the controversial new sport of automobile racing which was sweeping the country Daring young men were driving automobiles at the astonishing speed of 75 miles per hour testing themselves and their vehicles With no seat belts hard helmets or roll bars the dangers were enormous When the Indianapolis Motor Speedway opened in 1909 seven people were killed some of them spectators Oil slicked surfaces clouds of smoke exploding tires and flying grit all made driving extremely hazardous especially with the open cockpit windshield less vehicles Bookmakers offered bets not only on who might win but who might survive But this book is about more than a race it is the story of America at the dawn of the automobile age a country in love with speed danger and spectacle From publisher description *Fast on the Sand* Aldo Zana,2022-03-14 The 1928 quest for the Land Speed Record on the sands of Daytona Beach was a first for America a singular mix of technology thrills and tragedy Tens of thousands lined the dunes along the

beach a crowd larger than any yet seen at Indianapolis 500 Three contenders two Americans and a Briton raced for the ultimate distance averaged top speed in magnificent machines built by different schools of design This book chronicles the high speed drama The top American driver Frank Lockhart 25 survived a spectacular accident and rebuilt his Stutz Black Hawk only to meet his fate in the new runs The facts and myths behind the competition are examined in depth for the first time along with the innovations and fatal mistakes of vehicle design **Southern Folklore** ,2000
