**Vows & the Vagabond, Book 4 of the Gypsy Road Series** Karen Wiesner, 2015-04-14 Rod JoJo Jon and Blackie four gypsies on a solitary road until love throws a fork in their paths They both want what they can't have each other Blackie Scarpacchio has had hard lessons kicked in him from birth leaving him cynical and afraid to trust in love Lori Gordon has loved Blackie all her life After one stolen night together he'd torn her soul in two when he admitted their relationship was based on vows he'd made to her father Five years later she's come home to discover that absence has made her heart grow fonder Blackie doesn't know how to deal with his own unresolved feelings But when Lori starts receiving threats his protectiveness thrusts him into constant contact and reborn needs [Narrating a New Mobility Landscape in the Modern American Road Story, 1893-1921](#) Andrew Vogel, 2024-05-09 This book examines travel narratives as a medium used by the American public to imagine and negotiate new ways to live in move through and share national space Setting an array of archival material including congressional deliberations into analytical conversation with road stories by Walt Whitman Paul Laurence Dunbar Upton Sinclair Emily Post Zitkala a Henry Ford and many others this book reframes our understanding of

the origins of American automobility The evidence gathered here sheds light on the processes by which the defining social infrastructure of the twentieth century came to be enacted and also exposes the fraught debates and abiding misgivings that continue to roil infrastructure planning today The insights captured in this study purposefully deepen our attention to questions of land use and collective responsibility at a moment when the ecological and social justice consequences of American automobility must be thoroughly re evaluated so that more conscientious mobility futures may be developed

Netted Rainbows Kevin Munro,2014-11-20 In 2005 after 20 years of working for an Australian State Government Schools Teaching Service author Kevin Munro suffered a severe bipolar nervous breakdown To keep up his literary skills he began to write In Netted Rainbows Munro documents his illness through poems he wrote between 2005 and 2009 in Sydney Australia His record is filled with the pain of bipolar disorder complete with the mania and depression he suffered and overcame He challenges readers to identify the different stages of his illness through reading his works and believes they could come away being a lay professional

**The Sky Is Smiling** Kevin Munro,2015-04 I was released from an in patient mental health ward in early March 2006 A trophy pictured in the preface of this book displays the date July 23 2006 as the initial USA competition poetry award That date marks the deadline of the period required for a poem to be created entered and judged All that was left for application after my 20 years of post grad training was creative writing My hidden hope was to offer in a real way an apology via deed to all those who encountered me when I was unwell There is something strange regarding that period s legal progress since society so easily ignores this as dealing with madness My elderly mother watched as my life appeared to unravel but always offered support In 2009 as she lay upon her deathbed in hospital she held the first volume for which she was my sounding board She smiled and said Well at least you have a little hope appearing now These works you hold are the collated works of this period of hurtful outpour and are continuous from early 2006 until late 2014

**Edge-based Clausal Syntax** Paul Martin Postal,2010 An argument that there are three kinds of English

grammatical objects each with different syntactic properties In Edge Based Clausal Syntax Paul Postal rejects the notion that an English phrase of the form V DP invariably involves a grammatical relation properly characterized as a direct object He argues instead that at least three distinct relations occur in such a structure The different syntactic properties of these three kinds of objects are shown by how they behave in passives middles able forms tough movement wh movement Heavy NP Shift Ride Node Raising re prefixation and many other tests This proposal renders Postal s position sharply different from that of Chomsky who defined a direct object structurally as NP VP and with the traditional linguistics text s definition of the direct object as the DP sister of V According to Postal s framework sentence structures are complex graph structures built on nodes vertices and edges arcs The node that heads a particular edge represents a constituent that bears the grammatical relation named by the edge label to its tail node This approach allows two DPs that have very different grammatical properties to occupy what looks like identical structural positions The contrasting behaviors of direct objects which at first seem anomalous even grammatically chaotic emerge in Postal s account as nonanomalous as symptoms of hitherto ungrasped structural regularity

**Contemporary Review** ,1878      *Chasing Empire across the Sea* Kenneth J. Banks,2002-11-21 Banks defines and applies the concept of communications in a far broader context than previous historical studies of communication encompassing a range of human activity from sailing routes to mapping to presses to building roads and bridges He employs a comparative analysis of early modern French imperialism integrating three types of overseas possessions usually considered separately the settlement colony New France the tropical monoculture colony the French Windward Islands and the early Enlightenment planned colony Louisiana offering a work of synthesis that unites the historiographies and insights from three formerly separate historical literatures Banks challenges the very notion that a concrete empire emerged by the first half of the eighteenth century in fact French colonies remained largely isolated arenas of action and development Only with the contraction and concentration of overseas possessions after 1763 on the Plantation Complex did a more cohesive if fleeting French empire first emerge
