Roaming Through the West Indies Harry Alverson Franck,1921 **Roaming Through the West Indies** Harry Alverson Franck,2018 **Roaming Through the West Indies (Classic Reprint)** Harry Alverson Franck,2017-11-19 Excerpt from Roaming Through the West Indies Some years ago I made a tramping trip around the world for my own pleasure Friends coaxed me to set it down on paper and new friends were kind enough to read it Since then they have demanded more at least so the publishers say but always specifying that it shall be on foot Now I refuse to be dictated to as to how I shall travel I will not be bullied into tramping when I wish to ride The journey here with set forth is therefore among other things a physical protest against that attempted coercion a proof that I do not need to walk unless I choose to do so To make broken resolutions impossible I picked out a trip that could not be done on foot It would be difficult indeed to walk through the West Indies Then to make doubly sure I took with me a newly acquired wife and we brought back a newly acquired son though that has nothing to do with the present story I will not go so far as to say that I abjured footing it entirely As a further proof of personal liberty I walked when and where the spirit moved me and the element underfoot was willing But I wish it distinctly understood from the outset that this is no walking trip Once having broken the friends who atter me with their attention of expecting me to confine myself to the prehistoric form of locomotion I shall probably take to the road again to relieve a chronic foot itch About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works Roaming Through the West Indies Franck Harry Alverson 1881, B.,HardPress,2013-06 Unlike some other reproductions of classic texts 1 We have not used OCR Optical Character Recognition as this leads to bad quality books with introduced typos 2 In books where there are images such as portraits maps sketches etc We have endeavoured to keep the quality of these images so they represent accurately the original artefact Although occasionally there may be certain imperfections with these old texts we feel they deserve to be made available for future generations to enjoy ROAMING THROUGH THE WEST INDIE Harry a. Dollar Diplomacy by Force Ellen D. Tillman,2016-02-11 In the early twentieth century the United States set out to guarantee economic and political stability in the Caribbean without intrusive and controversial military interventions and ended up achieving exactly the opposite Using military and government records from the United States and the Dominican Republic this work investigates the extent to which early twentieth century U S involvement in the Dominican Republic fundamentally changed both Dominican history and the conduct of U S foreign policy Successive U S interventions based on a policy of dollar diplomacy led to military occupation and contributed to a drastic shifting of the Dominican social order as well as centralized state military power which Rafael Trujillo leveraged in his 1920s rise to dictatorship Ultimately this book demonstrates that the overthrow of the social order resulted not from military planning but from the interplay between uncoordinated interventions in Dominican society and Dominican responses Telling a neglected story of occupation and resistance Ellen D Tillman documents the troubled efforts of the U S government to break down the Dominican Republic and remake it from the ground up providing fresh insight into the motivations and limitations of occupation
