BIRTH LIFE MURDER G.G. Kalfas, 2019-03-20 BIRTH LIFE MURDER is an invocation of poetry philosophies and short stories which pertain to the unfolding circumstances within our lives We are born into this world we live through our life and sometimes we murder parts of ourselves in the process All men are created equal but not all men live equally Staying true to one s own ideals and life s purpose will be violently ripped away if an unrelenting hold to them is not maintained Do you remember who you really are Did you lose your identity meandering down your life s path In order to understand life you must first understand its language How long can you live not knowing who or what you are How long can you meander through your life until you realize your truth What will it take for you to become your truth **The Putnam Hall Rivals**
