The Lives & Exploits of the Most Noted Highwaymen, Rogues and Murderers Stephen Basdeo, 2018-09-30 A fascinating historical survey of the world's most infamous outlaws. For as long as human societies have existed there have always been people who have transgressed the laws of their respective societies. It seems that whenever new laws are made, certain people find ways to break them. This book will introduce you to some of the most notorious figures from all parts of the world who have committed heinous crimes such as highway robbery, murder, and forgery. Beginning with Bulla Felix the Roman highwayman, this book traces the careers of medieval outlaws such as Robin Hood and Adam Bell. Early modern murderers also make an appearance such as Sawney Beane whose story inspired the cult horror movie *The Hills Have Eyes*. Learn also about the crimes and daring escapes of Jack Sheppard, an eighteenth-century criminal who escaped from prison on several occasions, and find out if the gentlemanly highwayman Dick Turpin was truly a gentleman. This book also includes an appendix of seventeenth and eighteenth-century thieves' cant as well as several historical poems, songs, and ballads relating to the subjects discussed, and the work is prefaced with an essay highlighting the significance of crime literature throughout history.

The Sunlit Summit Robin Lloyd-Jones, 2013-08-15 William Hutchison Murray 1913-1996 was one of Scotland's most distinguished climbers in the years before and after the Second World War. As a prisoner of war in Italy, he wrote his first classic book *Mountaineering in Scotland* on rough toilet paper which was confiscated and destroyed by the Gestapo. The rewritten version was published in 1947 and followed by the now equally famous *Undiscovered Scotland*. In 1951 he was deputy leader to Eric Shipton on the Everest Reconnaissance Expedition which discovered the eventual successful route which would be climbed by Hillary and Tensing. From the 1960s onwards he was heavily involved in conservation campaigns and his book *Highland Landscape* commissioned by the National Trust for Scotland identified areas of outstanding beauty that should be protected. It proved to be extremely influential. In 1966 he was awarded an OBE as he pursued a life of service as is well illustrated by the various posts he held: Commissioner for the Countryside Commission for Scotland 1968-1980, President of the Scottish Mountaineering Club 1962-1964 and of the

Ramblers Association Scotland 1966 82 Chairman of Scottish Countryside Activities Council 1967 82 Vice President of the Alpine Club 1971 72 President of Mountaineering Council of Scotland 1972 75 He was a prolific author but a proper understanding of his life and work requires that we appreciate that his driving force was a quest to achieve inner purification that would lead him to oneness with Truth and Beauty For many years the climber author and teacher Robin Lloyd Jones above has been researching the life and work of Bill Murray and working steadily on this biography It is not only a triumph of fine writing and interest but a worthy accolade for this great man
