House of Trump, House of Putin Craig Unger,2019-09-03 THE NEW YORK TIMES BESTSELLER The story Unger weaves with those earlier accounts and his original reporting is fresh illuminating and more alarming than the intelligence channel described in the Steele dossier The Washington Post House of Trump House of Putin offers the first comprehensive investigation into the decades long relationship among Donald Trump Vladimir Putin and the Russian Mafia that ultimately helped win Trump the White House It is a chilling story that begins in the 1970s when Trump made his first splash in the booming money drenched world of New York real estate and ends with Trump s inauguration as president of the United States That moment was the culmination of Vladimir Putin s long mission to undermine Western democracy a mission that he and his hand selected group of oligarchs and Mafia kingpins had ensnared Trump in starting more than twenty years ago with the massive bailout of a string of sensational Trump hotel and casino failures in Atlantic City This book confirms the most incredible American paranoidias about Russian malevolence To most it will be a hair raising revelation that the Cold War did not end in 1991 that it merely evolved with Trump s apartments offering the perfect vehicle for billions of dollars to leave the collapsing Soviet Union In House of Trump House of Putin Craig Unger methodically traces the deep rooted alliance between the highest echelons of American political operatives and the biggest players in the frightening underworld of the Russian Mafia He traces Donald Trump s sordid ascent from foundering real estate tycoon to leader of the free world He traces Russia s phoenix like rise from the ashes of the post Cold War Soviet Union as well as its ceaseless covert efforts to

retaliate against the West and reclaim its status as a global superpower Without Trump Russia would have lacked a key component in its attempts to return to imperial greatness Without Russia Trump would not be president This essential book is crucial to understanding the real powers at play in the shadows of today s world The appearance of key figures in this book Paul Manafort Michael Cohen and Felix Sater to name a few ring with haunting significance in the wake of Robert Mueller s report and as others continue to close in on the truth

Christianity and Rabbinic Judaism Jonas E. Alexis,2011-12 The

simple step of a courageous individual is not to take part in the lie One word of truth outweighs the world Alexander Solzhenitsyn In this penetrating and provocative work Jonas E Alexis challenges common assumptions about the relationship between Christianity and Rabbinic Judaism and provides compelling evidence from history and theology that demonstrates the extent to which modern Judaism has been defined by the Pharisaic and Rabbinic schools of thought As Alexis meticulously documents there has been a constant struggle between Christianity and Rabbinic Judaism since the time of Christ a struggle that will define the destiny of the West Islam according to Christianity is a historically and theologically false religion since it denies both Jesus s deity and His work of salvation at the Cross But Rabbinic Judaism Alexis argues is equally false and in many respects more dangerous to Christianity and the West than Islam since at its root Rabbinic Judaism wages war against the Logos the system of order in the world embodied by Christ In this painstakingly scholarly yet readable work Alexis maintains that Rabbinic Judaism defined by the Pharisaic teachings now codified in the Talmud that Jesus sought to correct is a categorical and metaphysical rejection of Christianity a rejection that has had and will continue to have severe implications for Western culture intellectual history and theological exegesis [The Barnes Review](#) ,2003
