Robert Schuller His Story:

Robert Schuller Michael Nason, Donna Nason, 1983 **Robert Schuller** Michael Nason, 1985 **My Journey** Robert H. Schuller, 2002-10-22 Dr Robert H Schuller s career has spanned more than five decades and his ministry of hope has touched the hearts and souls of millions around the world From one great story to the next this disarmingly honest autobiography shows us a side of the great preacher that we haven t seen before Here are stories of the events people and encounters that shaped his inspiring life and made him the ultimate possibility thinker **Robert H. Schuller Tells You how to be an Extraordinary Person in an Ordinary World** Robert Harold Schuller, 1985 The people you will meet in this book are life changers They are heroic men and women who took their defeats infirmities disasters and depressions and turned them into works for the Lord They changed their lives for the better and their stories will change your life if you allow yourself to believe and adopt their powerful remedies for ordinary human existence **A Legacy of Success** Donna Schuller, Robert Harold Schuller, 2000 When Dr Robert Schuller retires his son Robert Anthony also an ordained minister will be his successor at the Crystal Cathedral And perhaps one day Dr Schuller s nineteen year old grandson Robert V will also continue in their footsteps By laying a solid spiritual foundation for his children Dr Schuller has created a legacy of ministry A Legacy of Success describes successes and failures passed through three generations The stories have been carefully gathered by Donna Schuller the author of this book The Schuller family story is woven throughout Robert Schuller's Life Changers Robert Harold Schuller, 1984-06-15 Anecdotes from the sermons of the popular TV evangelist offer humor inspiration and simple illustrations of basic Christian principles **Prayer** Robert H. Schuller, 1996 The world s most recognizable television minister guides his readers along the path of prayer in his first spiritual autobiography In a nondenominational book meant for all audiences Dr Schuller uses his own life story to how how prayer has been the supreme essence of his spiritual journey as well as an exciting adventure in knowing God and being His instrument The Glass Church Mark T. Mulder, Gerardo Martí, 2020-04-17 For most of his life the megachurch ministry of Robert H Schuller in Orange County California displayed an apparent strength that betrayed none of the fractures that lay below the success oriented surface Yet when tested and stressed in the late 2000s the ecclesial structure s accumulated fragility proved to be catastrophic Drawing on extensive data gathered from archives interviews and ethnographic observation The Glass Church examines the spectacular collapse of The Crystal Cathedral to better understand both the strength and fragility of Schuller s ministry The apparent success of the ministry obscured the many tensions that often threatened its future Certainly all churches depend on a mix of constituents charisma and capital yet the size and ambition of large churches like Schuller s Crystal Cathedral exert enormous organizational pressures to continue the flow of people committed to the congregation to reinforce the spark of charismatic excitement generated by high profile pastors and to develop fresh flows of capital funding for maintenance of old projects and launching new initiatives The constant attention to expand constituencies boost charisma and stimulate capital among

megachurches produces an especially burdensome strain on their leaders By orienting an approach to the collapse of the Crystal Cathedral on these three core elements constituency charisma and capital The Glass Church demonstrates how congregational fragility is greatly accentuated in larger churches a notion we label megachurch strain such that the threat of implosion is significantly accentuated by any failures to properly calibrate the inter relationship among these elements

David W. Daniels, 2020-05-20 Is The New King James Bible Just An Updated King James It promised to be a 5th edition of the KJV preserving the originally intended meaning of every verse Did publishers and translators keep their promise Author David Daniels shows us in this book that the classical language including the thees and thous is not all that was changed In fact this Bible is not a King James at all Some of the updates actually change doctrines I M NOT SAYING WHAT COULD HAPPEN I M SHOWING YOU WHAT DID HAPPEN DAVID W DANIELS It cannot be a true King James if salvation is changed from a finished work to an unfinished process 1 Corinthians 1 18 How can you know you are saved Or in Matthew 7 14 where it says Because narrow is the gate and difficult is the way which leads to life God did not make the way difficult Salvation is as close as our mouth and our heart These tiny changes as well as others like it have made a big difference moving people from faith to doubt in God and His words But there s more The publishers of the New King James said themselves that their goal was to provide a transitional bridge to a modern Bible and they sell plenty of them As people get used to seeing words changed in their Bible they soon will accept a Bible that changes even more Eventually you have a Bible with wording vague enough in many key areas that all the world s religions will be able to fit their doctrines into it This is actually part of the larger plan for everyone to accept one world Bible for the Antichrist s coming one world religion How do we counter this By teaching our children how to read the clear words of the King James we can bring faith and not doubt to the next generation In fact as you will see in this book if previous generations had done this the New King James would never have been made

Shining out and Shining In James R. Newby, 2013-10-10 It is a privilege to share through the ministry of writing this remarkable life with others The life of Tom Tipton begins as a child in segregated Washington DC travels through the powerful music world of jazz gospel music and the old hymns reaches into politics and the struggles and hopes of desegregation explores worldwide evangelism and is still being lived out in 2013 in the Twin Cities of Minnesota It would be

a mistake to suppose that Tom Tipton's biography is just one more in the array of books that represent the cult of personal exposure. His is different in kind. His message is one of encouragement to the thousands of people who are now discouraged. His story belongs in one sense to the literature of witness but in a far deeper sense it belongs to the literature of hope. It is my hope that those who read these words will have their own lives enriched in the same way that Tom Tipton has enriched so many lives through his ministry of music. He is an amazing man who has the gift of bringing out the best in others. Prepare for a spiritual experience.
