Robert E Lee Leader In War And Peace:

Robert E. Lee Carol Greene, 1989 A simple biography that introduces the great Confederate leader *Robert E. Lee in War and Peace* Donald A. Hopkins, 2013-10-19 Robert E Lee is well known as a Confederate general and as an educator later in life but most people are exposed to the same handful of images of one of America's most famous sons It has been almost seven decades since anyone has attempted a serious study of Lee in photographs and with Don Hopkins's painstakingly researched and lavishly illustrated *Robert E Lee in War and Peace* the wait is finally over Dr Hopkins a Mississippi surgeon and lifelong student of the Civil War and Southern history with a recent interest in Robert E Lee's from life photographs scoured manuscript repositories and private collections across the country to locate every known Lee image 61 in all in existence today The detailed text accompanying these images provides a sweeping history of Lee's life and a compelling discussion of antique photography with biographical sketches of all of Lee's known photographers The importance of information within the photographer's imprint or backmark is emphasized throughout the book Hopkins offers a substantial amount of previously unknown information about these images how each came to be and the mistakes in fact and attribution other authors and writers have made describing photographs of Lee to the reading public Many of the images in this book are being published for the first time In addition to a few rare photographs and formats that were uncovered during the research phase of *Robert E Lee in War and Peace* the author offers for the first time definitive and conclusive attribution of the identity of the photographer of the well known Lee in the field images and reproduces a startling imperial size photograph of Lee made by Alexander Gardner of Washington D C Students of American history in general and the Civil War in particular as well as collectors and dealers who deal with Civil War era photography will find Hopkins's outstanding *Robert E Lee in War and Peace* a true contribution to the growing literature on the Civil War About the Author Born in the rural South Donald A Hopkins has maintained a fascination with Southern history since he was a child In addition to published papers in the medical field he has written several Civil War articles and *The Little Jeff* The Jeff Davis Legion Cavalry Army of Northern Virginia for which he received the United Daughters of the Confederacy's Jefferson Davis Historical Gold Medal Dr Hopkins served as Battalion Surgeon for the 1st Battalion 9th Marines better known as The Walking Dead in Vietnam He was awarded the purple heart and the Bronze Star with combat V Dr Hopkins is a surgeon in Gulfport Mississippi where he lives with his wife Cindy and their golden retriever Dixie *Leadership in War and Peace* Joan Johnson-Freese, 2025-03-31 This book offers a gendered perspective on leadership in war and peace considering leadership in its complexity and presenting a practical examination of both leadership successes and failures The work challenges readers to think through and discuss specific aspects of leadership including how and why leadership diversity matters and the ethical challenges presented by the revolving door of the military industrial complex Further leaders responsible for decisions involving war and peace must be able to understand appreciate and communicate effectively with everyone they

work with and have a repertoire of leadership styles to use depending on context The book represents an excellent tool for developing such skills as it uniquely considers leadership through both male and female lenses along with the experiences and perspectives of multiple military government and industry leaders interviewed by the author making it both relatable and informative This book will be of much interest to students of gender studies leadership studies defense studies and military studies in general as well as military and security practitioners

War and Peace Howard Fast, 2016-09-16 In more than 100

essays written over a three year period for the New York Observer Howard Fast looks with horror at the official violence inflicted on Nicaragua El Salvador Grenada Panama and Iraq and the unofficial violence that is taking place in the cities of the United States In War and Peace Fast summons us to face the wars and the social disintegration that degraded the Reagan and Bush years with all the explanations and excuses stripped away He dwells on the monumental folly of the Cold War and shows us repeatedly what we could have done with the billions spent on planes bombs and guns if we had spent them on the education and safety of our children on housing medical care rebuilding the cities and what we can still do in the future As in Swift Yahoos populate the essays of this book the drug dealers the local political hacks the anti Semites the racists the women bashers the arms traffickers the whole unsavory cast As in Menckens bores run loose in the White House and in the halls of Congress From time to time a Candide like character named Demas Yiddish for the truth appears and

asks embarrassing questions about the ways of our civilisation which his interlocutor is hard pressed to answer And yet after Howard Fast recounts the inanity and brutality of these years he offers a humane vision of what America and the rest of the world could be These essays should hold a place in 20th century letters as a statement of unsurpassed passion on the theme war and peace
