Robert Lowell A Portrait Of The Artist In His Time:

Robert Lowell: a portrait of the artist in his time (Edited by Michael London and Robert Boyers.). Michael LONDON (and BOYERS (Robert)), Robert Boyers, Robert Lowell, Jerome Mazzaro, 1971 **Robert Lowell** Michael London, Robert Boyers, 1970 Robert Lowell: A Portrait of the Artist in His Time Robert Boyers, Michael London, 1970

Robert Lowell: a Portrait of the Artist in His Time:ed. by Michael London and Robert Boyers Michael London, Robert Boyers, 1970 *Robert Lowell's Language of the Self* Katharine Wallingford, 2018-08-25 Katharine Wallingford's incisive study treats Robert Lowell's work as a poetry of self examination and explores the ways in which he used methods common to psychoanalysis and other forms of psychotherapy in his poetry Although he was never psychoanalyzed in a strictly Freudian sense Lowell spent many years in psychotherapy Wallingford stresses not the pathological aspects of Lowell's work however but rather his lifelong process of self examination a process with ethical as well as psychological dimensions She links this process to the tradition of self scrutiny that Lowell inherited from his New England Puritan ancestors Through close readings of the poetry and of unpublished drafts of several poems as well as letters from Lowell to George Santayana Allen Tate and his cousin Harriet Winslow Wallingford treats Lowell's use of specific psychoanalytic techniques free association repetition concentration on the relation between the poet and the other to whom he addresses himself and the use of memory to probe the past The book considers as well the role the narrative plays in these psychoanalytic and poetic techniques Lowell believed firmly in the identity of self and language one life one writing and this study brings us closer to an understanding both of the poet and of his dense and moving poetry It enriches our reading of Lowell's poetry by calling attention to the ways in which his poetic techniques are analogous to and to some extent derived from psychoanalytic techniques techniques that have in our time become integrated into our culture as a whole Originally published in 1988 A UNC Press Enduring Edition UNC Press Enduring Editions use the latest in digital technology to make available again books from our distinguished backlist that were previously out of print These editions are published unaltered from the original and are presented in affordable paperback formats bringing readers both historical and cultural value

Robert Lowell Steven Axelrod, Helen Deese, 1986 Robert Lowell is one of the most widely recognised and influential poets of the second half of this century Yet his career is problematical and raises many questions about direction and quality particularly in light of his repeated reorientation of thematic concern and poetic technique Many previous studies of the poet have accounted for these radical differences in Lowell's work by examining the poet's private life but this collection of essays attempts to reassess Lowell's poetry and to restimulate critical thinking about it by focusing on his texts to raise new questions and discussions about the work The twelve essays in this volume by many of the most distinguished scholars in the field offer a chronological review of Robert Lowell's career as a poet The book includes pieces on major works such as *Lord Weary's Castle* *Life Studies* *For the Union Dead* *Skunk Hour* *Notebook* the sonnets of 1969-73 as well as four essays devoted

to Lowell's last complete and often neglected work *Day by Day*. Employing a variety of methodologies the essays arrive at innovative and often controversial interpretations of Lowell's poems **Robert Lowell In Context** Thomas

Austenfeld, Grzegorz Kość, 2024-04-04 Robert Lowell was one of the most influential American poets of the 20th century. This volume explores the various contexts of Lowell's life and work and evaluates his oeuvre from new perspectives. Individual chapters address his relation to the South, his religious evolution, aspects of his marriages and private life, his bipolar disorder seen through new theories of mental illness, his work as a letter writer and a connoisseur of art and photography. The book also introduces new parameters for a contemporary study of Lowell, commenting on current debates about race and privilege, feminism, ecoconsciousness, his engagement with the natural environment as well as his friendships with Randall Jarrell and Robert Penn Warren **Robert Lowell in a New Century** Thomas Austenfeld, 2019 New essays providing fresh insights

into the great 20th century American poet Lowell, his writings and his struggles **Gender and Sexuality in Russian Civilisation** Peter I. Barta, 2013-06-17 *Gender and Sexuality in Russian Civilisation* considers gender and sexuality in modern Russia in the nineteenth and early twentieth centuries. Chapters look individually at gender and sexuality through history, art, folklore, philosophy or literature but are also arranged into sections according to the arguments they develop. A number of chapters also consider Russia in the Soviet and post-Soviet periods. Thematic sections include Gender and Power, Gender and National Identity, Sexual Identity and Artistic Impression, Literary Discourse of Male and Female Sexualities, Sexuality and Literature in Contemporary Russian Society *Gender and Sexuality in Russian Civilization* Peter I. Barta, 2001 Considers gender and sexuality in Russia in the nineteenth and early twentieth centuries. Chapters examine gender and sexuality through history, art, folklore, philosophy or literature and are also grouped according to the arguments they develop.
