

A black and white photograph of Robert Lowell. He is an older man with glasses, wearing a dark suit, a white shirt, and a patterned tie. He is looking slightly to the right of the camera with a thoughtful expression. His right hand is raised near his face, with fingers slightly curled. The background is dark and out of focus, suggesting an indoor setting.

ROBERT LOWELL

Nihilist as Hero

Vereen M. Bell

Robert Lowell Nihilist As Hero

Hugh Foley

Robert Lowell Nihilist As Hero:

Robert Lowell, Nihilist as Hero Vereen M. Bell, 1983 Vereen Bell gives us a subtly reasoned account of the pattern of Lowell's poetry is characterized above all by its chronic and systematic pessimism but that paradoxically Lowell's reluctance to accept the consequences of his own unsparing vision is what gives his poetry its vigor richness and tonal complexity

Robert Lowell's Language of the Self Katharine Wallingford, 2018-08-25 Katharine Wallingford's incisive study treats Robert Lowell's work as a poetry of self examination and explores the ways in which he used methods common to psychoanalysis and other forms of psychotherapy in his poetry Although he was never psychoanalyzed in a strictly Freudian sense Lowell spent many years in psychotherapy Wallingford stresses not the pathological aspects of Lowell's work however but rather his lifelong process of self examination a process with ethical as well as psychological dimensions She links this process to the tradition of self scrutiny that Lowell inherited from his New England Puritan ancestors Through close readings of the poetry and of unpublished drafts of several poems as well as letters from Lowell to George Santayana Allen Tate and his cousin Harriet Winslow Wallingford treats Lowell's use of specific psychoanalytic techniques free association repetition concentration on the relation between the poet and the other to whom he addresses himself and the use of memory to probe the past The book considers as well the role the narrative plays in these psychoanalytic and poetic techniques Lowell believed firmly in the identity of self and language one life one writing and this study brings us closer to an understanding both of the poet and of his dense and moving poetry It enriches our reading of Lowell's poetry by calling attention to the ways in which his poetic techniques are analogous to and to some extent derived from psychoanalytic techniques techniques that have in our time become integrated into our culture as a whole Originally published in 1988 A UNC Press Enduring Edition UNC Press Enduring Editions use the latest in digital technology to make available again books from our distinguished backlist that were previously out of print These editions are published unaltered from the original and are presented in affordable paperback formats bringing readers both historical and cultural value *Robert Lowell* Steven Axelrod, Helen Deese, 1986 Robert Lowell is one of the most widely recognised and influential poets of the second half of this century Yet his career is problematical and raises many questions about direction and quality particularly in light of his repeated reorientation of thematic concern and poetic technique Many previous studies of the poet have accounted for these radical differences in Lowell's work by examining the poet's private life but this collection of essays attempts to reassess Lowell's poetry and to restimulate critical thinking about it by focusing on his texts to raise new questions and discussions about the work The twelve essays in this volume by many of the most distinguished scholars in the field offer a chronological review of Robert Lowell's career as a poet The book includes pieces on major works such as *Lord Weary's Castle* *Life Studies* *For the Union Dead* *Skunk Hour* *Notebook* the sonnets of 1969-73 as well as four essays devoted to Lowell's last complete and often neglected work *Day by Day* Employing a variety of methodologies the essays arrive at innovative and often

controversial interpretations of Lowell's poems Robert Lowell, Interviews and Memoirs Robert Lowell, 1988 A collection of conversations with Lowell and of critical reflections on his work American Poetry after Modernism Albert Gelpi, 2015-03-09 Albert Gelpi's *American Poetry after Modernism* is a study of sixteen major American poets of the postwar period from Robert Lowell to Adrienne Rich Gelpi argues that a distinctly American poetic tradition was solidified in the later half the twentieth century thus severing it from British conventions **The Oxford Handbook of Twentieth-Century American Literature** Leslie Bow, Russ Castronovo, 2022-09-19 An essential and field defining resource this volume brings fresh approaches to major US novels poetry and performance literature of the twentieth century With sections on structures movements attachments and imaginaries this handbook brings a new set of tools and perspectives to the rich and diverse traditions of American literary production The editors have turned to leading as well as up and coming scholars in the field to foreground methodological concerns that assess the challenges of transnational perspectives critical race and indigenous studies disability and care studies environmental criticism affect studies gender analysis media and sound studies and other cutting edge approaches The 20 original chapters include the discussion of working class literature border narratives children's literature novels of late capitalism nuclear poetry fantasies of whiteness and Native American African American Asian American and Latinx creative texts **American Declarations Of Love** Ann Massa, 1989-12-11 **What Is It Then between Us?** Eric Murphy Selinger, 2018-10-18 Tracing the solitude of the American self the difference between idolatrous and companionate affection and the dream of an America of love Eric Murphy Selinger shows how such concerns can shape a poet's most intimate decisions about genre and form His lucid elegant prose illuminates not only well known love poets including Emily Dickinson and William Carlos Williams but also more unexpected figures notably Wallace Stevens and Mina Loy Like the poets he discusses Selinger refuses to view love reductively Rather he takes the impulse to debunk love as part of his subject whether it crops up in Puritan theology or contemporary literary theory As he details Whitman's courtship of his readers weighs the restorations of romance in H D and Ezra Pound and demonstrates the bonds between poets as disparate as Robert Creeley and Robert Lowell Selinger establishes love poetry as an essential American genre *Berryman and Lowell* Stephen Matterson, 1988-06-18 PMContents Introduction Tumbles and Leaps Beginning in Wisdom Towards a Rhetoric of Destitution Excellence and Loss History and Seduction Defeats and Dreams Notes and References Index The Art of Twentieth-Century American Poetry Charles Altieri, 2008-04-15 Written by a leading critic this invigorating introduction to modernist American poetry conveys the excitement that can be generated by a careful reading of modernist poems Encourages readers to identify with the modernists sense of the revolutionary possibilities of their art Embraces four generations of modernist American poets up through to the 1980s Gives readers a sense of the ambitions the disillusionments and the continuities of modernist poetry Includes close readings of particular poems which show how readers can use these works to connect with what concerns them **Reader's Guide to Literature in English** Mark Hawkins-Dady, 2012-12-06

Reader's Guide Literature in English provides expert guidance to and critical analysis of the vast number of books available within the subject of English literature from Anglo Saxon times to the current American British and Commonwealth scene. It is designed to help students, teachers and librarians choose the most appropriate books for research and study. Joyce's Non-Fiction Writings Katherine Ebury, James Alexander Fraser, 2018-05-02. This book presents a fundamental shift in the way we approach, discuss and evaluate Joyce's non-fictional writings. Rather than simply proposing or applying new methodologies, it historicises and reconceives the critical assumptions that have shaped scholarly approaches to these works for over half a century, showing that non-fiction as a categorical distinction, no matter how sensible it appears, crumbles under closer inspection. Bringing into conversation a group of key Joyce scholars, this volume acts not only as a vital reimagining of our critical relationship to Joyce's non-fiction but as a contribution to similar debates being carried out across the broad range of modernist studies.

The Bloomsbury Handbook of Contemporary American Poetry Craig Svonkin, Steven Gould Axelrod, 2023-01-12. With chapters written by leading scholars such as Steven Gould Axelrod, Cary Nelson and Marjorie Perloff, this comprehensive Handbook explores the full range and diversity of poetry and criticism in 21st-century America. The Bloomsbury Handbook of Contemporary American Poetry covers such topics as Major histories and genealogies of post-war poetry from the language poets and the Black Arts Movement to New York School and the Beats; Poetry identity and community from African American, Chicana/o and Native American poetry to Queer verse and the poetics of disability; Key genres and forms including digital, visual, documentary and children's poetry; Central critical themes: economics, publishing, popular culture, ecopoetics, translation and biography. The book also includes an interview section in which major contemporary poets such as Rae Armantrout and Claudia Rankine reflect on the craft and value of poetry today.

Eight American Poets Joel Conarroe, 1997-02-25. In this generous anthology, Joel Conarroe has assembled the work of eight poets who have shaped and to some extent defined American verse since 1940: Elizabeth Bishop, James Merrill, Sylvia Plath, Allen Ginsberg, Theodore Roethke, John Berryman, Anne Sexton and Robert Lowell. The 164 selections in *Eight American Poets* include widely anthologized works like Roethke's *My Papa's Waltz*, several of Berryman's *Dream Songs* and Anne Sexton's *Ringing the Bells*, as well as poems that are less familiar but just as haunting. Prefaced with a discerning introduction and individual biographical essays.

Lyric and Liberalism in the Age of American Empire Hugh Foley, 2022. *Lyric and Liberalism in the Age of American Empire* re-examines the work of Elizabeth Bishop, Robert Lowell, Amiri Baraka, John Ashbery and Jorie Graham, changing our understanding of their writing and the field of post-war American poetry.

Robert Lowell's Imitations and the Cold War Simon van Schalkwyk, 2025-08-07. The first book-length study focusing on Robert Lowell's career-long preoccupation with the liberal mode of translational adaptation known as imitation. *Robert Lowell's Imitations and the Cold War* argues that Lowell's imitations are simultaneously symptomatic of and critically responsive to familiar nodes of Cold War ideology such as containment and contamination, secrecy and security, post-imperial U.S. expansion.

and Empire It departs from studies focused solely on Imitations 1961 Lowell's book length collection of translational adaptations by demonstrating how imitation shadows Lowell's work from his earliest collections Land of Unlikeness 1944 and Lord Weary's Castle 1946 through his celebrated mid career collections Life Studies 1959 and For the Union Dead 1964 and to later works such as Near the Ocean 1969 and his contributions of adaptations from the Russian of Anna Akhmatova and Osip Mandelstam collected in Olga Carlisle's anthology Poets on Street Corners 1967 Simon van Schalkwyk excavates the imitational substrate undergirding and informing Lowell's compositional method and poetic imagination throughout the course of his career In so doing he shows how imitation enacts at the level of form Lowell's restless investment in Cold War geopolitics and literary networks in ways that inform develop and complicate his more conventional canonization as an unquestionably American poet preoccupied solely and simplistically with personal or autobiographical modes of poetic confession As literary sites at which containment's dualities porosities leakages and contaminants are most clearly displayed Lowell's imitations simultaneously challenge and develop our understanding of confession's presumably strict preoccupation with the personal regional and national frameworks through which Lowell has commonly been understood **Ends and Odds** Samuel Beckett, 1976 A collection of one act plays *Randall Jarrell and His Age* Stephanie Burt, 2005-04-06 Randall Jarrell 1914-1965 was the most influential poetry critic of his generation He was also a lyric poet comic novelist translator children's book author and close friend of Elizabeth Bishop Robert Lowell Hannah Arendt and many other important writers of his time Jarrell won the 1960 National Book Award for poetry and served as poetry consultant to the Library of Congress Amid the resurgence of interest in Randall Jarrell Stephen Burt offers this brilliant analysis of the poet and essayist Burt's book examines all of Jarrell's work incorporating new research based on previously undiscovered essays and poems Other books have examined Jarrell's poetry in biographical or formal terms but none have considered both his aesthetic choices and their social contexts Beginning with an overview of Jarrell's life and loves Burt argues that Jarrell's poetry responded to the political questions of the 1930s the anxieties and social constraints of wartime America and the apparent prosperity domestic ideals and professional ideology that characterized the 1950s Jarrell's work is peopled by helpless soldiers anxious suburban children trapped housewives and lonely consumers Randall Jarrell and His Age situates the poet critic among his peers including Bishop Lowell and Arendt in literature and cultural criticism Burt considers the ways in which Jarrell's efforts and achievements encompassed the concerns of his time from teen culture to World War II to the Cuban Missile Crisis the book asks too how those efforts might speak to us now *The Sonnet* Stephen Regan, 2019-02-28 The Sonnet provides a comprehensive study of one of the oldest and most popular forms of poetry widely used by Shakespeare Milton and Wordsworth and still used centuries later by poets such as Seamus Heaney Tony Harrison and Carol Ann Duffy This book traces the development of the sonnet from its origins in medieval Italy to its widespread acceptance in modern Britain Ireland and America It shows how the sonnet emerges from the aristocratic courtly centres of Renaissance Europe and

gradually becomes the chosen form of radical political poets such as Milton. The book draws on detailed critical analysis of some of the best known sonnets written in English to explain how the sonnet functions as a poetic form and it argues that the flexibility and versatility of the sonnet have given it a special place in literary history and tradition.

Lyric as Comedy

Calista McRae, 2020-10-15

A poet walks into a bar. In *Lyric as Comedy*, Calista McRae explores the unexpected comic opportunities within recent American poems about deeply personal, often embarrassing experiences. Lyric poems she finds can be surprising sites of a shifting, unruly comedy as seen in the work of John Berryman, Robert Lowell, A. R. Ammons, Terrance Hayes, Morgan Parker, Natalie Shapero, and Monica Youn. *Lyric as Comedy* draws out the ways in which key American poets have struggled with persistent expectations about what expressive poetry can and should do. McRae reveals how the modern lyric, rather than bestowing order on the poet's thoughts and emotions, can center on impropriety and confusion, formal breakage, and linguistic unruliness and self-observation and self-staging. The close readings in *Lyric as Comedy* also provide new insight into the theory and aesthetics of comedy, taking in the indirect, glancing comic affordances of poetry. In doing so, McRae captures varieties of humor that do not align with traditional terms centering abjection and pleasure as facets of contemporary lyric practice.

Right here, we have countless book **Robert Lowell Nihilist As Hero** and collections to check out. We additionally find the money for variant types and moreover type of the books to browse. The satisfactory book, fiction, history, novel, scientific research, as with ease as various supplementary sorts of books are readily clear here.

Robert Lowell Nihilist As Hero Introduction

In the digital age, access to information has become easier than ever before. The ability to download Robert Lowell Nihilist As Hero has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Robert Lowell Nihilist As Hero has opened up a world of possibilities. Downloading Robert Lowell Nihilist As Hero provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Robert Lowell Nihilist As Hero has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Robert Lowell Nihilist As Hero. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Robert Lowell Nihilist As Hero. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Robert Lowell Nihilist As Hero, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download Robert Lowell Nihilist As Hero has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it

offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.

FAQs About Robert Lowell Nihilist As Hero Books

1. Where can I buy Robert Lowell Nihilist As Hero books? Bookstores: Physical bookstores like Barnes & Noble, Waterstones, and independent local stores. Online Retailers: Amazon, Book Depository, and various online bookstores offer a wide range of books in physical and digital formats.
2. What are the different book formats available? Hardcover: Sturdy and durable, usually more expensive. Paperback: Cheaper, lighter, and more portable than hardcovers. E-books: Digital books available for e-readers like Kindle or software like Apple Books, Kindle, and Google Play Books.
