Mitrano,2017-09-29 In her provocative study of Gertrude Stein G F Mitrano argues that Stein s particular take on modernity has special relevance for today Tracing what she describes as Stein s deeply modernist story of transformation from a nineteenth century American woman to the disquieting muse of avant garde culture portrayed in Picasso s famous portrait Mitrano illuminates Stein s immense appetite for life her love of thinking and her craving for recognition Her approach is innovative combining the exegetical the visual and the theoretical to emphasize Stein s struggle for individuality and public achievement as a profoundly historical struggle involving personal choices linked for example to her sexuality or the uses of her physical appearance Stein continues to attract attention Mitrano contends because she anticipates many contemporary concerns especially in the field of critical thinking from the question of subjectivity to the status of the writer as a laborer among many to the meaning of fame and the private public divide *In the Archive of Longing* Mitrano Mena Mitrano,2016-07-07 Reads modernism and theory through Susan Sontag s archiveThis adventurous critical inquiry into Sontag s archive illuminates the intimate link between modernism and theory while also providing a fascinating reintroduction to these two movements and concepts Mena Mitrano explores three core ideas in this study the confusion of terms between modernism and theory the concept of an unwritten theory suggested by Sontag s subterranean engagement with the foremost theorists of our time Derrida Foucault Deleuze Lacan Jameson and others in the rawness of her journals and notebooks and Sontag s identity as a non traditional philosopher through the extraordinary discipleship to Walter Benjamin The book is driven by new archival research and will have a multi layered impact changing our perception of Sontag as a post Cold War public intellectual as well as interrogating key concepts in the Humanities Key Features Original study of Susan Sontag s contribution to the development of critical thoughtOpens new avenues for research in the expanding field of new modernist studies and in the field of criticismDiscusses Sontag s collaboration with Walter Benjamin which reopens the question of the author and encourages an understanding of this concept from a psychoanalytic perspective as a transgenerational phenomenonIncludes a discussion of the role of the American avant garde in Sontag s abandonment of philosophy and in her turn to a pioneering more theoretical literary criticism *DK Eyewitness Travel Guide: Europe* Dorling Kindersley,2010-02-15 DK Eyewitness Europe travel guide in this new ebook format will lead you straight to the best attractions this diverse continent has on offer Packed with photographs illustrations and detailed maps discover Europe from the majestic peaks of the Alps to the turquoise waters of the Mediterranean The guide provides all the insider tips every visitor needs from how best to explore the luscious green landscape of Ireland to lazing on a beach
