Roberto Nina Laden,2000-08 No one will hire Roberto the architect because he also happens to be a termite so he sets off to the city to find success on his own **Roberto** Nina Laden,2005 No one will hire Roberto the architect because he also happens to be a termite so he sets off to the city to find success on his own *Roberto* Jane K. Cleland,2025-02-26 Ever since he was a wee mite a termite that is Roberto has wanted to be an architect Discouraged by his wood eating family and friends he decides to follow his dream to the big bug city There he meets a slew of not so creepy crawly characters who spark in him the courage to build a community for them all With stunning collage illustrations and witty text the creator of the bestselling *The Night I Followed the Dog Private I Guana and When Pigasso Met Mootisse* brings to life a funny and inspirational story that will encourage readers of any age to build their dreams *An Integrated Play-based Curriculum for Young Children* Olivia N. Saracho,2013-03 Play provides young children with the opportunity to express their ideas symbolize and test their knowledge of the world It provides the basis for inquiry in literacy science social studies mathematics art music and movement Through play young children become active learners engaged in explorations about themselves their community and their personal social world *An Integrated Play Based Curriculum for Young Children* offers the theoretical framework for understanding the origins of an early childhood play based curriculum and how young children learn and understand concepts in a social and physical environment Distinguished author Olivia N Saracho then explores how play fits into various curriculum areas in order to help teachers develop their early childhood curriculum using developmentally and culturally appropriate practice Through this integrated approach young children are able to actively engage in meaningful and functional experiences in their natural context Special Features Include Vignettes of children s conversations and actions in the classroom Suggestions for activities and classroom materials Practical examples and guidelines End of chapter summaries to enhance and extend the reader s understanding of young children By presenting appropriate theoretical practices for designing and implementing a play based curriculum *An Integrated Play Based Curriculum for Young Children* offers pre service teachers the foundational knowledge about the field about the work that practitioners do with young children and how to best assume a teacher s role effectively *Creative Block Play* Rosanne Hansel,2016-09-25 *Creative Block Play* covers everything you need to encourage a child s development in a variety of domains through block play This book is full of photos that illustrate block play in real classrooms and stories from teachers who have successfully used block play to encourage children s development in a variety of domains Rosanne Regan Hansel has been both a teacher and administrator for a variety of early childhood programs and currently serves as Education Program Development Specialist for the Department of Education Ms Hansel received her MS Ed in Early Childhood Leadership from Bank Street College of Education **Best STEM Resources for NextGen Scientists** Jennifer L. Hopwood,2015-06-30 Intended to support the national initiative to strengthen learning in areas of science technology engineering and mathematics this book helps

librarians who work with youth in school and public libraries to build better collections and more effectively use these collections through readers advisory and programming A versatile and multi faceted guide Best STEM Resources for NextGen Scientists The Essential Selection and User s Guide serves as a readers advisory and collection development resource for youth services and school librarians seeking to bring STEM related titles into their collections and introduce teachers and young readers to them This book not only guides readers to hundreds of the best STEM related titles fiction and non fiction printed materials as well as apps DVDs websites and games it also includes related activities or programming ideas to help promote the use of the collection to patrons or students in storytime afterschool programs or passive library programs After a detailed discussion of the importance of STEM and the opportunities librarians have for involvement the book lists and describes best STEM resources for young learners Resources are organized according to the reading audiences for which they are intended from toddlers through teens and the book includes annotated lists of both fiction and nonfiction STEM titles as well as graphic novels digital products and online resources In addition the author offers a selection of professional readings for librarians and media specialists who wish to further expand their knowledge

Architecture ,2000 *When Pigasso Met Mootisse* Nina Laden,1998-07 Pigasso a talented pig and Mootisse an artistic bull live across the road from one another but when conflicts arise they build fences that ultimately become modern art masterpieces Includes biographies of the real life artists Henri Matisse and Pablo Picasso **Romeow and Drooliet** Nina Laden,2013-09-18 Author artist Nina Laden has taken her trademark wit and applied it to one of Shakespeare s best loved plays Adults familiar with the classic love story will delight in the many references to the original play all of which make this a rarity a children s book they want to read again and again And young children who know nothing of the Bard will be riveted by this funny yet touching tale about Romeow the cat and Drooliet the dog two star crossed lovers who meet by chance marry in secret and are kept apart by a snarling rottweiler appalled owners and the animal control warden The clever details throughout the book belie the careful research behind this homage to true love won and lost and in the case of this book won again proving once and for all that dogs and cats can be friends **Engineering News and American Contract Journal**

,2001 **Collecting for the Curriculum** Amy J. Catalano,2015-09-28 If you re a librarian charged with collecting curriculum materials and children s literature to support the Common Core State Standards then this book the only one that offers explicit advice on collection development in curriculum collections is for you While there are many publications on the Common Core for school librarians and K 12 educators no such literature exists for curriculum librarians at the post secondary level This book fills that gap standing alone as a guide to collection development for curriculum librarians independent of the Common Core State Standards CCSS The book provides instruction and guidance to curriculum librarians who acquire and manage collections so you can develop a collection based on best practices The book begins with a primer on the CCSS and how curriculum librarians can support them Discussion of the Standards is then woven through chapters

arranged by content area that share research based practices in curriculum development and instruction to guide you in curriculum selection Material types covered include games textbooks children s literature primary sources counseling and nonfiction Additional chapters cover the management of curriculum collections testing collections and instruction and reference as well as how to support and collect for special needs learners Current practices in collection development for curriculum materials librarians are also reviewed The book closes with a discussion of the future of curriculum materials

makerspace to promote problem solving by allowing students to create their own solutions to a problem through trial and error In order to enhance literacy development in the STEAM program however they need resources for integrating literature into the curriculum In this collection of resources for doing just that veteran education professionals and practiced coauthors Liz Knowles and Martha Smith bring readers over eight hundred recommended and annotated books and web resources selected based on research on successfully integrating STEAM and literacy programs and organized by the five STEAM areas Titles are complemented by discussion questions and problem solving activities that will aid educators in both adding and using the best literature to their STEAM programs for encouraging learning In addition to promoting literacy these resources will help to develop creativity lateral thinking skills and confidence in students [The Night I Followed the Dog](#) Nina Laden,2017-03-21 Making an auspicious entry into children s books Laden provides a stylish droll answer to the riddle of what dogs do while their owners sleep Publishers Weekly I have a dog Nothing exotic or special just an ordinary dog Or so this little boy thinks until one morning when he opens the door a little early and sees his dog jump out of a limousine That night he decides to follow his dog and that s when the fun starts in a nighttime romp around town where he learns what adventures dogs get up to while their humans are fast asleep A terrific read aloud and true comedic gem Nina Laden s story will have everyone captivated by the coolest dog around Parents Choice Laden s dog characters are especially keenly drawn A whimsical book Kirkus Reviews Sophisticated enough for older children and silly enough for younger listeners this boy and his dog book has a clever text great illustrations and strong appeal School Library Journal **Choice and Preference in Media Use** Silvia Knobloch-Westerwick,2014-07-25 Mediated messages flood our daily lives through virtually endless choices of media channels genres and content However selectivity determines what media messages we attend to and focus on The present book examines the factors that influence this selectivity Seminal books on selective media exposure were published in 1960 by Klapper and in 1985 by Zillmann and Bryant But an integrated update on this research field is much needed as rigorous selective exposure research has flourished in the new millennium In the contexts of political communication health communication Internet use entertainment consumption and electronic games the crucial question of how individuals choose what content they consume has garnered much attention The present book integrates theories and empirical evidence from these domains and discusses the related research methodologies In light of the ever increasing abundance of media channels and messages selective exposure has become more important than ever for media impacts This monograph provides a comprehensive review of the research on selective exposure to media messages which is at the heart of communication science and media effects It is required reading for media scholars and researchers and promises to influence and inspire future research *Comparative Information Technology* Joseph Zajda,Donna Gibbs,2009-04-21 *Comparative Information Technology Languages Societies and the Internet* which is the fourth volume in the 12 volume series *Globalisation Comparative Education and Policy Research* offers a critique of the nexus between ICT and its impact on

society individuals and educational institutions One of the most significant dimensions of globalisation has been the rapid development of information and communications technologies ICTs Our lives have been changed by this in numerous ways and the implications for education are enormous The ICTs have transformed the linguistic cognitive and visual dimensions of human communication as well as our perceptions of the self and social identity in the global culture The ICTs have facilitated the development of new dimensions of digital literacy such as blogging and sms messaging In this sense cyberlanguage continues to evolve by borrowing and adapting familiar words coining new expressions and embracing particular styles Gibbs Krause 2006 2007 However information technology can be both empowering and disempowering Individuals use the Internet notebooks and their BlackBerries and communicate via email If clothing is an extension of one's skin then the ICT has become an extension of our bodies In a globalised world linked through the Internet a formed identity can lead to a multiplicity of identities some contradictory to each other and some taking place primarily in the virtual communities of cyberspace
