Shahra Razavi,2012-04-23 Contributors analyze the care economy in the developing world at a moment when existing  
systems are under strain and new ideas are coming into focus Offers the first global regionally diverse study of the invisible  
economy of care including case studies from diverse regional contexts of Africa Asia and Latin America Frames the debate on  
care and highlights policy experimentation and ideas currently in flux Includes new research and data on developing  
countries showing how where care options for the socially disadvantaged are limited failing to socialize the costs of care  
exacerbates existing inequalities Comes at a moment when if not yet marked by a generalized care crisis the world s existing  
systems are under strain and in need of rethinking Features introductory chapters that set out the conceptual framework and  
findings on individual country studies and a concluding chapter that draws out the transnational dimensions of care      **A**  
**Body of One's Own** Patricio Simonetto,2024-01-16 Simonetto theorizes how trans bodies were shaped and understood in  
Argentina from the modern definition of sex at the end of the nineteenth century to the passing of Gender Identity Law in  
2012 This project analyzes the process and history of sex change in Argentina during the twentieth century By using sex  
change as a category of historical analysis it is possible to consider the multiple layers including both popular and medical  
discourses with which people understood and experienced body transformation and the wide range of techniques with which  
they materialized their gendered bodies      **Gender and the Politics of Gradual Change** Silke Staab,2017-01-20 This book  
explores recent social policy reforms and innovations in Chile Focusing on four major reform episodes health pensions  
childcare and maternity leave Silke Staab unveils the complex interplay of factors that have shaped the successes and  
failures of actors pursuing positive gender change in social policy She shows that even in highly constrained settings positive  
gender change is possible but that its scope and quality are bound to vary in response to sector specific institutional  
constraints and opportunities      **The Political Theology of Pope Francis** Ole Jakob Løland,2022-12-30 This book explores  
the political dimension of Pope Francis theology from a variety of perspectives and makes a unique contribution to the  
ongoing historiography of his pontificate It defines the concept of political theology when applied to Pope Francis discourse  
and reflects on the portrayal of him as the voice of Latin America a great reformer and a revolutionary The chapters offer a

thorough investigation of core texts and key moments in Pope Francis papacy 2013 focusing in particular on their relation to canon theory liberation theology the rise of populism and gender issues As well as documenting some of the continuities between the ideas of Pope Francis and his predecessor Benedict XVI the author asks what the Argentinian pontiff has brought from Latin America and considers the Latin American dimension to what has become known as the Francis effect Overall the book demonstrates how the Pope s words and actions constitute a powerful political theology disseminated from a unique religious and institutional position It will be of interest to scholars of theology religion and politics particularly those with a focus on world Catholicism political theology and church history
