

Roberts Lady

**Mary Elizabeth Braddon, George
Roberts**

Roberts Lady:

Lady Audley's Secret - A Drama in Two Acts Mary Elizabeth Braddon, George Roberts, 2013-02-15 Mary Elizabeth Braddon's shocking and suspenseful novel *Lady Audley's Secret* was one of the most popular examples of the sensation fiction craze of the 1860s. Within a year of the novel appearing in book form no less than three theatrical adaptations appeared on the London stage. Braddon took strong issue with two of these but she approved of the adaptation by Robert Walters writing under the pseudonym George Roberts. This edition presents that version which enjoyed a two season run at the Royal St James Theatre. Entertaining in itself the play also provides a fascinating example of how the suspense and the powerful characterizations of sensation fiction were heightened still further for the stage. Together with the annotated text of the play itself this edition includes an introduction addressing the life and work of Mary Elizabeth Braddon and placing *Lady Audley's Secret A Drama in Two Acts* in the context of the sensation fiction phenomenon. Appendices include a substantial selection of reviews of *Lady Audley's Secret* of the novel as well as of its dramatic adaptations as well as a selection from the novel for comparison with the play. *Debrett's Illustrated Peerage and Baronetage, Titles of Courtesy and the Knighthood*, 1925. Includes an unpaginated appendix royal warrant holders and 19 a war honours supplement. *Jean, Lady Hamilton, 1861-1941* Celia Lee, 2020-12-14 A pleasure to read. It's predominantly about the life of Jean Hamilton's husband Ian as an officer during the Great War and life for both before and after. UK Historian Jean Lady Hamilton's diaries remained forgotten and hidden in the Liddell Hart Centre for Military Archives King's College London for fifty years. The story begins with the young couple's wedding a dazzling bride Jean Muir marrying a star-struck Major Ian Hamilton. The daughter of the millionaire businessman Sir John Muir, Jean had all the money whilst Hamilton was penniless. Having spent their early married years in India the Hamiltons returned and set up house in the prestigious Hyde Park area of London also eventually buying Lullenden Manor East Grinstead that they purchased as a country home from Winston Churchill when he could no longer afford it. Churchill in particular was like family in the Hamiltons' home; he used to go there and practice his speeches and painted alongside Jean to whom he sold his first painting. Jean chronicled Ian's long army career that culminated in the Gallipoli campaign in 1915. The failure there ended her husband's distinguished career and almost ended Churchill's as he had to leave his job as First Lord of the Admiralty. This account is Lady Hamilton's attempt to chronicle her husband's life as a top flight but penniless soldier this at a time when young Winston Churchill was emerging from his own distinguished and very colourful military career to enter a life of politics. Jean Hamilton is one of those larger than life people of whom we know very little until a book such as Celia's comes along. Books Monthly. **Host Bibliographic Record for Boundwith Item Barcode 30112020089626 and Others**, 1905. **Hardwicke's Titles of courtesy: containing those members of titled families whose names do not fall within the scope of the peerage, baronetage, and knighthood** Edward Walford, 1859. *Publications* Index Society (London, England), 1891. **The Illustrated Mount Vernon Record**, 1858.

The Works of William Shakespeare William Shakespeare, 1876 LBJ Randall Woods, 2007-11-01 For almost forty years the verdict on Lyndon Johnson's presidency has been reduced to a handful of harsh words: tragedy, betrayal, lost opportunity. Initially historians focused on the Vietnam War and how that conflict derailed liberalism, tarnished the nation's reputation, wasted lives, and eventually even led to Watergate. More recently Johnson has been excoriated in more personal terms as a player of political hardball, as the product of machine-style corruption, as an opportunist, as a cruel husband and boss. In *LBJ* Randall B. Woods, a distinguished historian of twentieth-century America and a son of Texas, offers a wholesale reappraisal and sweeping authoritative account of the LBJ who has been lost under this baleful gaze. Woods understands the political landscape of the American South and the differences between personal failings and political principles. Thanks to the release of thousands of hours of LBJ's White House tapes, along with the declassification of tens of thousands of documents and interviews with key aides, Woods's LBJ brings crucial new evidence to bear on many key aspects of the man and the politician. As private conversations reveal, Johnson intentionally exaggerated his stereotype in many interviews for reasons of both tactics and contempt. It is time to set the record straight. Woods's Johnson is a flawed but deeply sympathetic character. He was born into a family with a liberal Texas tradition of public service and a strong belief in the public good. He worked tirelessly but not just for the sake of ambition. His approach to reform at home and to fighting fascism and communism abroad was motivated by the same ideals and based on a liberal Christian tradition that is often forgotten today. Vietnam turned into a tragedy, but it was part and parcel of Johnson's commitment to civil rights and antipoverty reforms. LBJ offers a fascinating new history of the political upheavals of the 1960s and a new way to understand the last great burst of liberalism in America. Johnson was a magnetic character, and his life was filled with fascinating stories and scenes. Through insights gained from interviews with his longtime secretary, his Secret Service detail, and his closest aides and confidants, Woods brings Johnson before us in vivid and unforgettable color. *The American Catalogue*, 1880 American national trade bibliography **Forty-one Years in India** Earl Frederick Sleigh Roberts, 2005 *The Indian Magazine*, 1916

Lady Audley's Secret Mary Elizabeth Braddon, 2003-08-19 *Lady Audley's Secret* 1862 was one of the most widely read novels in the Victorian period. The novel exemplifies sensation fiction in featuring a beautiful criminal heroine, an amateur detective, blackmail, arson, violence, and plenty of suspenseful action. To its contemporary readers it also offered the thrill of uncovering blackmail and criminal violence within the homes of the upper class. The novel makes trenchant critiques of Victorian gender roles and social stereotypes and it creates significant sympathy for the heroine despite her criminal acts as she suffers from the injustices of the marriage market and rebels against them. This Broadview edition includes a critical introduction and a broad selection of primary source material, including reproductions of the twenty-two woodcut illustrations from the London Journal serialization of the novel, extracts from two Victorian dramatizations of the work, satirical commentaries, and contemporary reviews. **American Poland-China Record** American Poland-China Record
