Hearts Tanya Bird, 2019-09-08 Three edge of your seat love stories set against the thrilling and brutal backdrop of ancient Rome

A Gladiator's Oath 1 She will fight for her freedom He will fight for her life Mila might be slaveborn but she has no intention of remaining a slave Impatient for her freedom the nineteen year old takes matters into her own hands Armed with the combat skills her half brother taught her Mila ignores the pleas of her family and takes to the arena She is prepared to do whatever is necessary prepared for anything except Remus Latinus Raised inside the greatest gladiator school in Rome Remus fought hard for his freedom He earned it the only way he knew how in the arena Now he is content training others to do the fighting or so he thought Something changes the night he meets a slave girl desperate to prove herself He should walk away but the gods have other plans

A Charioteer's Promise 2 Young love can be beautiful reckless dangerous There is only one thing missing in Dulcia's life a husband At least that is what others would have her believe But she feels the absence of something else her father Half slave and half noble Dulcia has existed alongside him her entire life just out of reach Everything changes the day she arrives home to news of her betrothal The problem is her heart already belongs to someone else Nero is trying to make something of himself Raised on the streets of Rome he understands that family is a privilege not a given That is why he is trying to build a life worthy of the woman he has loved quietly for years the one he worships like the sun But time is running out Dulcia is to marry a man rich enough to give her every comfort she deserves every comfort he cannot afford Nero should step aside but letting go is never that simple

A Legate's Pledge 3 Never let your enemy become your weakness Brei is going up against the largest army in the world As thousands march north to annihilate her people she is ready to take revenge on those who have taken so much from her already If you want to kill a snake cut off its head If you want to destroy a legion kill its leader But what if the legate she hunts is not the monster she imagined When a surprise attack lands the young warrior in enemy hands Brei soon realises that the only person she can trust is the man she has sworn to kill General Nerva Papias is fighting a war he no longer believes in He leads his men north of the wall with orders to destroy all in their path This is not a war against soldiers however but against the mountains they wade through and the ghosts that inhabit them Then comes a warrior with eyes like two pools of fire and the face of a goddess He should kill her like the rest of them but his mind is tired and his heart deceitful Now the woman he holds captive threatens to set his future ablaze Trigger warning This series contains violence

The Reasons for Romans A. J. M. Wedderburn, 2004-10-27 A comprehensive and up to date introduction to Romans and a systematic survey of recent studies in the field

The Roman Mika Waltari, 2021-11-05T18:47:00Z The Roman is a superb reconstruction of a time long ago the Roman world in the time of the Emperors Claudius Nero It's the story of Minutus of noble birth who serves the government and travels widely through the Empire from his home in Antioch to the seat of world power Rome A historically consistent portrayal of the highest levels

TINGAY,1972 **Ramble's Roman Stories** John Frost,2015-06-16 Excerpt from Ramble s Roman Stories There is says a living writer of great ability no portion of profane history more pregnant with important instruction than that which relates to the rise the growth the fluctuations and the fall of Rome It equally demands the studious attention of the scholar the statesman the philosopher and the Christian He might have added that its lessons were equally intelligible and useful to old and young Convinced of this truth I have endeavoured in the following pages to place the most remarkable and celebrated events and characters of the Roman history in a striking point of view and to elicit such moral instruction from the narrative as might suit the wants and capacities of juvenile readers For their especial benefit this volume as well as the true stories from the several histories of Greece England and Spain which have preceded it was especially intended That they may be found useful and acceptable is the writer s most fervent wish About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works *The Roman Question* Edmond About,2018-08-05 The Roman Question By Edmond About That these servants of a most merciful but sometimes severe God simultaneously abuse both mercy and justice that full of indulgence for the indifferent for their friends and for themselves they treat with extreme rigour whoever has had the misfortune to become obnoxious to power that they more readily pardon the wretch who cuts a man s throat than the imprudent citizen who blames an abuse We are delighted to publish this classic book as part of our extensive Classic Library collection Many of the books in our collection have been out of print for decades and therefore have not been accessible to the general public The aim of our publishing program is to facilitate rapid access to this vast reservoir of literature and our view is that this is a significant literary work which deserves to be brought back into print after many decades The contents of the vast majority of titles in the Classic Library have been scanned from the original works To ensure a high quality product each title has been meticulously hand curated by our staff Our philosophy has been guided by a desire to provide the reader with a book that is as close as possible to ownership of the original work We hope that you will enjoy this wonderful classic work and that for you it becomes an enriching experience
