*Text and anthology by Anthony Thorner
and Peter Porter*

*Historical notes to the plates by
Brian de Boffrey*

*Designed and photographed by
Roloff Beny*

Epilogue by Gore Vidal

ENCOUNTERING ITALY is an experience in intense, varied and rewarding as the traveller's passion and patience can endure. In this lavishly volume a renowned photographer whose books (*Plagues of Rain, Thence of Earth and Heaven* and many others) have won the most coveted awards presents a bold, exquisite and unique record of his own visual encounter with Italy over a quarter of a century. From Sicily to the Alps, Roloff Beny portrays the land, people, ruins, art, landscapes, and classic buildings. It is a brilliant tapestry of life, history and culture — a museum without walls.

Many years in the making, this volume is a classic of book production. Printed on special paper and with one page of magnificent full-colour illustrations plus 120 pages of illustrations in duotone, Roloff Beny's *In Italy* is a treasure for art lovers, travellers and all who love beautiful books. To enhance the visual experience, two poets have written a provocative and illuminating text and selected an anthology from writers of 2000 years — from Virgil to E. M. Forster. In his epilogue Gore Vidal, addressing an audience from outer space, says: "Study these pictures and see what we were, what we built, and through these multi-faceted lenses of yours note for the universal record what a lovely earth we had."

Previous books of Roloff Beny have won awards from international book fairs of the East and West. Their recipients have ranged from Greece, Japan, India and Ceylon to his own country Canada, but none has been so demanding, complex, aesthetically charged and historically enriched as this book on Italy, which is a monument to his own visual experience and a beautiful and convincing experience.
