Colin Slim, 2024-10-28 Professor Slim deals here with the several roles that music can play in the artworks of the Renaissance looking in particular at Italian painting of the 16th century For understandable reasons art historians sometimes neglect the role of music and especially that of musical notation when studying works of art These studies not only identify musical compositions wholly or partially inscribed in paintings and tapestries ceramics prints as well but also seek reasons why these particular musical compositions were included and analyse their relevance to the scene depicted Furthermore as many of these studies show identifying a musical composition especially if it has a text leads to the formation of ideas about iconographical functions and thus augments interpretations of the visual art *Forthcoming Books* Rose Arny, 2003-04 *Resisting Empire* Jason A.

Whitlark, 2014-07-31 This book offers a fresh reading about the purpose for which Hebrews was written In this book Whitlark argues that Hebrews engages both the negative pressures persecution and positive attractions honor prosperity of its audience s Roman imperial context Consequently the audience of Hebrews appears to be in danger of defecting to the pagan imperial context Due to the imperial nature of these pressures Hebrews obliquely critiques the imperial script according to the rhetorical expectations in the first century Mediterranean world namely through the use of figured speech This critique is the primary focus of Whitlark s project Whitlark examines Hebrews s figured response to the imperial hopes boasted by Rome along with Rome s claim to eternal rule to the power of life and death and to be led by the true victorious ruler Whitlark also makes a case for discerning Hebrews s response to the challenges of Flavian triumph Whitlark concludes his study by suggesting that Hebrews functions much like Revelation that is to resist the draw of the Christians Roman imperial context This is done in part by providing a covert opposition to Roman imperial discourse He also offers evaluation of relapse theories for Hebrews of Hebrews s place among early Christian martyrdom and of the nature of the resistance that Hebrews promotes *Byzantine Silk on the Silk Roads* Sarah E.
