Polt, 2023-08-21 This book collects new work on Latin didactic poetry and prose in the late Republic and early Empire and it evaluates the varied shifting roles that literature of teaching and learning played during this period Instruction was of special interest in the culture and literature of the late Roman Republic and the Age of Augustus as attitudes towards education found complex fluid and multivalent expressions The era saw a didactic boom a cottage industry whose surviving authors include Vergil Lucretius Ovid Horace Cicero Varro Germanicus and Grattius who are all reexamined here The contributors to this volume bring fresh approaches to the study of educational literature from the end of the Roman Republic and early Empire and their essays discover unexpected connections between familiar authors Chapters explore interrogate and revise some aspect of our understanding of these generic and modal boundaries while considering understudied points of contact between art and education poetry and prose and literature and philosophy among others Altogether the volume shows how lively experimental and intertextual the didactic ethos of this period is and how deeply it engages with social political and philosophical questions that are of critical importance to contemporary Rome and of enduring interest into the modern world *Didactic Literature in the Roman World* is of interest to students and scholars of Latin literature particularly the late Republic and early Empire and of Classics more broadly In addition the volume's focus on didactic poetry and prose appeals to those working on literature outside of Classics and on intellectual history *The Roman World 44 BC-AD 180* Martin

Goodman, 2002-04-12 Goodman presents a lucid and balanced picture of the Roman world examining the Roman empire from a variety of perspectives cultural political civic social and religious **Globalisation and the Roman World** Martin

Pitts, Miguel John Versluys, 2014-10-06 This book explores a new perspective for understanding the Roman world using connectivity as a major point of departure Globalisation is apparent in increased flows of objects people and ideas and in the creation of translocal consciousness in everyday life Based on these criteria there is a case for globalisation in the ancient Roman world Essential for anyone interested in Romanisation this volume provides the first sustained critical exploration of globalisation theories in Roman archaeology and history It is written by an international group of scholars who address a broad range of subjects including Roman imperialism economics consumption urbanism migration visual culture and heritage The contributors explore the implications of understanding material culture in an interconnected Roman world highlighting several novel directions for future research *Writing and Power in the Roman World* Hella Eckardt, 2018 This book focuses

on the material practice of ancient literacy through a contextual examination of Roman writing equipment *Diplomats and Diplomacy in the Roman World* Claude Eilers, 2009-02-28 The Roman world was fundamentally a face to face culture where it was expected that communication and negotiations would be done in person This can be seen in Rome's contacts with other

cities states and kingdoms whether dependent independent friendly or hostile and in the development of a diplomatic habit with its own rhythms and protocols that coalesced into a self sustaining system of communication This volume of papers offers ten perspectives on the way in which ambassadors embassies and the institutional apparatuses supporting them contributed to Roman rule Understanding Roman diplomatic practices illuminates not only questions about Rome s evolution as a Mediterranean power but can also shed light on a wide variety of historical and cultural trends Contributors are Sheila L Ager Alexander Yakobson Filippo Battistoni James B Rives Jean Louis Ferrary Martin Jehne T Corey Brennan Werner Eck and Rudolf Haensch

Freed Persons in the Roman World Sinclair W. Bell, Dorian Borbonus, Rose MacLean, 2024-05-31 How were freed people represented in the Roman world This volume presents new research about the integration of freed persons into Roman society It addresses the challenge of studying Roman freed persons on the basis of highly fragmentary sources whose contents have been fundamentally shaped by the forces of domination Even though freed persons were defined through a common legal status and shared the experience of enslavement and manumission many different interactions could derive from these commonalities in different periods and localities across the empire Drawing on literary epigraphic and archaeological evidence this book provides cases studies that test the various ways in which juridical categories and normative discourses shaped the social and cultural landscape in which freed people lived By approaching the literary and epigraphic representations of freed persons in new ways it nuances the impact of power asymmetries and social strategies on the cultural practices and lived experiences of freed persons

Processes of Cultural Change and Integration in the Roman World, 2015-06-29 Processes of Cultural Change and Integration in the Roman World is a collection of studies on the interaction between Rome and the peoples that became part of its Empire between c 300 BC and AD 300 The book focuses on the mechanisms by which interaction between Rome and its subjects occurred e g the settlements of colonies by the Romans army service economic and cultural interaction In many cases Rome exploited the economic resources of the conquered territories without allowing the local inhabitants any legal autonomy However they usually maintained a great deal of cultural freedom of expression Those local inhabitants who chose to engage with Rome its economy and culture could rise to great heights in the administration of the Empire
