Roman Homosexuality Ideologies Of Masculinity In Classical Antiquity

Susanna Morton Braund

Roman Homosexuality Ideologies Of Masculinity In Classical Antiquity:

Roman Homosexuality Craig A. Williams, 1999-06-10 This book provides a thoroughly documented discussion of ancient Roman ideologies of masculinity and sexuality with a focus on ancient representations of sexual experience between males. It gathers a wide range of evidence from the second century B.C. to the second century A.D., above all from such literary texts as courtroom speeches, love poetry, philosophy, epigram, and history, but also graffiti and other inscriptions as well as artistic artifacts, and uses that evidence to reconstruct the contexts within which Roman texts were created and had their meaning. The book takes as its starting point the thesis that in order to understand the Roman material we must make the effort to set aside any preconceptions we might have regarding sexuality, masculinity, and effeminacy. Williams' book argues in detail that for the writers and readers of Roman texts the important distinctions were drawn not between homosexual and heterosexual but between free and slave, dominant and subordinate, masculine and effeminate as conceived in specifically Roman terms. Other important questions addressed by this book include the differences between Roman and Greek practices and ideologies, the influence exerted by distinctively Roman ideals of austerity, the ways in which deviations from the norms of masculine sexual practice were negotiated both in the arena of public discourse and in real men's lives, the relationship between the rhetoric of nature and representations of sexual practices, and the extent to which same-sex marriages were publicly accepted.

Roman Homosexuality : Ideologies of Masculinity in Classical Antiquity City University of New York Craig A. Williams, Assistant Professor of Classics Brooklyn College, 1999-05-12 This book provides a thoroughly documented discussion of ancient Roman ideologies of masculinity and sexuality with a focus on ancient representations of sexual experience between males. It gathers a wide range of evidence from the second century B.C. to the second century A.D., above all from such literary texts as courtroom speeches, love poetry, philosophy, epigram, and history, but also graffiti and other inscriptions as well as artistic artifacts, and uses that evidence to reconstruct the contexts within which Roman texts were created and had their meaning. The book takes as its starting point the thesis that in order to understand the Roman material we must make the effort to set aside any preconceptions we might have regarding sexuality, masculinity, and effeminacy. Williams' book argues in detail that for the writers and readers of Roman texts the important distinctions were drawn not between homosexual and heterosexual but between free and slave, dominant and subordinate, masculine and effeminate as conceived in specifically Roman terms. Other important questions addressed by this book include the differences between Roman and Greek practices and ideologies, the influence exerted by distinctively Roman ideals of austerity, the ways in which deviations from the norms of masculine sexual practice were negotiated both in the arena of public discourse and in real men's lives, the relationship between the rhetoric of nature and representations of sexual practices, and the extent to which same-sex marriages were publicly accepted.

[Roman Homosexuality](#) Craig A. Williams, 2010-02-01 Ten years after its original publication *Roman Homosexuality* remains the definitive statement of this

interesting but often misunderstood aspect of Roman culture Learned yet accessible the book has reached both students and general readers with an interest in ancient sexuality This second edition features a new foreword by Martha Nussbaum a completely rewritten introduction that takes account of new developments in the field a rewritten and expanded appendix on ancient images of sexuality and an updated bibliography

Ancient Rome and the Construction of Modern Homosexual Identities Jennifer Ingleheart,2015 This interdisciplinary volume analyses the importance of ancient Rome in the construction of post classical Western homosexual identities

Roman Homosexuality Craig Arthur Williams,2010

Mapping Gender in Ancient Religious Discourses Todd C. Penner,Caroline Vander Stichele,2007 A collection of essays on early Christian Jewish and Greco Roman religious discourses in antiquity focusing on the construction of gender in relationship to broader cultural and religious themes argumentation and identity formation in the early centuries of the common era

Sex and Difference in Ancient Greece and Rome Mark Golden,2019-07-30 This volume collects and introduces some of the best writing on sexual behaviour and gender differences in ancient Greece and Rome including four chapters newly translated from German and French For centuries discussions of sexuality and gender in the ancient world if they took place at all focussed on how the roles and spheres of the sexes were divided While men occupied the public sphere of the community ranged through the Greek and Roman worlds and participated in politics courts theatre and sport women kept to the home Sex occupied a separate sphere in scholarly terms restricted to specialists in ancient medicine And then the subjects were transformed first by Sir Kenneth Dover then by Michel Foucault This book charts and illustrates the extraordinary evolution of scholarly investigation of a once hidden aspect of the ancient world In doing so it sheds light on fascinating and curious aspects of ancient lives and thought

A Companion to Catullus Marilyn B. Skinner,2010-12-13 In this companion international scholars provide a comprehensive overview that reflects the most recent trends in Catullan studies Explores the work of Catullus one of the best Roman lyric poets Provides discussions about production genre style and reception as well as interpretive essays on key poems and groups of poems Grounds Catullus in the socio historical world around him Chapters challenge received wisdom present original readings and suggest new interpretations of biographical evidence

Understanding Latin Literature Susanna Morton Braund,2017-04-27 Understanding Latin Literature is a highly accessible user friendly work that provides a fresh and illuminating introduction to the most important aspects of Latin prose and poetry This second edition is heavily revised to reflect recent developments in scholarship especially in the area of the later reception and reverberations of Latin literature Chapters are dedicated to Latin writers such as Virgil and Livy and explore how literature related to Roman identity and society Readers are stimulated and inspired to do their own further reading through engagement with a wide selection of translated extracts and through understanding the different ways in which they can be approached Central throughout is the theme of the fundamental connections between Latin literature and issues of elite Roman culture The versatile and accessible structure of Understanding Latin Literature makes it suitable for

both individual and class use **Desiring Rome** Richard Jackson King, 2006 During his last two decades ca 2 BCE 17 CE Ovid composed but never completed his *Fasti* an elegiac representation of Rome's rites and festivals only six of twelve month books remain Earlier scholars have claimed that this is due either to Ovid's exile from Rome which put him out of touch with the Roman literary world or else his frustration over the Roman calendar's discontinuity Drawing upon recent scholarship in gender studies and Lacanian film theory Richard J King analyzes this exilic incompletion as inviting the citizen male reader into what he calls an angular or skewed viewpoint which interrogates the Roman hierarchical and male dominated social order insofar as it is mirrored in the Roman calendar of rites and festivals Ovid already well known and even infamous as the composer of erotic poems and the *Metamorphoses* does this by emulating the civic gesture of calendar presentation whereby upwardly mobile adult male citizens caused calendars to be carved in stone and set up in conspicuous public places to reflect the city's pride and to build their own prestige as public figures In this innovative study King discusses the *Fasti* as Ovid's socially strategic use of this gesture Interrupted by exile and filled with varying explanations of Roman festivals Ovid's poetic version manifests a form whose brokenness comments on the fractured identity of the exiled poet and citizen subjects generally in an imperial order ambivalent toward its greatest poet *Desiring Rome* expands upon recent recognition of the *Fasti*'s centrality to early imperial politics by situating the poem's failure within broader negotiations of identity between early imperial citizen subjects and the cultural ideology of Roman manhood **The Emergence of Sin** Matthew Croasmun, 2017 Commentators have long argued about whether to read Paul's personification of Sin in *Romans* literally or figuratively Matthew Croasmun suggests both that the cosmic power Sin is nothing more than an emergent feature of a vast network of human transgression and that this power is nevertheless a real person Why the Middle Ages Matter Celia Chazelle, Simon Doubleday, Felice Lifshitz, Amy G. Remensnyder, 2012-02-20 The word medieval is often used in a negative way when talking about contemporary issues *Why the Middle Ages Matter* refreshes our thinking about this historical era and our own by looking at some pressing concerns from today's world asking how these issues were really handled in the medieval period and showing why the past matters now The contributors here cover topics such as torture animal rights marriage sexuality imprisonment refugees poverty and end of life care They shed light on relations between Christians and Muslims and on political leadership This collection challenges many negative stereotypes of medieval people revealing a world from which for instance much could be learned about looking after the spiritual needs of the dying and about integrating prisoners into the wider community with the emphasis on reconciliation between victim and criminal It represents a new level of engagement with issues of social justice by medievalists and provides a highly engaging way into studying the middle ages for students The Oxford Handbook of New Testament, Gender, and Sexuality Benjamin H. Dunning, 2019 The *Oxford Handbook of Gender and Sexuality in the New Testament* provides a roadmap to the relevant problems debates and issues that animate the study of sex gender sexuality and sexual difference in early Christianity

Leading scholars in the field offer original contributions by way of synthesis critical interrogation and proposals for future research trajectories The Oxford Handbook of Theology, Sexuality, and Gender Adrian Thatcher, 2015 The Oxford Handbook of Theology Sexuality and Gender presents an unrivalled overview of the theological study of sexuality and gender These topics are not merely contentious and pervasive they have escalated in importance within theology Theologians increasingly agree that even the very doctrine of God cannot be contemplated without a prior grappling with each Featuring 41 newly commissioned essays written by some of the foremost scholars in the discipline this authoritative collection presents and develops the latest thinking in these areas Divided into eight thematic sections the Handbook explores methodological approaches contributions from neighbouring disciplines sexuality and gender in the Bible and in the Christian tradition controversies within the churches and within four of the non Christian faiths and key concepts and issues The final extended section considers theology in relation to married people and families gay and lesbian people bisexual people intersex and transgender people disabled people and to friends This volume is an essential reference for students and scholars which will also stimulate further research Lower than the Angels Diarmaid MacCulloch, 2025-04-15 A magisterial new history The New York Times An epic tale and MacCulloch is an undaunted guide New York Review of Books A groundbreaking history of sexual emotion sexual activity gender relations marriage and the family and how Christianity has interacted with this panorama of human concerns Few matters produce more public interest and public anxiety than sex and religion Much of the political contention and division in societies across the world centres on sexual topics and one third of the global population is Christian in background or outlook The issue goes to the heart of present day religion This book seeks to calm fears and encourage understanding through telling a three thousand year long tale of Christians encountering sex gender and the family The message of *Lower than the Angels* is simple necessary and timely to pay attention to the complexity and contradictions in the history of Christianity The reader can decide from the story told here whether there is a single Christian theology of sex or many contending voices in a symphony that is not at all complete Oxford's Emeritus Professor of the History of the Church introduces an epic of ordinary and extraordinary Christians trying to make sense of themselves and of humanity's deepest desires fears and hopes **After Paul Left Corinth: The Influence of Secular Ethics and Social Change** Bruce W. Winter, 2001 Martial's Epigrams Book Two, 2004-01-08 This edition provides an English translation of and detailed commentary on the second book of epigrams published by the Latin poet Marcus Valerius Martialis The past ten years have seen a resurgence of interest in Martial's writings But contemporary readers are in particular need of assistance when approaching these epigrams and until now there has been no modern commentary dedicated to Book II This new commentary carefully illuminates the allusions to people places things and cultural practices of late first century Rome that pervade Martial's poetry It analyzes the epigrammatist's poems as literary creations treating such topics as the structure of the individual poems and of the book as a whole and the influence of earlier texts on Martial's

language and themes Queering the Ethiopian Eunuch Sean D. Burke, 2013-08-01 Were eunuchs more usually castrated guardians of the harem as florid Orientalist portraits imagine them or were they trusted court officials who may never have been castrated Was the Ethiopian eunuch a Jew or a Gentile a slave or a free man Why does Luke call him a man while contemporaries referred to eunuchs as unmanned beings As Sean D Burke treats questions that have received dramatically different answers over the centuries of Christian interpretation he shows that eunuchs bore particular stereotyped associations regarding gender and sexual status as well as of race ethnicity and class Not only has Luke failed to resolve these ambiguities he has positioned this destabilized figure at a key place in the narrative as the gospel has expanded beyond Judea but before Gentiles are explicitly named in such a way as to blur a number of social role boundaries In this sense Burke argues Luke intended to queer his reader's expectations and so to present the boundary transgressing potentiality of a new community

Intersex, Theology, and the Bible Susannah Cornwall, 2016-01-26 Intersex bodies have been figured as troubling by doctors parents religious institutions and society at large In this book scholars draw on constructive and pastoral theologies biblical studies and sociology suggesting intersex's capacity to trouble is positive challenging unquestioned norms and assumptions in religion and beyond

Jewish Women Katharina Galor, 2023-12-15 *Jewish Women Between Conformity and Agency* examines the concepts of gender and sexuality through the primary lens of visual and material culture from antiquity through to the present day The backbone of this transhistorical and transcontextual study is the question of Jewish women's agency in four different geographical chronological and methodological contexts beginning with women's dress codes in Roman Byzantine Syro Palestine continuing with rituals of purity in medieval Ashkenaz worship in papal Avignon and the Comtat Venaissin and ending with marriage and divorce in Israeli film Each of these explorations is interested in creating a dialogue between the patriarchal legacy of the traditional texts and the chronologically corresponding visual and material culture The author challenges traditional approaches to the study of Jewish culture by employing tools from art history archaeology and film and media studies In each of these different contexts there is ample evidence that women despite persistent overall structural discrimination have found ways to challenge male constructs of gender norms Ultimately these examples from past and present times highlight women's eminence in shaping Jewish history and culture Bringing a new interdisciplinary lens to the study of the history of gender and sexuality the book will be of interest to students and researchers of Jewish history and culture art history archaeology and film studies

Roman Homosexuality Ideologies Of Masculinity In Classical Antiquity Introduction

In today's digital age, the availability of Roman Homosexuality Ideologies Of Masculinity In Classical Antiquity books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of Roman Homosexuality Ideologies Of Masculinity In Classical Antiquity books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of Roman Homosexuality Ideologies Of Masculinity In Classical Antiquity books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing Roman Homosexuality Ideologies Of Masculinity In Classical Antiquity versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, Roman Homosexuality Ideologies Of Masculinity In Classical Antiquity books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing Roman Homosexuality Ideologies Of Masculinity In Classical Antiquity books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for Roman Homosexuality Ideologies Of Masculinity In Classical Antiquity books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free

access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, Roman Homosexuality Ideologies Of Masculinity In Classical Antiquity books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of Roman Homosexuality Ideologies Of Masculinity In Classical Antiquity books and manuals for download and embark on your journey of knowledge?

FAQs About Roman Homosexuality Ideologies Of Masculinity In Classical Antiquity Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer web-based readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. Roman Homosexuality Ideologies Of Masculinity In Classical Antiquity is one of the best book in our library for free trial. We provide copy of Roman Homosexuality Ideologies Of Masculinity In Classical Antiquity in digital format, so the resources that you find are reliable. There are also many Ebooks of related with Roman Homosexuality Ideologies Of Masculinity In Classical Antiquity. Where to download Roman Homosexuality Ideologies Of Masculinity In Classical Antiquity online for free? Are you looking for Roman Homosexuality Ideologies Of Masculinity In Classical Antiquity PDF? This is definitely going to save you time and cash in something you should think about.
