

# ROMAN IMPERIALISM IN THE LATE REPUBLIC

E. BADIAN

SECOND EDITION

# Roman Imperialism In The Late Republic

**Claude Nicolet**

## **Roman Imperialism In The Late Republic:**

**Roman Imperialism in the Late Republic** E. Badian,1968      Roman Imperialism in the Late Republic Ernst Badian,1976      **Roman Imperialism in the Late Republic, By E. Badian** E. Badian,1968      **A Companion to Roman Imperialism** ,2012-11-09 The Roman empire extended over three continents and all its lands came to share a common culture bequeathing a legacy vigorous even today A Companion to Roman Imperialism written by a distinguished body of scholars explores the extraordinary phenomenon of Rome s rise to empire to reveal the impact which this had on her subject peoples and on the Romans themselves The Companion analyses how Rome s internal affairs and international relations reacted on each other sometimes with violent results why some lands were annexed but others ignored or given up and the ways in which Rome s population and power lite evolved as former subjects east and west themselves became Romans and made their powerful contributions to Roman history and culture Contributors are Eric Adler Richard Alston Lea Beness Paul Burton Brian Campbell Arthur Eckstein Peter Edwell Tom Hillard Richard Hingley Benjamin Isaac Jos Luis L pez Castro J Majbom Madsen Susan Mattern Sophie Mills David Potter Jonathan Prag Steven Rutledge Maurice Sartre John Serrati Tom Stevenson Martin Stone and James Thorne      **Roman Imperialism** Paul J. Burton,2019-05-13 Rome engaged in military and diplomatic expansionistic state behavior which we now describe as imperialism since well before the appearance of ancient sources describing this activity Over the course of at least 800 years the Romans established and maintained a Mediterranean wide empire from Spain to Syria and sometimes farther east and from the North Sea to North Africa How and why they did this is a perennial source of scholarly controversy Earlier debates over whether Rome was an aggressive or defensive imperial state have progressed to theoretically informed discussions of the extent to which system level or discursive pressures shaped the Roman Empire Roman imperialism studies now encompass such ancillary subfields as Roman frontier studies and Romanization      **Ancient Greece and Rome** Keith Hopwood,1995 Sir Thomas Fairfax not Oliver Cromwell was creator and commander of Parliament s New Model Army from 1645 to1650 Although Fairfax emerged as England s most successful commander of the 1640s this book challenges the orthodoxy that he was purely a military figure showing how he was not apolitical or disinterested in politics The book combines narrative and thematic approaches to explore the wider issues of popular allegiance puritan religion concepts of honour image reputation memory gender literature and Fairfax s relationship with Cromwell Black Tom delivers a groundbreaking examination of the transformative experience of the English revolution from the viewpoint of one of its leading yet most neglected participants It is the first modern academic study of Fairfax making it essential reading for university students as well as historians of the seventeenth century Its accessible style will appeal to a wider audience of those interested in the civil wars and interregnum more generally      Space, Geography, and Politics in the Early Roman Empire Claude Nicolet,1991 Studies the effect of Rome s geographic worldview on its politics      *The Crowd in Rome in the Late Republic* Fergus Millar,1998 A major work on the

power of the crowd      *Late Republican Rome, 88–31 BC*, 2023-07-20 This volume in the LACTOR Sourcebooks in Ancient History series features offers a generous selection of primary texts on Late Republican Rome 88 31 BC with accompanying maps a glossary and note on the sources concordances and appendices It provides for the needs of students at schools and universities who are studying ancient history in English translation and has been written and reviewed by experienced teachers The texts selected include extracts from the important literary sources as well as some key inscriptions some of which were previously difficult for students to access      *Lucretius and the Late Republic* J.D. Minyard, 2018-07-17 The crisis Rome experienced in the last decades of the Republic was intellectual as well as political social and military This crisis was marked by conflicts over values and a growing dichotomy between words and things as a result of which the key words of the Roman tradition lost their anchor in the inherited commonly held perception of reality known as the *mos maiorum* The crisis was therefore also one of the Latin language itself The monograph explores this thesis in discussions of the background and character of Roman intellectual history the nature of the *mos maiorum* the relationship of the Late Republic to the Mediterranean world the roles of Julius Caesar Catullus Cicero and Lucretius in the crisis and its Augustan and later consequences The major portion of the discussion is devoted to Lucretius because the *De Rerum Natura* is the clearest example of the extent and nature of the crisis from which it took its origin and gained its form and purpose A principal goal of the essay is to relate Lucretius to the structure of Roman literary and intellectual history It finds the explanation for his work in the nature of that history and the characteristic Roman modes and categories of thought rather than in the general history of Greek philosophy It also offers a new explanation of the relationship of the authors of the Late Republic to each other In so doing it indicates the foundation for a new history of Roman literature and a new conception of the reality and importance of the intellectual history of Rome      **The Early Roman Empire in the West** T. F. C. Blagg, Martin Millett, 2016-12-31 Digital reprint of this important collection of papers which form the companion to *Early Roman Empire in the East* Oxbow 1997 Fourteen contributions examine the interaction of Roman and native peoples in the formative years of the Roman provinces in Italy Gaul Spain and Portugal Germany and Britain Contents Introduction Thomas Blagg and Martin Millett The creation of provincial landscape the Roman impact on Cisalpine Gaul Nicholas Purcell Romanization a point of view Richard Reece Romanization historical issues and archaeological interpretation Martin Millett The romanization of Belgic Gaul Colin Haselgrove Lower Germany proto urban settlement developments and the integration of native society J H F Bloemers Relations between Roman occupation and the Limesvorland in the province of Germania Inferior Jurgen Kunow Early Roman military installations and Ubian settlements in the Lower Rhine Michael Gechter Some observations on acculturation process at the edge of the Roman world S D Trow Processes in the development of the coastal communities of Hispania Citerior in the Republican period Simon Keay Romanization and urban development in Lusitania Jonathan Edmondson Urban munificence and the growth of urban consciousness in Roman Spain Nicola Mackie First century Roman houses in Gaul and Britain T F C

Blagg Towards an assessment of the economic and social consequences of the Roman conquest of Gaul J F Drinkwater The emergence of Romano Celtic religion Anthony King

**Roman Imperialism** Craige B. Champion, 2003-11-07 This broad ranging reader on Roman imperialism brings together ancient documents in translation and a selection of the best recent scholarly essays in order to introduce students to the major problems and controversies in studying this central aspect of Roman history A broad ranging reader on Roman imperialism combining ancient documents in translation and a selection of the best recent scholarship on the subject Introduces students to the major problems and controversies in the study of Roman imperialism Examines diverse aspects of Roman imperialism from the Romans motivations in acquiring an empire and their ideological justifications for imperial domination to the complex political economic and cultural interactions between the Romans their allies and the subjected peoples An introduction surveys modern work on Roman imperialism and provides the context of recent theoretical and methodological approaches to the study of empires in general Includes notes with suggestions for further reading

**Roman Imperialism** Andrew Erskine, 2010-05-28 The transformation of Rome from a small central Italian city state into the sole Mediterranean superpower has long proved fascinating and controversial At its height the Roman Empire extended from Britain in the North to Libya in the South and from Spain in the West to Syria in the East It has impressed not only by its extent but also by its longevity Andrew Erskine examines the course and nature of Roman expansion focusing on explanations ancient and modern the impact of Roman rule on the subject and the effect of empire on the imperial power All these topics have created a tremendous amount of discussion among scholars not least because the study of Roman imperialism has always been informed by contemporary perceptions of international power relations The book is divided into two halves Part I treats some of the main issues in modern debates about Roman imperialism while Part II offers a selection of the most important source material allowing readers to enter these debates themselves

*Roman Colonies in Republic and Empire* Amanda Jo Coles, 2020-06-22 The Romans founded colonies throughout Italy and the provinces from the early Republic through the high Empire Far from being mere bulwarks of empire these colonies were established by diverse groups or magistrates for a range of reasons that responded to the cultural and political problems faced by the contemporary Roman state and populace This project traces the diachronic changes in colonial foundation practices by contextualizing the literary epigraphic archaeological and numismatic evidence with the overall perspective that evidence from one period of colonization should not be used analogistically to explain gaps in the evidence for a different period The Roman colonies were not necessarily little Romes either structurally juridically or religiously and therefore their role in the spread of Roman culture or the exercise of Roman imperialism was more complex than is sometimes acknowledged

*Pompey, Cato, and the Governance of the Roman Empire* Kit Morrell, 2017-03-16 Provincial governance under the Roman republic has long been notorious for its corrupt officials and greedy tax farmers though this is far from being the whole story This book challenges the traditional picture contending that leading late

republican citizens were more concerned about the problems of their empire than is generally recognized and took effective steps to address them Attempts to improve provincial governance over the period 70-50 BC are examined in depth with a particular focus on the contributions of Gnaeus Pompeius Magnus Pompey and the younger Marcus Porcius Cato These efforts ranged well beyond the sanctions of the extortion law encompassing show trials and model governors and drawing on principles of moral philosophy In 52-50 BC they culminated in a coordinated reform programme which combined far sighted administrative change with a concerted attempt to transform the ethos of provincial governance the union of what Cicero called Cato's policy of ethical governance with Pompey's *lex de provinciis* a law which transformed the very nature of provincial command Though more familiar as political opponents Pompey and Cato were united in their interest in good governance and were capable of working alongside each other to effect positive change This book demonstrates that it was their eventual collaboration in the late 50s BC that produced the republic's most significant programme of provincial reform In the process it offers a new perspective on these two key figures as well as an enriched understanding of provincial governance in the late Roman republic

[The Roman Empire in Context](#) Johann P. Arnason, Kurt A. Raaflaub, 2010-12-23 Through a series of original essays by leading international scholars *The Roman Empire in Context: Historical and Comparative Perspectives* offers a comparative historical analysis of the Roman empire's role and achievement and more broadly establishes Rome's significance within comparative studies Fills a gap in comparative historical analysis of the Roman empire's role and achievement Features contributions from more than a dozen distinguished scholars from around the world Explores the relevance of important comparativist themes of state, empire and civilization to ancient Rome

[The Cavalry of the Roman Republic](#) Jeremiah B. McCall, 2005-06-29 In this original and revealing work Jeremiah B. McCall challenges the generally accepted view of the Roman cavalry and explores the fundamental connections between war and society in republican Rome c. 300-100 BC McCall describes the citizen cavalry's equipment, tactics and motivation in battle and argues for its effectiveness in the field This success is proof that it cannot finally have been disbanded for purely military reasons he shows that victories in the law courts and lavish displays of wealth came to supersede cavalry service as a way of building the reputations of the Roman elite The clear structure and fresh approach of the book combining insights from both Roman military and social history will be useful to readers at all levels of study

**Caesar** Adrian Goldsworthy, 2020-08-11 This captivating biography of the great Roman general puts Caesar's war exploits on full display along with his literary genius and more The New York Times Tracing the extraordinary trajectory of the Julius Caesar's life Adrian Goldsworthy not only chronicles his accomplishments as charismatic orator, conquering general and powerful dictator but also lesser known chapters during which he was high priest of an exotic cult and captive of pirates and rebel, condemned by his own country Goldsworthy also reveals much about Caesar's intimate life as husband and father and as seducer not only of Cleopatra but also of the wives of his two main political rivals This landmark biography examines Caesar in all of these roles and places its

subject firmly within the context of Roman society in the first century B C Goldsworthy realizes the full complexity of Caesar's character and shows why his political and military leadership continues to resonate thousands of years later Ancient Rome Paul A. Zoch, 2020-05-18 In this revised and expanded edition of Ancient Rome author Paul A Zoch presents the history and mythology of Rome from its legendary progenitor Aeneas to the death of the philosopher emperor Marcus Aurelius in 180 c e Zoch guides readers through the military campaigns and political developments that shaped Rome's rise from a small Italian city to the greatest imperial power the world had ever known and he includes stories about its protagonists such as Romulus and Remus Horatius and Nero that are often omitted from more specialized studies In Zoch's retelling the events and personalities of ancient Rome spring to life We witness the long struggle against the enemy city of Carthage We follow Caesar as he campaigns in Britain and we observe the ebb and flow of Rome's fortunes in the Hellenistic East Emphasizing both the political and moral lessons to be learned from Roman history and that remain relevant today Zoch gives readers a narrative that is both entertaining and informative An afterword takes the history to the fall of the Roman Empire in the West in 476 c e *The Historiography of Late Republican Civil War*, 2019-07-29 The *Historiography of Late Republican Civil War* is part of a burgeoning new trend that focuses on the great impact of stasis and civil war on Roman society This volume specifically concentrates on the Late Republic a transformative period marked by social and political violence stasis factional strife and civil war Its constitutive chapters closely study developments and discussions concerning the concept of civil war in the late republican and early imperial historiography of the late Republic from L Cornelius Sulla Felix to the Severan dynasty

While this might not be the Roman Imperialism In The Late Republic full book , it can give you a taste of the authors writing style. Subscription Services Platforms like Kindle Unlimited or Scribd offer subscription-based access to a wide range of Roman Imperialism In The Late Republic eBooks, including some popular titles.

### **FAQs About Roman Imperialism In The Late Republic Books**

**What is a Roman Imperialism In The Late Republic PDF?** A PDF (Portable Document Format) is a file format developed

by Adobe that preserves the layout and formatting of a document, regardless of the software, hardware, or operating system used to view or print it. **How do I create a Roman Imperialism In The Late Republic PDF?** There are several ways to create a PDF: Use software like Adobe Acrobat, Microsoft Word, or Google Docs, which often have built-in PDF creation tools. Print to PDF: Many applications and operating systems have a "Print to PDF" option that allows you to save a document as a PDF file instead of printing it on paper. Online converters: There are various online tools that can convert different file types to PDF. **How do I edit a Roman Imperialism In The Late Republic PDF?** Editing a PDF can be done with software like Adobe Acrobat, which allows direct editing of text, images, and other elements within the PDF. Some free tools, like PDFescape or Smallpdf, also offer basic editing capabilities. **How do I convert a Roman Imperialism In The Late Republic PDF to another file format?** There are multiple ways to convert a PDF to another format: Use online converters like Smallpdf, Zamzar, or Adobe Acrobats export feature to convert PDFs to formats like Word, Excel, JPEG, etc. Software like Adobe Acrobat, Microsoft Word, or other PDF editors may have options to export or save PDFs in different formats. **How do I password-protect a Roman Imperialism In The Late Republic PDF?** Most PDF editing software allows you to add password protection. In Adobe Acrobat, for instance, you can go to "File" -> "Properties" -> "Security" to set a password to restrict access or editing capabilities. Are there any free alternatives to Adobe Acrobat for working with PDFs? Yes, there are many free alternatives for working with PDFs, such as: LibreOffice: Offers PDF editing features. PDFsam: Allows splitting, merging, and editing PDFs. Foxit Reader: Provides basic PDF viewing and editing capabilities. How do I compress a PDF file? You can use online tools like Smallpdf, ILovePDF, or desktop software like Adobe Acrobat to compress PDF files without significant quality loss. Compression reduces the file size, making it easier to share and download. Can I fill out forms in a PDF file? Yes, most PDF viewers/editors like Adobe Acrobat, Preview (on Mac), or various online tools allow you to fill out forms in PDF files by selecting text fields and entering information. Are there any restrictions when working with PDFs? Some PDFs might have restrictions set by their creator, such as password protection, editing restrictions, or print restrictions. Breaking these restrictions might require specific software or tools, which may or may not be legal depending on the circumstances and local laws.
