scholarship includes a fuller narrative history expanded sections on the history of women and slaves and on cultural life in the city of Rome many new illustrations an updated section of bibliographical notes and other improvements designed to make the volume as useful as possible to students as well as the general reader **A Handbook of Ancient Religions** John R. Hinnells, 2007-03-01 Ancient civilisations exercise an intense fascination for people the world over This Handbook provides a vivid scholarly and eminently readable account of ancient cultures around the world from China to India the Middle East Egypt Europe and the Americas It examines the development of religious belief from the time of the Palaeolithic cave paintings to the Aztecs and Incas Covering the whole of society not just the elite the Handbook outlines the history of the different societies so that their religion and culture can be understood in context Each chapter includes discussion of the broad field of relevant studies alerting the reader to wider debates on each subject An international team of scholars convey their own deep enthusiasm for their subject and provide a unique study of both popular and official religion in the ancient world

The First Jewish Revolt Andrea M. Berlin, J. Andrew Overman, 2003-09-02 The First Jewish Revolt against Rome is arguably the most decisive event in the history of Judaism and Christianity The destruction of the Temple in Jerusalem in 70 CE by the Roman General Titus forced a transformation in structure and form for both of these fraternal religions Yet despite its importance little has been written on the First Revolt its causes implications and the facts surrounding it In this volume Andrea M Berlin and J Andrew Overman have gathered the foremost scholars on the period to discuss and debate this pivotal historical event The contributions explore both Roman and Jewish perspectives on the Revolt looking at its history and archaeology and finally examining the ideology and interpretation of the revolt in subsequent history and myth

The Jewish War Josephus, 2017-02-10 I am Josephus I myself fought against the Romans In August of AD 70 the city of Jerusalem was destroyed by Roman forces after a six month siege This was the disastrous outcome of a Jewish revolt against Roman domination which began in AD 66 with some early success but soon became mired in factional conflict The war ended in the destruction of the famous Jewish Temple rebuilt by Herod the Great a century before The remarkable story of the war is narrated by an eye witness and participant Josephus He was at first a rebel commander then after his capture supported Titus in the final assault on Jerusalem Josephus spares no detail of a horrific conflict atrocities on both sides the reign of terror in Jerusalem the appalling conditions of the siege and the final mass suicide at Masada His vivid narrative is our prime source for this period of history It is a dramatic story with resonances to the present day

Egypt, Greece and Rome: Civilizations of the Ancient Mediterranean Charles Freeman, 2004-01-29 Egypt Greece and Rome is regarded as one of the best general histories of the ancient world It is written for the general reader and the student coming to the subject for the first time and provides a reliable and highly accessible point of entry to the period The volume begins with the early civilizations of Sumer modern Iraq and continues through to the Islamic invasions and the birth of modern Europe after the collapse of the western Roman empire The book ranges beyond political history to cover philosophy art and literature A wide

range of maps illustrations and photographs complements the text The second edition incorporates new chapters on the ancient Mediterranean and the Ancient Near East as well as extended coverage of Egypt The Romans Antony Kamm,2015

Gabriel Garcia Márquez and Ovid Lorna Robinson,2013 This book explores the ways in which Ovid's poem *Metamorphoses* and Gabriel García Márquez's novel *One Hundred Years of Solitude* use magical devices to construct their literary realities *Imperial Institutions in Ancient Rome and Early China* Michael Loewe,Michael Nylan,T. Corey Brennan,2025-05-15 Written by the eminent sinologist Michael Loewe and edited for publication by T Corey Brennan and Michael Nylan this book gives an overview of the considerations and practices of two major world empires that together ruled half of the earth's population in the first centuries BCE ancient Rome and Han China Approaching the historical material with a comparative perspective Loewe examines the strengths and weaknesses and the successes and failures which can be seen in the organisation and government of these two political systems Though each empire was largely ignorant of the other the problems they faced were similar given the rudimentary transportation and communication facilities of the time the high mortality rates and the low levels of literacy Yet each empire ruled its people in distinctly different ways with the Roman empire governed largely by military officials in contrast to the Chinese empire whose administration was well stocked with roughly 130 000 highly trained professionals The ten chapters of this book set out to compare the ways that these two contemporary regimes similar in size and population sought to control human activities and impose a set of regulated discipline over those who were ruled Each chapter concerns the degrees and methods of forming a united people the assumptions that lay behind such attempts the reliance that imperial authority placed on religious practices legal impositions and the structure of institutions and the bases of social cohesion and economic co operation The result is an engaging study of two remarkable empires whose rise and fall are contrasted in a way that deepens our understanding of empire and civilisation **1997** Massimo Mastrogregori,2013-05-08 Annually published since 1930 the International bibliography of Historical Sciences IBOHS is an international bibliography of the most important historical monographs and periodical articles published throughout the world which deal with history from the earliest to the most recent times The works are arranged systematically according to period region or historical discipline and within this classification alphabetically The bibliography contains a geographical index and indexes of persons and authors **The Romans** Abigail Graham,Antony Kamm,2014-10-30 *The Romans* An Introduction 3rd edition engages students in the study of ancient Rome by exploring specific historical events and examining the evidence This focus enables students not only to learn history and culture but also to understand how we recreate this picture of Roman life The thematic threads of individuals and events political social legal military conflicts are considered and reconsidered in each chapter providing continuity and illustrating how political social and legal norms change over time This new edition contains extensive updated and revised material designed to evoke the themes and debates which resonate in both the ancient and modern worlds class struggles imperialism constitutional

Temple Purity in 1-2 Corinthians Yulin Liu, 2013 Paul s view of the church as the temple and his concern about its purity in 1 2 Corinthians has traditionally been interpreted from the perspective of a Jewish background However Yulin Liu reveals that the pagans were very aware of temple purity when visiting some temples in the Greco Roman world and the purification concerns of three pagan temples in Corinth are documented in his work The author affirms that the Gentile believers among the Corinthian community were able to grasp Paul s message because of it Also Liu investigates Paul s use of temple purity to address the necessity of unity holiness and faithfulness of the Corinthian Christians in an eschatological sense The separation of God s people from profane matters actually points to a new exodus and a progressive consummation of the construction of the eschatological temple community

The Alter-Imperial Paradigm Shane J. Wood, 2015-10-27 Many assume the book of Revelation is merely an anti imperial attack on the Roman Empire Yet Shane J Wood argues this conclusion over exaggerates Rome s significance and thus misses Revelation s true target the construction of the alter empire through the destruction of the preeminent adversary Satan Applying insights from Postcolonial criticism and Examinations of Dominance this monograph challenges trajectories of New Testament Empire Studies by developing an Alter Imperial paradigm that appreciates the complexities between the sovereign s and subject s of a society beyond simply rebellion or acquiescence Shane J Wood analyses Roman propaganda Jewish interaction with the Flavians and Domitianic persecution to interpret Satan s release Rev 20 1 10 as the climax of God s triumphal procession Thus Rome provides the imagery Eden provides the target

The Penguin Handbook of Ancient Religions Various contributors, 2009-08-27 This overview of the religious customs of ancient cultures boasts an international selection of contributors all of whom are leading scholars in their field The cultural practices of popular as well as formal

religion are explored in detail giving an impression of all not only elite societies Every topic is placed in its own cultural context while bearing in mind its relevance to a wider historical and sociological debate The result is an erudite and thoroughly readable handbook to ancient religions from Palaeolithic cave art to the rituals of Aztec and Inca civilizations

Looking In, Looking Out: Jews and Non-Jews in Mutual Contemplation ,2024-04-08 Martin Goodman s forty years of scholarship in Roman history and ancient Judaism demonstrates how each discipline illuminates the other Jewish history makes best sense in a broader Greco Roman context Roman history has much to learn from Jewish sources and evidence In this volume Martin s colleagues and students follow his example by examining Jews and non Jews in mutual contemplation Part 1 explores Jews views of inter communal stasis the causes of the Bar Kochba revolt tales of Herodian intrigue and the meaning of Israel Part 2 investigates Jews depiction of outsiders Moabites Greeks Arabs and Roman authorities Part 3 explores early Christians Luke Jerome Rufinus Syriac poetry Pionius ordinary individuals views of Jews and use of Jewish sources and Josephus s relevance for girls in 19th century Britain

The Origins of Business, Money, and Markets Keith Roberts,2011 Knowing and understanding Western business history helps clarify the nature of business throughout the world today along with the public policies that determine much of its current operating environment Yet rarely do business historians look further back than the European Middle Ages As Keith Roberts describes in this book business markets and money as we know them took shape in the ancient Greek Hellenistic and Roman civilizations His detailed history underscores the parallels between early and modern business practice With its broad consideration of business morality the nature of wealth the role of finance and the development of public institutions that shaped business possibilities Roberts pioneers an absorbing account of a long neglected history

The Roman Army Pat Southern,2007-10-01 Written by a leading authority on Roman military history this fascinating volume spans over a thousand years as it offers a memorable picture of one of the world s most noted fighting forces paying special attention to the life of the common soldier Southern here illuminates the Roman army s history culture and organization providing fascinating details on topics such as military music holidays strategy the construction of Roman fortresses and forts the most common battle formations and the many tools of war from spears bows and arrows swords and slingshots to the large catapulta which fired giant arrows and bolts and the ballista which hurled huge stones Perhaps most interesting are the details Southern provides about everyday life in the Roman army everything from the soldiers pay they were paid three times per year but money was deducted for such items as food clothing weapons the burial club the pension scheme and so on to their often brutal life if whole units turned and ran about one tenth of the men concerned were chosen by lot and clubbed to death and the rest were put on barley rations instead of wheat Moreover soldiers who lost weapons or their shields would fight savagely to get them back or would die in the process rather than suffer the shame that attached to throwing weapons away or running from the battle Attractively illustrated this book offers a fascinating look at the life of the Roman soldier drawing on everything from Rome s rich historical and

archaeological record to soldier s personal correspondence to depictions of military subjects in literature and art
