A US Airman's Experience in the Vietnam Era Robert A. Crothers,2021-01-21 Reading his book took me back to a time and place when I served in the military He brought back those humorous times during basic training He talks about how Lila encouraged him to study hard and progress forward to be the best while serving his country He describes his first long flight from Travis Air Force Base to his final destination of Clark Air Base Philippines and the 463rd OMS Warm and enriching memories of those he trained with and those who taught him Some of the stories he writes about being in Vietnam are humor filled such as when he became a Captain to order in flight meals for his crew chiefs Others brought on a sense of sadness from the loss of a friend His first sapper attack how they sent him out to look for trip grenades in his aircraft He and his good friend from Lynn Massachusetts barely missed being hit by a mortar leaving the flight line Hearing him say how the warning siren would always go off after the attack you knew you were safe was humorous A must read book and a different look at a conflict that had no end in sight in 1968 *MacArthur's Airman* Thomas E. Griffith, Jr.,2017-01-20 A fighter pilot who flew 75 combat missions in World War I George C Kenney was a charismatic leader who established himself as an innovative advocate of air power As General MacArthur s air commander in the Southwest Pacific during World War II Kenney played a pivotal role in the conduct of the war but until now his performance has remained largely unexplored Thomas Griffith offers a critical assessment of Kenney s numerous contributions to MacArthur s war efforts He depicts Kenney as a staunch proponent of airpower s ability to shape the outcome of military engagements and a commander who shared MacArthur s strategic vision He tells how Kenney played a key role in campaigns from New Guinea to the Philippines adapted aircraft pilots doctrine and technology to the demands of aerial warfare in the southwest Pacific and pursued daring strategies that likely would have failed in the European theater Kenney is shown to have been an operational and organizational innovator who was willing to scrap doctrine when the situation called for ingenuity such as shifting to low level attacks for more effective bombing raids Griffith tells how Kenney established air superiority in every engagement provided close air support for troops by bombing enemy supply lines attacked and destroyed Japanese supply ships and carried out rapid deployment by airlifting troops and supplies Griffith draws on Kenney s diary and correspondence the personal papers of other officers and previously untapped sources to present a comprehensive portrayal of both the officer and the man He illuminates Kenney s

relationship with MacArthur General Hap Arnold and other field commanders and closely examines factors in air warfare often neglected in other accounts such as intelligence training and logistical support MacArthur's *Airman* is a rich and insightful study that shows how air ground and marine efforts were integrated to achieve major strategic objectives It firmly establishes the importance of MacArthur's campaign in New Guinea and reveals Kenney's instrumental role in turning the tide against the Japanese *Airman's Odyssey* Antoine de Saint-Exupéry,1984 Describes the early South American European mail service air service to North Africa and the bravery of French fliers in the face of the Nazi invasion **For the Love of the Air Force** Norman Ferguson,2017-09-14 This miscellany brings together the history of the RAF the people the aviation lingo and time honoured traditions of the force we know today Whether you have RAF experience or you're an enthusiastic supporter from the ground this remarkable volume will be your guide to the oldest independent air force in the world Chocks away *Life of the Soldier and the Airman*,1951 **The Airman's E-Mail Order Bride** Cora Seton,2015-06-14 Tormented by the knowledge that his father died thinking the worst of him Colt Hall never meant to come home to Chance Creek But with his brothers banding together to rebuild the family's old ranch he's finding it hard to stay away In accordance with the conditions for them to inherit the spread Colt must soon marry Too bad the only woman he wants is Heather Ward the girl he walked away from years ago without saying good bye Heather hid a secret for twelve long years but when the Halls moved back to town it was only a matter of time before the truth came out Now everyone but Colt knows he has a son She'll get one chance to convince Colt to forgive her and become the father Richard has always longed for If she answers Colt's online ad for a temporary wife will he fall in love with her before he learns the truth Colt knows it's crazy to try to find a wife through an internet ad and it's even crazier to fall for a stranger who wants far more than a temporary marriage but Helena Warner reminds him so much of Heather he begins to wonder if the two might be the same woman Heather can't believe she's using a fake name to seduce the father of her own child but is it possible Colt might know more about her true identity than he's letting on Once all the lies and secrets are stripped bare Colt and Heather must answer the ultimate question can a love interrupted ever be renewed The Heroes of Chance Creek BOOK 1 The Navy SEAL's E Mail Order Bride BOOK 2 The Soldier's E Mail Order Bride BOOK 3 The Marine's E Mail Order Bride BOOK 4 The Navy SEAL's Christmas Bride BOOK 5 The Airman's E Mail Order Bride BOOK 6 The Navy SEAL's Second Chance Bride Novella **An Airman's Deadly Affair** Nicolle Schippers,2009-12 Senior Airman Teresa Conklin had it all beauty intelligence and zealous ambition As a young cop stationed at Winburg Air Base in Germany Conklin seized the opportunity to further her career in the United States Air Force But two bullets end her life and the ensuing investigation unearths a disturbingly complex web of deceit sex and betrayal Major Emma Lohrs an attorney with the Judge Advocate General's Corps JAG is assigned to the case The details surrounding Conklin's murder create a twisted scenario especially since Conklin was on duty in the well secured base armory when she was killed But Lohrs soon uncovers a number of bizarre clues about the victim and
