Burrell,2013-04-09

BISHOP BARRINGTON BURRELL is a senior minister in the New Testament Church of God UK for over fort two years He is an author counsellor Bible teacher and family life conference speaker He is a graduate from the Ebenezer Bible Institute in Switzerland His profound love for humanity coupled with a distinct call of God has brought him face to face with the practical and spiritual issues of todays generation He is married to beautiful Maxine and they are blessed with two grown up children and four gorgeous grandchildren He is very committed to his lovely family      *The Doctrine of Salvation; A Beginner's Guide to Understanding Biblical Theology: What Does Biblical Salvation Really Mean* Michael Southard,2017-01-25 Have you ever just wanted to sit down and read something about God or Jesus just to get closer to him to know him more intimately or to expand your understanding of his creation and plan for you So you find a book that advertises just the subject matter you are interested in then you open it and begin to read but before

long you realize you have to run and get the dictionary Then you may have to purchase a dictionary of theology then maybe an encyclopedia of Christian apologetics just to understand what you are reading When this happens readers often give up on the book and never finish it and may never buy another one It can get discouraging when confronted with terminology like infralapsarianism hamartiology and demythologization and that doesn't include the hundreds of nontheological words rarely used in common communication today Authors write this way to keep the book from becoming the size of an encyclopedia However I did buy all those books and persevered in study because of my great hunger for the deeper things of God Now you can too because this book conveys these wonderful biblical thoughts and great theologians writings into plain common language The Doctrine of Salvation takes deep theological concepts and brings their understanding down to a street level as it were This book describes on a practical level how these doctrines are to be applied to our lives and how we can relate them to others I refrain from using thirteen letter words but if they are needed I will use them and then immediately clarify their meaning so the reader will not lose their train of thought Enjoy reading about the wonders of God again in greater depth

Guiding God's Marriage Courtney Ann Irby, 2024-05-14 Examines how religious leaders use premarital counseling to influence how we view intimacy It is well known that the institution of marriage has changed dramatically in the past few decades However very little research has focused on the role of religious institutions in helping couples form and maintain their relationships Guiding God's Marriage offers an examination of Christian marriage preparation programs exploring their efforts to stabilize the institution of marriage and highlighting the tension between individualism and community in people's relational lives Marriage preparation programs offer a useful lens through which to trace shifts in both religious and family institutions because they set out clear and intentional articulations of marriage ideologies and gendered relationship scripts by faith communities By documenting the changes in content and practices of Christian premarital education along with its advice regarding what makes a good marriage the book charts the ways that religious communities have been transformed by and have helped to contribute to the individualization of faith and relationships Featuring archival research as well as first hand observations of four marriage preparation courses two Protestant and two Catholic along with seventy interviews with participating couples and leaders of these and other programs the book offers a rare view of visions about how to realize a successful and faith filled relationship This examination of marriage classes offers key insight into how religious communities have responded to cultural changes in marriage gender sexuality and intimacy ThirdWay, 1978-07-13 Monthly current affairs magazine from a Christian perspective with a focus on politics society economics and culture Christianity and Family Law John Witte, Jr, Gary S. Hauk, 2017-10-12 The Western tradition has always cherished the family as an essential foundation of a just and orderly society and thus accorded it special legal and religious protection Christianity embraced this teaching from the start and many of the basics of Western family law were shaped by the Christian theologies of nature sacrament and covenant This volume introduces readers to the enduring and evolving Christian norms and teachings on

betrothals and weddings marriage and divorce women s and children s rights marital property and inheritance and human sexuality and intimate relationships The chapters are authoritatively written but accessible to college and graduate students and scholars as well as clergy and laity While alert to the hot button issues of sexual liberty today the contributing authors let the historical figures speak for themselves about what Christianity has and can contribute to the protection and guidance of our most intimate association      **NLT Study Bible Large Print** Tyndale,2020-11-03 Make Your Study Personal and Your Devotions Serious You study the Bible to connect with God s heart The NLT Study Bible gives you the tools you need to enter the world of the Bible so you can do just that Including over 25 000 study notes plus profiles charts maps timelines book and section introductions and approximately 300 theme notes the NLT Study Bible will make your study personal and your devotions serious This new large print edition features a generous 10 point font The New Living Translation breathes life into even the most difficult to understand Bible passages changing lives as the words speak directly to their hearts      100
