Marriage from the Heart Donald R. Downing, 2010-04 Marriage is God's idea He has no bad ideas He brought Eve to Adam married them and they lived as husband and wife for over 900 years Genesis 2:21-25 and 5:5 By this we can conclude that divorce was not God's idea but Satan's idea to destroy God's ideas plans and purpose of marriage between a man and a woman We seek to find the right person when the greater picture is to be the right person Man sets the time for the wedding but God sets the time for the marriage There is a great difference between a wedding and a marriage Many walk down the aisle to be wedded for all the wrong reasons Saying I do and placing wedding rings upon fingers does not always mean they are married within their hearts This book reveals that a man and a woman may marry and yet not be a true husband and wife It stresses the importance of friendship courtship engagement and being married from the heart Introducing a revolutionary approach to the covenant of marriage this book addresses commitment romance love keeping a right heart a sound mind and a pure relationship Dr Donald R Downing is a heart physician and specialist from God to the body of Christ He has written over 12 books and considers *Marriage from the Heart* to be one of his most important writings He believes the only way to defeat the high rate of divorce and separation is to restore romance to the relationship and to be truly married from the heart

Offered Bill R. Morrison,2016-06-06

Offered is must read for all who are seriously seeking a holistic view of worship The author Bill Morrison is someone I have known for nearly three decades and his life experience as a follower of Christ shines through the content of this book Bill is a deep thinking minister of the gospel who has spent years studying and pondering the real meaning of worship *Offered* is biblically based Every page of the book points the reader to the scriptures and not just to personal opinions This work is

theologically sound There are no side trails which lead the reader away from the main focus of worshipping God in spirit and in truth Offered is a practically oriented book which can be utilized in small group Bible studies devotionals and in sermons The well organized chapters make this a practical guide to better understanding worship My favorite chapter is the one which describes The Great Commission as our call to worship Interpreting the Great Commission in this fashion helps readers see worship as a way of life not a single action of the Christian When we understand this truism we are freed from trying to make a list of priorities which makes worship a separated part of the Christian life I recommend Offered to you as a reliable guide for you in your quest to better comprehend the full meaning of worship Like me I think you will come to know that we are here on this earth to be offered to The Living God for a life of worship Dr Rick Lance Executive Director Alabama Baptist State Board of Missions
