This is an open access book *Learn to speak and write Romanian in 30 days*, *The Romanian Revolution of December 1989* Peter Siani-Davies, 2007 The Romanian Revolution of 1989 was the most spectacularly violent and remains today the most controversial of all the East European upheavals of that year Despite or perhaps because of the media attention the revolution received it remains shrouded in mystery How did the seemingly impregnable Ceausescu regime come to be toppled so swiftly and how did Ion Iliescu and the National Salvation Front come to power Was it by coup d'etat Who were the mysterious terrorists who wreaked such havoc on the streets of Bucharest and the other major cities of Romania Were they members of the notorious securitate What was the role of the Soviet Union Blending narrative with analysis Peter Siani

Davies seeks to answer these and other questions while placing the events and their immediate aftermath within a wider context. Based on fieldwork conducted in Romania and drawing heavily on Romanian sources including television and radio transcripts, official documents, newspaper reports and interviews, this book is the most thorough study of the Romanian Revolution that has appeared in English or any other major European language. Recognizing that a definitive history of these events may be impossible, Siani Davies focuses on the ways in which participants interpreted the events according to particular scripts and myths of revolution rooted in the Romanian historical experience. In the process, the author sheds light on the ways in which history and the conflicting retellings of the 1989 events are put to political use in the transitional societies of Eastern Europe.

Inside the Mechanisms of Romanian Modernization Florin Grancea, 2006-09-05 This book analyzes in the relation with the Romanian modernity the transformations of the Romanian public sphere, political system and journalism from the beginning of the 19th Century up to 2005. The argumentation starts from the idea that the Romanian Enlightenment never had the chance to reach its purpose, the creation of the individual as a human category. As a consequence of this historical fact, the Romanian modernity was not explored in all its dimensions and was not congruent with its western model of development. Only after late 90s signs for a surpassing historical backwardness were seen in Romania and only after the integration into EU became sure. From this perspective, this book looks onto the change in the modernization engine of Romania in late 90s. This change is happening as a transgression from a three steps modernization model in which the role of the elite is central to a two steps modernization model in which the role of the elite is minimal. Because the three steps modernization model fits the idea of an acclamatory public sphere while the two steps modernization engine fits the concept of civil public sphere, this book proves that the Romanian democracy is evolving from its totalitarian background to become a participative democracy. The only question unanswered yet is if the elite and the mass media are willing to let Romania and its citizens to breakup the ties with the totalitarian past.

Modern Romania Tom Gallagher, 2008-03 Since the 1989 fall of Communism in Eastern Europe Romania arguably the most regimented of states in the Soviet bloc has struggled with the transition from totalitarian state to democratic nation In this insightful examination of modern Romania Tom Gallagher provides an overview of Romania's unique political and social history focusing on both its national identity as well as the legacy of Soviet rule Gallagher provides an in depth look at Romania since 1989 focusing on the government's attempts at economic reform engagement with democracy problems with corruption among the ruling elite as well as the weakness of civil society and the resilience of implacable expressions of nationalism

Ultimately Gallagher argues that thus far democracy has essentially failed in Romania In fact he warns that Romania is on its way to becoming one of the most unequal states in Europe and quite possibly a future trouble spot unless efforts to resume much needed reforms are undertaken

Paradigms of pilgrimage : from devotional journey to (religious) tourism = Paradigmes du pèlerinage : du voyage dévotionnel au tourisme (religieux) Monica RUSSET OANCĂ, Maria Yvonne BĂNCILĂ, Mădălina TOADER, 2023-01-01 The volume *Paradigms of Pilgrimage From Devotional Journey to Religious Tourism* endeavours to present some insights into the multi layered significance of pilgrimage starting from a theoretical approach and then addressing specific situations The first two parts deal chronologically with instances of traditional images of pilgrimage and the last two parts move towards analysing modern and post modern examples of journeys with a spiritual purpose Each chapter is independent and provides an original rendering of the concept of pilgrimage The authors use various approaches to discuss the notion of pilgrimage and the images interconnect creating an irregular but harmonious mosaic Le volume *Paradigmes du pèlerinage du voyage dévotionnel au tourisme religieux* vise à présenter les différentes facettes du pèlerinage en partant d'une approche théorique et en proposant ensuite des situations spécifiques Les deux premières parties examinent chronologiquement les exemples d'images traditionnelles de pèlerinage tandis que les deux dernières parties s'orientent vers l'analyse d'exemples modernes et postmodernes des voyages travers la spiritualité Chaque chapitre est indépendant et montre une interprétation originale de la notion de pèlerinage Les auteurs utilisent diverses approches pour discuter de la notion de pèlerinage et les images s'interconnectent en créant une mosaïque irrégulière mais harmonieuse

Romanian Journey Andrew MacKenzie, 1983 *Ceausescu and the Securitate* Dennis Deletant, 2016-12-05 First Published in 2017 This book contains Deletant's research and view that an inescapable feature of life in Romania under Ceausescu was the ubiquity of the Securitate or the security police known officially for much of the period as the Department of State Security of the Ministry of the Interior He seeks to right the omission in Romanian literature until now of the mechanism of terror which Stalin used in Romania to enforce his will and about the organisation of the Department of State Security **Balkan Departures** Wendy Bracewell, Alex Drace-Francis, 2009 In writings about travel the Balkans appear most often as a place travelled to Western accounts of the Balkans revel in the different and the exotic the violent and the primitive traits that serve according to many commentators as a foil to self congratulatory definitions of the West as modern progressive and rational However the Balkans have also long been travelled from The region's writers have given accounts of their travels in the West and elsewhere saying something in the process about themselves and their place in the world The analyses presented here ranging from those of 16th century Greek humanists to 19th century Romanian reformers to 20th century writers socialists and men of the world suggest that travellers from the region have also created their own identities through their encounters with Europe Consequently this book challenges assumptions of Western discursive hegemony while at the same time exploring Balkan Occidentalisms The Military And Society In The Former Eastern Bloc Constantine

Danopoulos, Daniel Zirker, Constantine Danopoulos, 2019-09-30 In this book an assortment of regional specialists in military relations are gathered together to comment on the current state of the military in various Eastern bloc states The book focuses on the relationship between the military politics and society in these new and burgeoning democracies **The Wasted Generation** Silviu Brucan, 2019-08-15 My generation in Eastern Europe was caught in the middle of two revolutions 1944 and 1989 which instead of moving history ahead pushed it backward We thus at first made a U turn a tortuous one to be sure from underdeveloped capitalism to underdeveloped socialism but because socialism and underdevelopment are strange bedfellows we have since discovered we were on the wrong path and are trying now to return to where we started The drama of that generation is what this book is about *Angela Gheorghiu* Angela Gheorghiu, Jon Tolansky, 2018-09-04 The biography of the great soprano in her own words *The Rough Guide to Romania (Travel Guide eBook)* Rough Guides, 2016-08-04 Whether you're tracking wild bears dancing with Gypsies or braving Dracula's lair you won't set a foot wrong with The Rough Guide to Romania From the folk customs of Maramure and painted monasteries of Bucovina to Bucharest's thriving gastronomic scene Rough Guides' freshly updated seventh edition takes you on a time travelling trip around this most diverse of destinations With a section of suggested itineraries plus detailed maps and gorgeous full colour photographs throughout you'll feel inspired to step off the beaten track and really explore Romania's wealth of cultural riches Our local expert authors have also peppered The Rough Guide to Romania with anecdotal titbits hand picked tips and unparalleled historical background to ensure you squeeze every last drop of potential from your travels Make the most of your trip with The Rough Guide to Romania
