genres of writing are composed by clergy for use in ritual settings Yet they may also provide glimpses of everyday Christians lives and experiences This book investigates the habits objects behaviors and movements of ordinary Christians by mining festal preaching by John Chrysostom Cyril of Jerusalem Gregory of Nyssa and Romanos the Melodist among others It also mines liturgical instructions to explore the psalms and other songs performed on various feast days Unfinished then connotes the creativity and agency of unremarkable Christians who engaged in making religious experiences the Christian in progress who learns to work with material and bring something into being the artisans who attended sermons and more widely the bearers of embodied knowing
