NEWELL

Romans Verse By Verse A Classic Evangelical Commentary

Dongsu Kim

Romans Verse By Verse A Classic Evangelical Commentary:

Romans: Verse-By-Verse William R. Newell, 1938 A scholarly and analytical exposition of the text of Romans that is both practical and devotional

A Critical Examination of the Doctrine of Revelation in Evangelical Theology Carisa A. Ash, 2015-07-14 How God reveals himself is an important matter for Christians especially evangelicals For too long Carisa Ash contends evangelicals have rightly affirmed that God reveals through the created world but then they functionally neglect such revelation In this monograph Ash offers a corrective to this practice by presenting a theology of revelation that explores the commonalities between various forms of revelation world written and spoken word and Incarnate Word Particularly aimed at theologians interested in theological method Ash s study will also benefit people interested in faith and learning or interdisciplinary integration Ash argues that evangelicals must strive to align more closely their affirmations and their practice Her critique of current practices in theological method and integration along with the proposed theology of revelation are designed to help move the conversation forward

Romans Charles Hodge, 1994-04-15 For hundreds of years Christendom has been blessed with Bible commentaries written by great men of God highly respected for their godly walk and their insight into spiritual truth The Crossway Classic Commentaries present the very best work on individual Bible books carefully adapted for maximum understanding and usefulness for today s believers Perhaps there is no clearer and more systematic treatise on the gospel of Jesus Christ than that found in Paul s Epistle to the Romans Christian believers through the centuries have fed deeply on its themes of the sinfulness of man the richness of God s mercy the transforming power of Jesus Christ in the repentant life the believer s participation in the Savior s death and resurrection and the practical implications of spiritual truth for daily life This classic commentary is a treasure for all who desire a deeper walk with God Whether used for supplementary reading or for careful study it will prove profitable to every follower of Christ who avails himself or herself of its gems

Romans Gerald L. Bray, Thomas C. Oden, 2014-02-19 Collecting the best patristic homily and commentary on Romans and including valuable material translated into English for the first time editor Gerald Bray shows why this epistle of Paul has long been considered the theological high water mark of the New Testament

Commentaries on Romans, 1-2 Corinthians, and Hebrews Cyril, 2022-03-08 For the first time in English this ACT volume translates Cyril of Alexandria s surviving New Testament commentaries Abounding with insights from one of the most significant figures of the early church these commentaries explore themes such as the triune nature of God Christ s sacrificial death and justification and are essential tools for understanding Cyril s reading of Holy Scripture

Commentaries on Romans and 1-2 Corinthians Ambrosiaster, 2009-05-06 This Ancient Christian Texts volume translated and edited by Gerald L Bray is the first of two that will offer a first English translation of the anonymous fourth century commentary on the thirteen letters of Paul Widely viewed as one of the finest pre Reformation commentaries on the Pauline Epistles this commentary until the time of Erasmus was attributed to Ambrose The name Ambrosiaster Star of Ambrose seems to have been given to the anonymous

author of the work by its Benedictine editors 1686 1690 **Perseverance and Apostasy in the New Testament** Dongsu Kim, 2022-05-27 Perseverance and Apostasy in the New Testament thoroughly examines all the New Testament texts relevant to the controversial questions of whether a genuine believer can apostatize and or whether an apostate can be restored The primary contribution of the book lies in the in depth exegesis of the relevant New Testament Greek texts against the socio historical circumstances of each faith community in the New Testament The book inductively shows that the New Testament writers maintain a uniform perception on perseverance and apostasy based on Jesus words that bear upon the subject described in the Gospels It also illuminates questions of the relationship between God s sovereignty and human responsibility the role of the Holy Spirit for the believer s perseverance and the role of Satan for the apostates falling away The book is a needed addition to earlier works on perseverance and apostasy

ENDORSEMENTS The debate over the issues of perseverance and apostasy will likely remain in the church until the coming of Christ Many despair of ever coming to a definitive conclusion often contending that the biblical evidence is inconsistent and beyond resolution Don Kim s near exhaustive analysis of the relevant NT texts proves otherwise He is thoroughly conversant with virtually all contributors to this subject and his meticulous contribution will surely prove to be the standard for future dialogue Anyone who proposes to engage with this controversial matter cannot afford to overlook this remarkably helpful and insightful book Dr Sam Storms Lead Pastor of Bridgeway Church Oklahoma City Enjoying God Ministries Don Kim has written an amazingly thorough and careful study on perseverance and apostasy in the New Testament Scholars disagree on how to interpret these difficult passages but Kim defends well his own understanding and his important study will have to be reckoned with in future work on this controversial topic Dr Thomas R Schreiner James Buchanan Harrison Professor of New Testament Interpretation and Professor of Biblical Theology The Southern Baptist Theological Seminary Perseverance and Apostasy in the New Testament is a well executed and thorough examination of New Testament texts that bear upon or otherwise illuminate the difficult question of whether a true believer can apostatize The author neither avoids difficult questions nor skirts challenging texts Rather he carefully works his way through each relevant New Testament text s central exegetical questions offering judicious insights and integrating those insights into a collective explanation I found some of my own assumptions challenged while reading this book I am happy to recommend it as a helpful addition to and sometimes needed correction of earlier works on perseverance Dr Kenneth Berding Professor of New Testament Talbot School of Theology at Biola University Perseverance and Apostasy in the New Testament concentrates on the crucial questions of whether genuine believers in Jesus could apostatize and whether the NT presents a consistent picture on that very issue by providing a careful exegetical treatment of numerous passages across the New Testament beginning with the Synoptics and John s Gospel walking through Acts and the letters and completing with the book of Revelation One s theological presuppositions will of course affect how he she receives and responds to Kim s case It will also be unrealistic to expect even those agreeing passionately with Kim to concur on every

detail in a tome of this magnitude Yet undoubtedly Perseverance and Apostasy in the New Testament proves to be an essential reading for pastors and theological students who should wrestle with the issue of perseverance and apostasy and the relevant biblical texts to form their own conclusions This well written book will serve its readers effectively by sharpening or challenging their views if not both Dr John Lee Associate Professor of New Testament Midwestern Baptist Theological Seminary This substantial study by Dongsu Kim is a decisive demonstration of the historic doctrine of the perseverance of the saints taught and defended by the Reformed tradition Perseverance and Apostasy in the New Testament provides a thoroughly biblical and hermeneutically and canonically sensitive study Kim s exposition is scholarly rigorous and articulate He argues persuasively that the various biblical writers engagements with apostasy are consonant with the Scriptures declarations of divine sovereign grace in salvation Perseverance and apostasy in the New Testament is an extensive arsenal of biblical and theological insights that will be of value for exegetes and theologians alike Dr Peter A Lillback president Westminster Theological Seminary Philadelphia The Reformed doctrine of perseverance of the saints has recently been tremendously challenged and egregiously distorted For example the New Perspective on Paul has seriously rejected the traditional wisdom advocating revisions not only of the doctrine of perseverance but also justification In response to these criticisms challenges and distortions this book provides a most comprehensive and compelling antidote with profoundly detailed and meticulous exegetical engagements with the New Testament texts Dr Kim did an excellent job in presenting a powerful and persuasive case for God s gracious and faithful preservation of true believers in Christ This is a masterpiece and must read for anyone interested in Scripture s teachings about the ideas of perseverance and apostasy Dr Sung Wook Chung Professor of Christian Theology Denver Seminary Kim asks whether New Testament authors maintain a consistent theology of perseverance and apostasy or not Is it conceivable that divinely inspired authors contradict each other with different theologies of perseverance and apostasy Or must we admit they contradict each other and deny plenary verbal inspiration of Scripture Kim is fully aware that no scholar asks these questions without theological presuppositions which predetermine his answers He himself enters this hermeneutical circle with his own working definitions of perseverance and apostasy He challenges himself and his readers allow the New Testament itself to revise and refine our theological presuppositions and working definitions Kim is also aware of the error of selective evidence To avoid it he chooses passages from the entire New Testament that he deems critical to understanding the subject of perseverance and apostasy Kim s book is new essential reading for everybody who wants to formulate a comprehensive New Testament theology of perseverance and apostasy Dr Andrew D Parlee Professor of Systematic Theology Greater Europe Mission Thirdmill Seminary

And the Lamb Wins Simon Ponsonby, 2010-01-01 There is a growing collective interest in the end times But with that interest comes a barrage of confusing and sometimes misleading ideas and messages With so much available information how can we discern fact from fiction Pastor Simon Ponsonby takes an eye opening look at what the future holds Cutting through today s

cultural din Simon examines provocative topics including Biblical indicators of the end times The return of Jesus Christ The tribulation and the rapture Israel s place in the future The true role of the antichrist Simon examines each event through the lens of solid scripture and shares how we can realistically and positively react to these revelations in our daily life Most of all we ll find that whatever the future has in store our hope lies beyond this world Because no matter the end the lamb wins

Homilies on Numbers Origen,2025-07-29 Origen of Alexandria 185 254 one of the most prolific authors of antiquity and arguably the most important and influential pre Nicene Christian theologian was a man of deep learning and holiness of life Regrettably many of his works are no longer extant in part due to the condemnation of his ideas by the Fifth Ecumenical Council in 553 The condemnation however took little account of his historical circumstances and the tentative nature of his speculations The anathemas were more likely directed toward sixth century Origenist views than to the views of Origen himself though clearly he expounded some views that would be judged unacceptable today Origen s numerous homilies provide the oldest surviving corpus of Christian sermons and shaped exegesis for succeeding centuries With Jerome he was one of the early church s great critical and literal exegetes Devoutly he sought to develop a spiritual exegesis of the Old Testament grounded in the revelation of Jesus Christ The Homilies on Numbers presented here offer a splendid example of his spiritual interpretation of Old Testament texts He asks What foreshadowing what warning what instruction what encouragement reproof correction or exhortation do we find in the narratives of Numbers for our benefit as Christians Here based on Baehren s critical Latin text is the first English edition of these homilies ably translated with explanatory notes by Thomas P Scheck Ancient Christian Texts are new English translations of full length commentaries or sermon series from ancient Christian authors that allow you to study key writings of the early church fathers in a fresh way **Hebrews** William R. Newell,2005-01-01 A scholarly and analytical exposition of the text of Hebrews **Christian Theology** Adam Harwood,2022-10-19 The church has been entrusted with God s revelation and to steward the word of truth we must confess the Bible s teaching with clarity and conviction Adam Harwood s Christian Theology is both biblically faithful and historically informed providing a fresh synthesis of the essential doctrines of the faith Writing from a Baptist perspective Harwood brings fresh insights that many systematic theologies lack With readable prose suggestions for further study and discussion questions Christian Theology will equip students and pastors to clarify and articulate what they believe and why

Christian Workers' Commentary on the Old and New Testaments James Martin Gray,1915 Arranged in sections with questions for use at family alters and in adult Bible classes Containing homiletic and expository suggestions for young preachers **The Classical and Christian Origins of American Politics** Kody W. Cooper,Justin Buckley Dyer,2022-12-15 Shows how the American founding was deeply influenced by the classical Christian natural law tradition [American Book Publishing Record](#) ,1999 **The Cumulative Book Index** ,1913 *The United States Catalog* ,1913 *Christian Theology: The Classics* Stephen R Holmes,Shawn Bawulski,2014-04-16 Christian Theology The Classics is a vibrant

introduction to the most important works of theology in the history of Christian thought Exploring writings from the origins of Christianity to the present day it examines some of the most influential theologians of all time considering the context in which they were writing and the lasting significance of their work Covering thirty one theological classics such as Augustine of Hippo On the Trinity Martin Luther Commentary on Galatians John Calvin The Institutes of The Christian Religion Jonathan Edwards Religious Affections St Thomas Aquinas Summa Theologiae With a glossary and outlines of the key criticisms of each text this book is the perfect starting point for anyone interested in Theology and the history of Christian thought

The Pursuit of Belief - Christian Classics Collection Johann Wolfgang von Goethe, Martin Luther, Henryk Sienkiewicz, Dante Alighieri, Henry Van Dyke, David Hume, James Allen, Ralph Waldo Emerson, Andrew Murray, John Bunyan, Grace Livingston Hill, Thomas Paine, Voltaire, Lew Wallace, John Milton, Charles M. Emilie Cady, Gregory of Nyssa, Pope Gregory I, Athanasius of Alexandria, Basil the Great, John of Damascus, Brother Lawrence, Arthur Pink, St. Thomas Aquinas, St. Augustine, 2023-11-15 Immerse yourself in the profound tapestry of spiritual and philosophical inquiry with The Pursuit of Belief Christian Classics Collection This anthology offers a profound exploration of faith featuring an impressive spectrum of literary styles ranging from the epic poetry of Dante Alighieri to the incisive philosophical treatises of Nietzsche The collection presents an intriguing array of perspectives that grapple with the divine moral responsibility and human purpose Key pieces transport readers across epochs showcasing variegated dialogues on religious and existential themes that have reverberated throughout history The collection gathers a remarkable assembly of influential minds whose teachings and narratives have shaped Christian thought and beyond From the reformatory zeal of Martin Luther to the philosophical depth of St Thomas Aquinas and the rebellious existentialism of Dostoevsky each author contributes a unique voice crafting a multidimensional exploration of belief These works are rooted in diverse historical and cultural contexts aligning with significant movements such as the Reformation and Enlightenment providing a rich and layered understanding of the spiritual and intellectual evolution of Western thought Christian Classics Collection is more than a compilation it is an enlightening journey through the corridors of time This anthology offers readers a rare opportunity to engage with illustrious and timeless insights on faith and morality Whether you are a seasoned scholar or a curious seeker of wisdom this collection serves as an invaluable resource fostering reflection and dialogue across generations Discover its invaluable contributions to both personal and academic pursuits offering a treasure trove of spiritual and intellectual engagement within a single indispensable volume

Scripture, Cultures, and Criticism K. K. Yeo, 2022-08-23 This collection of nineteen representative essays is a Festschrift written by former colleagues and students in honor of Prof Dr Robert Jewett 1933 2020 and his legacy Our hope is that future generations of Bible readers will find this textbook on biblical interpretation helpful for navigating through the strong winds of exegetical theological and hermeneutical methods

Jewett's expansive research interests have inspired each author in this tribute volume each of whom has witnessed to the ways that helmsman Jewett has navigated through the often choppy ocean waters of biblical interpretation as well as the complex changing world of religion sacred texts films and popular culture psychology and sociology politics and Pauline studies Contributors Kathy Ehrensperger Brigitte Kahl Aliou C Niang Aida Besancon Spencer Lallene Rector T Christopher Hoklotubbe Najeeb T Haddad Robert K Johnston Frank Hughes Goh Menghun Hii Kong hock Lim Kar Yong Keith Burton Sheila McGinn Douglas Campbell Ellen Jewett William S Campbell Troy W Martin Zakali Shohe Christopher Deacy A Andrew Das Frederick Mawusi Amevenku Imitating Jesus Richard A. Burridge, 2007-10-22 In contrast to many studies of New Testament ethics which treat the New Testament in general and Paul in particular this book focuses on the person of Jesus himself Richard Burridge maintains that imitating Jesus means following both his words which are very demanding ethical teachings and his deeds and example of being inclusive and accepting of everyone Burridge carefully and systematically traces that combination of rigorous ethical instruction and inclusive community through the letters of Paul and the four Gospels treating specific ethical issues pertaining to each part of Scripture The book culminates with a chapter on apartheid as an ethical challenge to reading the New Testament using South Africa as a contemporary case study enables Burridge to highlight and further apply his previous discussion and conclusions
