The Road Home C.A. Portnellus, 2015-08-21 The sound was deafening Rolling thunder shook the

very ground he stood upon and then collapsed sending him flying Clouds of smoke and debris shrouded him for a time and then there he was as if the clouds parted and the very light of heaven shone upon him He was dead Screaming demons of war fought with the angels of peace for his soul clawing and pulling at him Elise Boulanger of Baton Rouge Louisiana awakens from a hellish and vivid dream Staff Sergeant Barton Barre is dead He is blown up on the battlefield somewhere in Europe She believes her beloved pen pal is lost to her any chance of further friendship or romance is gone For a time she silently suffers the reoccurring nightmares reluctant to confess to her family that the dreams could be real On the night of her debutante ball Elise discovers the truth She then bravely continues her life wearing the cloak of *jeu desprit* and a fake smile as if nothing has happened In this generational saga families and friends reunite in the final days of World War II and beyond This story captures the hearts of a courageous reluctant hero and a resilient lovely teen transforming them while they both fatefully seek to attain their dreams The Greatest Love Story Never Told Richard Orion, 2015-10-30 This story is based on a true love story that spanned almost two decades The names and places have been changed to protect the privacy of the individuals involved in this affair The chronological sequence of events has been maintained for continuity All the stories and experiences are based on facts This book is about a love story that was kept secret for 18 years and perhaps should've remained a secret The first book related to this love story was a book of poems entitled *Somewhere Sometime Somehow Love Poems and Short Stories* published in 2008 by this author and Xlibris For the perceptive reader of this book one can trace the ups and downs of our love relationship These 18 years were filled with robust love and passion for each other Perhaps it was fantasy perhaps it was the most real thing we will ever experience The heartbreaking part of this love affair is that I am not really sure my lover ever really understood or appreciated my profound and unconditional love for her I opened my heart to her through poetry and thoughtful letters but she rarely showed me what was in her heart Perhaps it was a one-sided love affair but I surely think and hope not I was convinced that she truly loved me through her words and actions At least I experienced a pure love that I had only dreamed was possible The story is told mainly through the exchange of letters and emails to each other Perhaps readers can experience and hopefully feel the deep love we felt for each other
