Romantic Fragment Poem A Critique Of A Form:

The Romantic Fragment Poem Marjorie Levinson, 2011-01-27 Romantic Fragment Poem A Critique of a Form **The Romantic Fragment Poem** Marjorie Levinson, 2017-11-01 The fragment poem long regarded as a peculiarly Romantic phenomenon has never been examined outside the context of thematic and biographical criticism By submitting the unfinished poems of the English Romantics to both a genetic investigation and a reception study Marjorie Levinson defines the fragment's formal character at various moments in its historical career She suggests that the formal determinacy of these works hence their expressive or semantic affinities is a function of historical conditions and projections The English Romantic fragment poems share not so much a particular mode of production as a myth of production Levinson pries apart these two dimensions and analyzes each independently to consider their relationship By reconstructing the contemporary reception of such works as Wordsworth's *Nutting* Coleridge's *Christabel* and *Kubla Khan* Shelley's *Julian and Maddalo* and Keats's *Hyperion* fragments and juxtaposing this model against dominant twentieth century critical paradigms Levinson discriminates layers phases and kinds of intentionality in the poems and considers the ideological implications of this diversity This study is the first to investigate the English Romantic fragment poem by identifying the assumptions contemporary and belated that govern interpretative procedures In a substantial summary chapter Levinson reflects upon the meaning and effects of these assumptions with respect to the facts and fictions of literary production in the period and to the processes of canon formation Originally published in 1986 A UNC Press Enduring Edition UNC Press Enduring Editions use the latest in digital technology to make available again books from our distinguished backlist that were previously out of print These editions are published unaltered from the original and are presented in affordable paperback formats bringing readers both historical and cultural value [The Poetics of Fragmentation in Contemporary British and American Fiction](#) Vanessa Guignery, Wojciech Drąg, 2019-12-02 The last decades have seen a revival of fragmentation in British and American works of fiction that deny linearity coherence and continuity in favour of disruption gaps and fissures Authors such as Ali Smith David Mitchell and David Shields have sought new ways of representing our global media saturated contemporary experience which differ from modernist and postmodernist experimentations from which the writers nevertheless draw inspiration This volume aims to investigate some of the most important contributions to fragmentary literature from British and American writers since the 1990s with a particular emphasis on texts released in the twenty first century The chapters within examine whether contemporary forms of literary fragmentation constitute a return to the modernist episteme or the fragmented literature of exhaustion of the 1960s mark a continuity with postmodernist aesthetics or signal a deviation from past models and an attempt to reflect today's accelerated culture of social media and over communication Contributors theorise and classify literary fragments examine the relationship between fragmentation and the *Zeitgeist* influenced by globalisation media saturation and social networks analyse the mechanics of multimodal and multimedial fictions and

consider the capacity of literary fragmentation to represent personal or collective trauma and to address ethical concerns They also investigate the ways in which the architecture of the printed book is destabilised and how aesthetic processes involving fragmentation bricolage and or collage raise ontological ethical and epistemological questions about the globalised contemporary world we live in and its relation to the self and the other Besides the aforementioned authors the volume makes reference to the works of J G Ballard Julian Barnes Mark Z Danielewski David Markson Jonathan Safran Foer David Foster Wallace Jeanette Winterson and several others

Coleridge and the Philosophy of Poetic Form Ewan James Jones, 2014-07-31 Ewan James Jones argues that Coleridge engaged most significantly with philosophy not through systematic argument but in verse Jones carries this argument through a series of sustained close readings both of canonical texts such as *Christabel* and *The Rime of the Ancient Mariner* and also of less familiar verse such as *Limbo* Such work shows that the essential elements of poetic expression a poem's metre rhythm rhyme and other such formal features enabled Coleridge to think in an original and distinctive manner which his systematic philosophy impeded Attentiveness to such formal features which has for some time been overlooked in Coleridge scholarship permits a rethinking of the relationship between eighteenth century verse and philosophy more broadly as it engages with issues including affect materiality and self identity Coleridge's poetic thinking Jones argues both consolidates and radicalises the current literary critical rediscovery of form

[The Cambridge Companion to Keats](#) Susan J. Wolfson, 2001-05-10 In *The Cambridge Companion to Keats* leading scholars discuss Keats's work in several fascinating contexts literary history and key predecessors Keats's life in London's intellectual aesthetic and literary culture and the relation of his poetry to the visual arts These specially commissioned essays are sophisticated but accessible challenging but lucid and are complemented by an introduction to Keats's life a chronology a list of contemporary people and periodicals a source reference for famous phrases and ideas articulated in Keats's letters a glossary of literary terms and a guide to further reading

[Epic](#) Herbert F. Tucker, 2012-11-29 Literary history has conventionally viewed Milton as the last real practitioner of the epic in English verse Herbert Tucker's spirited book shows that the British tradition of epic poetry was unbroken from the French Revolution to World War I

Utopia, Limited Anahid Nersessian, 2015-03-09 What is utopia if not a perfect impossible world Anahid Nersessian reveals the basic misunderstanding of that ideal Applying the lessons of art to the rigors of life on an imperiled planet she enlists the Romantics to redefine utopia as an investment in limitation not a perfect world but one where we get less than we hoped but more than we had

[Fracture and Fragmentation in British Romanticism](#) Alexander Regier, 2010-03-25 What associates fragmentation with Romanticism In this book Alexander Regier explains how fracture and fragmentation form a lens through which some central concerns of Romanticism can be analysed in a particularly effective way These categories also supply a critical framework for a discussion of fundamental issues concerning language and thought in the period Over the course of the volume Regier discusses fracture and fragmentation thematically and structurally offering new readings of Wordsworth

Kant Burke Keats and De Quincey as well as analysing central intellectual presuppositions of the period He also highlights Romanticism s importance for contemporary scholarship especially in the writings of Benjamin and de Man More generally Regier s discussion of fragmentation exposes a philosophical problem that lies behind the definition of Romanticism

Teaching Later British Literature Albert D. Pionke,2019-04-05 Designed for both first time teachers of survey courses in later British literature and more experienced instructors seeking a new way to approach familiar material Teaching Later British Literature seeks to recapture the interconnectedness within and among Romantic Victorian and Modern literature Focusing on some of the defining historical intellectual and artistic preoccupations that individual works explore in common with their literary peers the book also invites teachers to help their students to rethink the criteria by which periods are defined and to reconceive the relationship between texts written within these periods Teaching Later British Literature is suitable for reading alongside any of the anthologies used in courses that survey the second half of British literature from the advanced high school classroom to the lower division university lecture hall and seeks to complement their already robust content by offering teachers a synthetic and highly adaptable framework for guiding students through British literary history from the 1780s through the 1940s

The Neglected Shelley Alan M. Weinberg,Timothy Webb,2016-03-16 New editions and facsimiles of Percy Bysshe Shelley s works are changing the landscape of Shelley studies by making complete compositions and fragments that have received only limited critical attention readily available to scholars Building on the work begun in Weinberg and Webb s 2009 volume The Unfamiliar Shelley The Neglected Shelley sheds light on the breadth and depth of Shelley s oeuvre including the poet s earliest work written when he was not yet twenty and was experimenting with gothic romances and other striking forms of literary expression such as two collections of provocative verse There are discussions of Shelley s collaboration with Mary Shelley in the composition of Frankenstein and his skill as a translator of Greek poetry and drama reflecting his urgent concern with Greek culture His contributions to prose are the focus of essays on his letters the subversive notes to Queen Mab and his complex engagement with Jewish culture Shelley s considerable corpus of fragments is well represented in contributions on the later narrative fiction Athanase Prince Athanase and the significant group of unfinished poems including Mazenghi Fiordispina Ginevra and The Boat on the Serchio that treat Italian topics Finally there are explorations of subtle though neglected or underestimated works such as Rosalind and Helen The Sensitive Plant and the verse drama Hellas The Neglected Shelley shows that even the poet s apparently slighter works are important in their own right and are richly instructive as expressions of Shelley s developing art of composition and the diverse interests he pursued throughout his career

Unfinished Business Brian Gordon Kennelly,2023-11-20 This is the first study systematically to appraise Splendid s Elle and Le Bagne the three plays by Jean Genet published after his death both in the context of the dramatist s dramatic canon and with respect to one another After showing that their unusual publishing history necessarily sets these works apart from Haute surveillance Les Bonnes Le Balcon Les N gres and Les Paravents it argues that from

Splendid s to Le Bagne the question of incompleteness is exteriorized moving from a purely thematic to an increasingly formal context and that the status of each posthumously published work differs Splendid s is a completed play thematizing incompleteness Elle with its seemingly incomplete form having thematic currency is a properly unfinished play and as the intentionally fragmentary purposefully suspended beginning of a play Le Bagne is shaped by incompleteness

Encyclopedia of the Romantic Era 1760-1850 Christopher John Murray, 2013-05-13 In 850 analytical articles this two volume set explores the developments that influenced the profound changes in thought and sensibility during the second half of the eighteenth century and the first half of the nineteenth century The Encyclopedia provides readers with a clear detailed and accurate reference source on the literature thought music and art of the period demonstrating the rich interplay of international influences and cross currents at work and to explore the many issues raised by the very concepts of Romantic and Romanticism

Romanticism and Visuality Sophie Thomas, 2007-12-12 This book investigates the productive crosscurrents between visual culture and literary texts in the Romantic period focusing on the construction and manipulation of the visual the impact of new visual media on the literary and historical imagination and on fragments and ruins as occupying the shifting border between the visible and the invisible It examines a broad selection of instances that reflect debates over how seeing should itself be viewed instances from Daguerre s Diorama to the staging of Coleridge s play *Remorse* to the figure of the Medusa in Shelley s poetry and at the Phantasmagoria in which the very act of seeing is represented or dramatized In reconsidering literary engagements with the expanding visual field this study argues that the popular culture of Regency Britain reflected not just emergent and highly capitalized forms of mass entertainment but also a lively interest in the aesthetic and conceptual dimensions of looking What is commonly thought to be the Romantic resistance to the visible gives way to a generative fascination with the visual and its imaginative even spectacular possibilities

Poetics of Self and Form in Keats and Shelley Mark Sandy, 2017-03-02 Beginning with a reassessment of contemporary romantic studies this book provides a modern critical comparison of Keats and Shelley The study offers detailed close readings of a variety of literary genres including the romance lyric elegy and literary fragment adopted by Keats and Shelley to explore their poetic treatment of self and form The poetic careers of Keats and Shelley embrace a tragic affirmation of those darker elements latent in the earlier writings to meditate on their own posthumous reception and reputation Fresh readings of Keats and Shelley show how they conceive of the self as fictional and anticipate Nietzsche s modern theories of subjectivity Nietzsche s conception of the subject as a site of conflicting fictions usefully measures this emergent sense of poetic self and form in Keats and Shelley This Nietzschean perspective enriches our appreciation of the considerable artistic achievement of these two significant second generation romantic poets

Tragic Coleridge Chris Murray, 2016-02-24 To Samuel Taylor Coleridge tragedy was not solely a literary mode but a philosophy to interpret the history that unfolded around him *Tragic Coleridge* explores the tragic vision of existence that Coleridge derived from Classical drama Shakespeare Milton and contemporary

German thought Coleridge viewed the hardships of the Romantic period like the catastrophes of Greek tragedy as stages in a process of humanity's overall purification. Offering new readings of canonical poems as well as neglected plays and critical works, Chris Murray elaborates Coleridge's tragic vision in relation to a range of thinkers from Plato and Aristotle to George Steiner and Raymond Williams. He draws comparisons with the works of Blake, the Shelleys, and Keats to explore the factors that shaped Coleridge's conception of tragedy, including the origins of sacrifice, developments in Classical scholarship, theories of inspiration, and the author's quest for civic status. With cycles of catastrophe and catharsis everywhere in his works, Coleridge depicted the world as a site of tragic purgation and wrote himself into it as an embattled sage qualified to mediate the vicissitudes of his age.

The Encyclopedia of Romantic Literature, 3 Volume Set Frederick Burwick, Nancy Moore Goslee, Diane Long Hoeveler, 2012-01-30. The Encyclopedia of Romantic Literature is an authoritative three-volume reference work that covers British artistic, literary, and intellectual movements between 1780 and 1830 within the context of European transatlantic and colonial historical and cultural interaction. Comprises over 275 entries ranging from 1,000 to 6,500 words arranged in A-Z format across three fully cross-referenced volumes. Written by an international cast of leading and emerging scholars. Entries explore genre development in prose, poetry, and drama of the Romantic period; key authors and their works; and key themes. Also available online as part of the Wiley Blackwell Encyclopedia of Literature, providing 24/7 access and powerful searching, browsing, and cross-referencing capabilities.

[Watchwords](#) Lily Gurton-Wachter, 2016-03-23. This book revisits British Romanticism as a poetics of heightened attention. At the turn of the nineteenth century, as Britain was on the alert for a possible French invasion, attention became a phenomenon of widespread interest, one that aligned and distinguished an unusual range of fields, including medicine, aesthetics, theology, ethics, pedagogy, and politics. Within this wartime context, the Romantic aesthetic tradition appears as a response to a crisis in attention caused by demands on both soldiers and civilians to keep watch. Close formal readings of the poetry of Blake, Coleridge, Cowper, Keats, Charlotte Smith, and Wordsworth, in conversation with research into Enlightenment philosophy and political and military discourses, suggest the variety of forces competing for or commanding attention in the period. This new framework for interpreting Romanticism and its legacy illuminates what turns out to be an ongoing tradition of war literature that, rather than give testimony to or represent warfare, uses rhythm and verse to experiment with how and what we attend to during times of war.

Engaging the Ottoman Empire Daniel O'Quinn, 2019-01-25. Daniel O'Quinn investigates the complex interpersonal, political, and aesthetic relationships between Europeans and Ottomans in the long eighteenth century. Bookmarking his analysis with the conflict leading to the 1699 Treaty of Karlowitz on one end and the 1815 bid for Greek independence on the other, he follows the fortunes of notable British, Dutch, and French diplomats to the Sublime Porte of the Ottoman Empire as they lived and worked according to the capitulations surrendered to the Sultan. Closely reading a mixed archive of drawings, maps, letters, dispatches, memoirs, travel narratives, engraved books, paintings, poems, and architecture, O'Quinn demonstrates the extent to

which the Ottoman state was not only the subject of historical curiosity in Europe but also a key foil against which Western theories of governance were articulated Juxtaposing narrative accounts of diplomatic life in Constantinople such as those contained in the letters of Lady Mary Wortley Montagu wife of the English ambassador with visual depictions such as those of the costumes of the Ottoman elite produced by the French Flemish painter Jean Baptiste Vanmour he traces the dissemination of European representations and interpretations of the Ottoman Empire throughout eighteenth century material culture In a series of eight interlocking chapters O Quinn presents sustained and detailed case studies of particular objects personalities and historical contexts framing intercultural encounters between East and West through a set of key concerns translation mediation sociability and hospitality Richly illustrated and provocatively argued *Engaging the Ottoman Empire* demonstrates that study of the Ottoman world is vital to understanding European modernity

Pushkin's Lyric Intelligence Andrew Kahn, 2012-05-31 Pushkin's lyric intelligence is his capacity to transform philosophical and aesthetic ideas into poetry that questions the creative process This first major study of his lyrics reveals the links between Pushkin's conceptual vocabulary and his intellectual life and between his writing and the influences of French and English authors and movements

When Fiction Feels Real Elaine Auyoung, 2018-10-24 Why do readers claim that fictional worlds feel real How can certain literary characters seem capable of leading lives of their own outside the stories in which they appear What makes the experience of reading a novel uniquely pleasurable and what do readers lose when this experience comes to an end Since their first publication nineteenth century realist novels like *Pride and Prejudice* and *Anna Karenina* have inspired readers to describe literary experience as gaining access to vibrant fictional worlds and becoming friends with fictional characters While this effect continues to be central to the experience of reading realist fiction and later works in this tradition the capacity for novels to evoke persons and places in a reader's mind has often been taken for granted and even dismissed as a naive phenomenon unworthy of critical attention *When Fiction Feels Real* provides literary studies with new tools for thinking about the phenomenology of reading by bringing narrative techniques into conversation with psychological research on reading and cognition Through close readings of classic novels by Jane Austen Charles Dickens George Eliot and Leo Tolstoy and the elegies of Thomas Hardy Elaine Auyoung reveals what nineteenth century writers know about how reading works Building on well established research on the mind Auyoung exposes the underpinnings of the seemingly impossible achievement of realist fiction introducing new perspectives on narrative theory mimesis and fictionality *When Fiction Feels Real* changes the way we think about literary language realist aesthetics and the reading process opening up a new field of inquiry centered on the relationship between fictional representation and comprehension

Right here, we have countless books **Romantic Fragment Poem A Critique Of A Form** and collections to check out. We additionally pay for variant types and along with type of the books to browse. The adequate book, fiction, history, novel, scientific research, as capably as various supplementary sorts of books are readily clear here.

As this Romantic Fragment Poem A Critique Of A Form, it ends taking place mammal one of the favored ebook Romantic Fragment Poem A Critique Of A Form collections that we have. This is why you remain in the best website to see the incredible ebook to have.

Romantic Fragment Poem A Critique Of A Form Introduction

In today's digital age, the availability of Romantic Fragment Poem A Critique Of A Form books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of Romantic Fragment Poem A Critique Of A Form books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of Romantic Fragment Poem A Critique Of A Form books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing Romantic Fragment Poem A Critique Of A Form versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, Romantic Fragment Poem A Critique Of A Form books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing Romantic Fragment Poem A Critique Of A Form books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for Romantic Fragment Poem A Critique Of A Form books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to

borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, Romantic Fragment Poem A Critique Of A Form books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of Romantic Fragment Poem A Critique Of A Form books and manuals for download and embark on your journey of knowledge?

FAQs About Romantic Fragment Poem A Critique Of A Form Books

1. Where can I buy Romantic Fragment Poem A Critique Of A Form books? Bookstores: Physical bookstores like Barnes & Noble, Waterstones, and independent local stores. Online Retailers: Amazon, Book Depository, and various online bookstores offer a wide range of books in physical and digital formats.
2. What are the different book formats available? Hardcover: Sturdy and durable, usually more expensive. Paperback: Cheaper, lighter, and more portable than hardcovers. E-books: Digital books available for e-readers like Kindle or software like Apple Books, Kindle, and Google Play Books.
3. How do I choose a Romantic Fragment Poem A Critique Of A Form book to read? Genres: Consider the genre you enjoy (fiction, non-fiction, mystery, sci-fi, etc.). Recommendations: Ask friends, join book clubs, or explore online reviews and recommendations. Author: If you like a particular author, you might enjoy more of their work.
