With nowhere else to go, will she find herself back in the very place she vowed never to return? *Jeremy* is living the dream: traveling the globe, raking in cash, taking the fine art world by storm, and his new book is a runaway best seller. Everything is smooth sailing, just how it's always been, until the day a scandal breaks and everything he's worked for starts to fray at the seams. The one thing that could make it worse? His ex-wife moving into his house. As they work to rebuild their lives, will their already rocky relationship destroy any chance of finding happiness?
