Romantic Irish Landscapes:

Romantic Irish Landscapes Iain Zaczek, 1998 A pictorial celebration of Ireland's most beautiful landscapes Explores Ireland's legendary landmarks and sacred sites Jacket *Romantik* Karina Lykke Grand, Lis Møller, Robert W. Rix, Anna Lena Sandberg, 2014-01-17 The articles in this second issue of *Romantik Journal* for the Study of Romanticisms demonstrate the crucial role of emergent regionalism and nationalism within the Romantic movement However the contributors also explore how the transmission of ideas and inspiration took place across national as well as linguistic boundaries and how knowledge was transferred from one domain of knowledge to another The articles provide a new map of such cultural exchanges in the Romantic era and the multiplicity of agencies that made them possible *Romantik* continues to locate the plurality of European Romanticisms within a comprehensive and multilingual context **The Encyclopedia of Romantic Literature, 3 Volume Set** Frederick Burwick, Nancy Moore Goslee, Diane Long Hoeveler, 2012-01-30 The *Encyclopedia of Romantic Literature* is an authoritative three volume reference work that covers British artistic literary and intellectual movements between 1780 and 1830 within the context of European transatlantic and colonial historical and cultural interaction Comprises over 275 entries ranging from 1 000 to 6 500 words arranged in A Z format across three fully cross referenced volumes Written by an international cast of leading and emerging scholars Entries explore genre development in prose poetry and drama of the Romantic period key authors and their works and key themes Also available online as part of the Wiley Blackwell *Encyclopedia of Literature* providing 24/7 access and powerful searching browsing and cross referencing capabilities **An Irish Empire?** Keith Jeffery, 1996 Eight essays examine the experience and role of the Irish in the British empire during the 19th and 20th centuries based on the understanding that Ireland being less integrated it differed from that of the other Celtic nations submerged in the United Kingdom They discuss film sport India the Irish military tradition Irish unionists Empire Day in Ireland from 1896 to 1962 Northern Irish businessmen and Ulster resistance and loyalist rebellion Distributed in the US by St Martin's Press Annotation copyright by Book News Inc Portland OR 'An Irish empire' Sally Visick, 2017-03-01 The notion that the British Empire was in any way an Irish Empire is not one that will cut very much ice on the contemporary island of Ireland north or south This volume explores aspects of the experience of Ireland and Irish people within the British Empire and addresses a central concern of modern Irish scholarship The paradox that Ireland was both imperial and colonial lies at the heart of this book One of the themes which emerges from the studies in this book is the irrelevance of the Empire to some Irish concerns Popular culture sport and film are investigated as well as business history and the military and political sinews of Empire In cinematic terms the image of Ireland has been largely in the hands of the British and American film industries Analogies between Ulster loyalists and zealous British settlers are frequently drawn The book examines the views of that region's businessmen on the British Empire including their perception of Empire the role of Empire as an economic unit and views the status of Northern Ireland within the Empire The eventual choice of both flags illustrates that

pre partition strands of both loyalism and Unionism continued to survive among leading politicians within Ulster during the 1920s The British Empire Union of 1915 established to make the Irish more Empire minded included the energetic promotion of imperial history in schools and of the idea of Empire Day within the population as a whole Romantic Ireland Milburg Francisco Mansfield, Blanche McManus Mansfield, Blanche McManus, 1904 Four Irish Landscape Painters Thomas Bodkin, 1920 *Family Romance* John Lanchester, 2008-01-29 The author of *The Debt to Pleasure* digs into his family's extraordinary past in a memoir as enthralling as his finest fiction It was only when his mother died that John Lanchester realized how little he really knew about his parents With the cache of letters and papers she left behind he set out to reconstruct just who his parents had been In doing so he did much more than trace the remarkable story of a reluctant international banker a secretive former nun and the life they shared he also gained extraordinary insight into his own nature and a deeper understanding of the universal push pull of family love and family loss Part detective work part evocation of character this is above all compelling storytelling **Romantic Ireland** Francis Miltoun, 1913 **Films and British National Identity** Jeffrey Richards, 1997-09-15 This book seeks to examine the ways in which the cinema has defined mythified and disseminated British national identity during the course of the twentieth century It takes the form of a series of linked essays which examine chronologically thematically and by specific case studies of films stars and genres the complexities and ambiguities in the process of evolution and definition of the national identity It argues for the creation of a distinctive British national identity both in cinema and the wider culture But it also assesses the creation of alternative identities both ethnic and regional and examines the interaction of cinema and other cultural forms music literature and television **Cinema and Ireland** Kevin Rockett, Luke Gibbons, John Hill, 2014-01-21 This was the first comprehensive study of film production in Ireland from the silent period to the present day and of representations of Ireland and Irishness in native British and American films It remains an authority on the topic The book focuses on Irish history and politics to examine the context and significance of such films as *Irish Destiny* *The Quiet Man* *Ryan's Daughter* *Man of Aran* *Cal* *The Courier* and *The Dead* **Romantic Ireland; Volume 1/2** Milburg Francisco Mansfield, Blanche McManus, 2017-05-28 Medieval Romance and Material Culture Nicholas Perkins, 2015 Studies of how the physical manifests itself in medieval romance and medieval romances as objects themselves Medieval romance narratives glitter with the material objects that were valued and exchanged in late medieval society lovers rings and warriors swords holy relics and desirable or corrupted bodies Romance however is also a genre in which such objects make meaning on numerous levels and not always in predictable ways These new essays examine from diverse perspectives how romances respond to material culture but also show how romance as a genre helps to constitute and transmit that culture Focusing on romances circulating in Britain and Ireland between the twelfth and sixteenth centuries individual chapters address such questions as the relationship between objects and protagonists in romance narrative the materiality of male and female bodies the interaction between visual and verbal

representations of romance poetic form and manuscript textuality and how a nineteenth century edition of medieval romances provoked artists to homage and satire

The Prince I Love to Hate Iris Morland, 2021-05-04 The Prince I Love to Hate is an absolute must read This romcom will have you rooting for Niamh and Olivier right from their hilarious first meeting Harlequin Junkie Blog top pick This prince He's anything but charming I've never been the girl who's dreamt of a prince rescuing me from a fire breathing dragon before whisking me away to his castle So when I fly all the way to Ireland to find my long lost dad I have no intention of playing the damsel in distress to some dude But the night I encounter and accidentally wallop upside the head Prince Olivier of Salasia my plans are completely upended This prince is the opposite of charming though After thirty seconds in his presence I want to feed him to a dragon But fate is a fickle bitch Before I know it I agree to team up with Olivier in the search for my dad As I travel across Europe with this actual honest to god prince I wonder what's the worst that could happen It's not like I'll be stupid enough to fall in love with Prince Charming

The Lost Worlds of John Ford Jeffrey Richards, 2020-02-20 The great director John Ford 1894-1973 is best known for classic westerns but his body of work encompasses much more than this single genre Jeffrey Richards develops and broadens our understanding of Ford's film making oeuvre by studying his non Western films through the lens of Ford's life and abiding preoccupations Ford's other cinematic worlds included Ireland the Family Catholicism War and the Sea which share with his westerns the recurrent themes of memory and loss the plight of outsiders and the tragedy of family breakup Richards revisionist study both provides new insights into familiar films such as The Fugitive 1947 The Quiet Man 1952 Gideon's Way and The Informer 1935 and reclaims neglected masterpieces among them Wee Willie Winkie 1937 and the extraordinary The Long Voyage Home 1940

The Gothic Family Romance Margot Gayle Backus, 1999 Uses 19th and 20th century Irish Gothic literary texts to argue that capitalism the nuclear patriarchal family and Protestantism coincided with and reinforced the conditions for the plantation of Ireland and the colonization which followed

Modernism, Romance and the Fin de Siècle Nicholas Daly, 2000-02-10 In Modernism Romance and the Fin de Siècle Nicholas Daly explores the popular fiction of the romance revival of the late Victorian and Edwardian years focusing on the work of such authors as Bram Stoker H Rider Haggard and Arthur Conan Doyle Rather than treating these stories as

Victorian Gothic Daly locates them as part of a popular modernism Drawing on work in cultural studies this book argues that the vampires mummies and treasure hunts of these adventure narratives provided a form of narrative theory of cultural change at a time when Britain was trying to accommodate the new imperialism the rise of professionalism and the expansion of consumerist culture Daly s wide ranging study argues that the presence of a genre such as romance within modernism should force a questioning of the usual distinction between high and popular culture **Handbook of British**

Romanticism Ralf Haekel,2017-09-11 The Handbook of British Romanticism is a state of the art investigation of Romantic literature and theory a field that probably changed more quickly and more fundamentally than any other traditional era in literary studies Since the early 1980s Romantic studies has widened its scope significantly The canon has been expanded hitherto ignored genres have been investigated and new topics of research explored After these profound changes intensified by the general crisis of literary theory since the turn of the millennium traditional concepts such as subjectivity imagination and the creative genius have lost their status as paradigms defining Romanticism The handbook will feature discussions of key concepts such as history class gender science and the use of media as well as a thorough account of the most central literary genres around the turn of the 19th century The focus of the book however will lie on a discussion of key literary texts in the light of the most recent theoretical developments Thus the Handbook of British Romanticism will provide students with an introduction to Romantic literature in general and literary scholars with a discussion of innovative and groundbreaking theoretical developments *The gothic novel in Ireland, c. 1760-1829* Christina Morin,2018-05-11 This electronic version has been made available under a Creative Commons BY NC ND open access license The gothic novel in Ireland c 1760 1829 offers a compelling account of the development of gothic literature in late eighteenth and early nineteenth century Ireland Countering traditional scholarly views of the rise of the gothic novel on the one hand and on the other Irish Romantic literature this study persuasively re integrates a body of now overlooked works into the history of the literary gothic as it emerged across Ireland Britain and Europe between 1760 and 1829 Its twinned quantitative and qualitative analysis of neglected Irish texts produces a new formal generic and ideological map of gothic literary production in this period persuasively positioning Irish works and authors at the centre of a new critical paradigm with which to understand both Irish Romantic and gothic literary production
