Romanticism Pragmatism And Deconstruction

Christopher John Murray

Romanticism Pragmatism And Deconstruction:

Romanticism, Pragmatism, and Deconstruction Kathleen M. Wheeler,1993-01-01 *Romanticism, Pragmatism and Deconstruction* Kathleen Wheeler,1993-12-08 This book is an examination of three major literary critical and philosophical movements in European and Anglo American literature It aims to show their differences often pointed out and their similarities never yet demonstrated and to make accessible recent post structuralist theory In particular it offers an introductory exposition of American pragmatism whose insights into language and philosophy are discussed in relation both to Coleridge and to Derrida while Derrida s writings are related both to romanticism and pragmatism *Romanticism: Romanticism, belief, and philosophy* Michael O'Neill,Mark Sandy,2006 **The Romanticism Handbook** Sue Chaplin,Joel Faflak,2011-03-10 A one stop resource containing introductory material through to practical case studies in reading primary and secondary texts to introducing criticism and new directions in research **Coleridge and the Psychology of Romanticism** D. Vallins,2016-06-07 In addition to being the leading philosopher of English Romanticism and one of its greatest poets Coleridge explores the dynamics of consciousness and mental functioning more extensively than any of his contemporaries This book compares his psychological theories with his diverse exemplifications of Romanticism s self reflexive quest for transcendence showing how he continually highlights the circular and mutual influence of ideas and emotions underlying Romantic idealism and the cult of the sublime [Encyclopedia of the Romantic Era 1760-1850](#) Christopher John Murray,2013-05-13 In 850 analytical articles this two volume set explores the developments that influenced the profound changes in thought and sensibility during the second half of the eighteenth century and the first half of the nineteenth century The Encyclopedia provides readers with a clear detailed and accurate reference source on the literature thought music and art of the period demonstrating the rich interplay of international influences and cross currents at work and to explore the many issues raised by the very concepts of Romantic and Romanticism **Routledge Library Editions: Romanticism** Various,2021-08-05 This set reissues 28 books on Romanticism originally published between 1940 and 2006 Routledge Library Editions Romanticism provides an outstanding collection of scholarship which explores not only Romantic literature but the Romantic Movement as a whole including art philosophy and science **Romanticism, Hermeneutics and the Crisis of the Human Sciences** Scott Masson,2017-11-28 The human sciences established and developed in the nineteenth century have slowly disintegrated It is an ironic end It was in the name of the greater legitimacy of more universal psychological criteria that its architects disavowed the traditional theological standard for valuing and evaluating human words and deeds With hindsight we can see that universality was indeed gained but only at the cost of alienating any sense of common legitimacy Harold Bloom defending the canon largely in the humanising moral sense convention of critics operating since Matthew Arnold has resolutely maintained the common legitimacy of aesthetic value against the claims of particular interest groups But the very universality attached to aesthetic value is at odds with the world of common sense and thus lies

at the root of the problem To complicate matters this universality has been understood as a traditional criterion A more radical treatment of the subject is needed This study begins by surveying the field of modern hermeneutics Noting its repeated crises of self legitimisation it traces these to circular beliefs bequeathed by Romanticism that human nature is self begetting and can thus be known intimately and autonomously After providing a historical overview of how human nature had been understood the focus shifts to the attack in Coleridge s *Biographia Literaria* on Wordsworth s 1802 Preface to *Lyrical Ballads* and to a reading of some key Romantic texts It reads Coleridge s famous definition of the imagination as an attack on Romantic hermeneutics rooted in the traditional view that man has been created in *Imago Dei*

Romantic Organicism C. Armstrong, 2003-06-24 Romantic Organicism attempts to reassess the much maligned and misunderstood notion of organic unity Following organicism from its crucial radicalisation in German Idealism it shows how both Coleridge and Wordsworth developed some of their most profound ideas and poetry on its basis Armstrong shows how the tenets and ideals of organicism despite much criticism remain an insistent if ambivalent backdrop for much of our current thought including the work of Derrida amongst others

Reading, Writing, and Romanticism Lucy Newlyn, 2003 Bridging the gulf between materialist and idealist approaches this study informed by an historical awareness of Romantic hermeneutics and its later developments examines how readers are imagined addressed and figured in Romantic poetry

Fracture and Fragmentation in British Romanticism Alexander Regier, 2010-03-25 This book explains why fracture and fragmentation are two critical concepts that are particularly suited to understanding what is special about Romanticism The book also discusses how Romanticism comes to be both an historical as well as a philosophical category and offers new readings of key Romantic writers

Romanticism and the Re-Invention of Modern Religion Alexander J. B. Hampton, 2019-01-17 The fundamental concern of Romanticism which brought about its inception determined its development and set its end was the need to create a new language for religion

The Romanticism of Contemporary Theory Justin Clemens, 2017-03-02 Using Phillipe Lacoue Labarthe and Jean Luc Nancy s groundbreaking study of the persistence of German Idealist philosophy as his starting point Justin Clemens presents a valuable study of the links between Romanticism and contemporary theory The central contention of this book is that contemporary theory is still essentially Romantic despite all its declarations to the contrary and despite all its attempts to elude or exceed the limits bequeathed it by Romantic thought The argument focuses on the ruses of Romanticism s indefinable character under two main rubrics Contexts and Interventions The first three chapters investigate Contexts examining some of the broad trends in the historical and institutional development of Romantic criticism the second section Interventions comprises close readings of the work of Jacques Lacan Gilles Deleuze and Félix Guattari Eve Kosofsky Sedgwick Ian Hunter and Alain Badiou In the first chapter Clemens identifies and traces the development of two interlocking recurrent themes in Romantic criticism the Romantic desire to escape Romanticism and the problem posed to aesthetico philosophical thought by the modern domiciliation of philosophy in the university He develops

these themes in the second chapter by examining the link forged between aesthetics and the subject in the work of Immanuel Kant In the third chapter Clemens shows how the Romantic problems of the academic institution and aesthetics were effectively bound together by the philosophical diagnosis of nihilism Chapter Four focuses on two key moments in the work of Jacques Lacan his theory of the mirror stage and his formulas of sexuation and demonstrates how Lacan returns to the grounding claims of Kantian aesthetics in such a way as to render him complicit with the Romantic thought he often seems to contest In the following chapter taking Deleuze and Guattari s notion of multiplicity as a guiding thread Clemens links their account to their professed anti Platonism showing how they find themselves forced back onto emblematically Romantic arguments Chapter Six provides a close reading of Sedgwick s most influential text *Epistemology of the Closet* Clemens reading localizes her practice both in the newly consolidated academic field of Queer Theory and in a conceptual genealogy whose roots can be traced back to a particular anti Enlightenment strain of Romanticism Clemens next turns to the professedly anti Romantic arguments of Ian Hunter a major figure in the ongoing re writing of modern histories of education In the final chapter he examines the work of the contemporary French philosopher Alain Badiou Clemens argues that if Badiou s hostility to the diagnosis of nihilism his return to Plato and mathematics and his expulsion of poetry from philosophical method all place him at a genuine distance from dominant Romantic trends even this attempt admits ciphered Romantic elements This study will be of interest to literary theorists philosophers political theorists and cultural studies scholars

Third Agents Ian Cooper, Ekkehard Knörer, Bernhard Malkmus, 2021-01-20 *Third Agents* Secret Protagonists of the Modern Imagination brings together a varied and fascinating range of contributions to explore the role of third agents in the post Enlightenment literary imagination including modern narratives such as film It centres on the figure of the third conceived imaginatively as a liminal agent transgressing social cultural and spatio temporal boundaries and conceptually as the vital yet often problematic element in theories of discourse that seek to operate beyond binary codes of meaning This figure is revealed to be a secret protagonist of modernity neglected by and eluding the scope of existing intellectual and literary histories Contributors to this volume are drawn from diverse theoretical backgrounds encompassing work in dialectics psychoanalysis and systems theory Through their focus on literature and media they seek to understand how those conceptions of the third relate to imaginative figurations This volume offers the first comprehensive account of third agency in modern literature and its intellectual and imaginative pre history It provides an accessible combination of close readings and theoretical reflection presenting figures who inhabit in between territories such as the adventurer the bastard the priest the angel the adulterer the poet and the outcast These figures are read as protagonists in a genealogy of modernity that has not yet been written The essays here also provide fascinating answers as to why these secret protagonists often became major figures in modern philosophy and literary theory and give new insights into such writers as Benjamin Barthes and Derrida

The Unfamiliar Shelley Timothy Webb, 2016-12-05 Stimulated by new editions of Shelley s writings and the

evidence of notebooks the editors have assembled an outstanding group of international Shelley scholars to work through the implications of recent advances in scholarship With particular attention to texts that have been neglected or underestimated the contributors consider many important aspects of Shelley s prolific and remarkably diverse output including the verse letter plays prose essays satire pamphlets political verse romance prefaces translations from the Greek prose style artistic representations fragments and early writings Revaluations of Shelley s youthful works often criticized for their over exuberance pay dividends as they reveal Shelley s early maturation as a writer and also shed light on his later achievement Taken as a whole the collection makes evident that Shelley s reputation has been based largely on surprisingly imperfect and incomplete edited publications driven by Victorian taste and culture A writer very different from the one we thought we knew emerges from these essays which are sure to inspire more reappraisals of Shelley s work

Shandean Humour in English and German Literature and Philosophy James Vigus,2017-12-02 One of many writers inspired by Laurence Sterne s Tristram Shandy the German novelist Jean Paul Richter coined the term Shandean humour in his work of aesthetic theory The essays in this volume investigate how Sterne s humour functions the reasons for its enduring appeal and what role it played in identity construction and in the representation of melancholy In tracing its hitherto under recognised impact both on literary writers such as Jean Paul and Herman Melville and on philosophers including Hegel and Marx the collection reveals that Shandean humour is a Grenzganger a point of commerce not only between Anglophone and German discourses but also between literature and philosophy Klaus Vieweg is Professor of Philosophy at the Friedrich Schiller University of Jena James Vigus is postdoctoral research fellow at the Department of English and American Studies Ludwig Maximilian University of Munich Kathleen M Wheeler is Reader in English Literature at the University of Cambridge

Poetics of Self and Form in Keats and Shelley Mark Sandy,2017-03-02 Beginning with a reassessment of contemporary romantic studies this book provides a modern critical comparison of Keats and Shelley The study offers detailed close readings of a variety of literary genres including the romance lyric elegy and literary fragment adopted by Keats and Shelley to explore their poetic treatment of self and form The poetic careers of Keats and Shelley embrace a tragic affirmation of those darker elements latent in the earlier writings to meditate on their own posthumous reception and reputation Fresh readings of Keats and Shelley show how they conceive of the self as fictional and anticipate Nietzsche s modern theories of subjectivity Nietzsche s conception of the subject as a site of conflicting fictions usefully measures this emergent sense of poetic self and form in Keats and Shelley This Nietzschean perspective enriches our appreciation of the considerable artistic achievement of these two significant second generation romantic poets

Analytic Philosophy and the Critical Reception of John Dewey's Pragmatic Philosophy Martin Ejning Christensen,2025-06-06 This book examines the critical reception of Dewey s pragmatic philosophy by six prominent analytic philosophers and relates it to the contested history of analytic philosophy and Deweyan pragmatism It argues that analytic philosophers critical reception of Dewey s pragmatist philosophy has from the

very beginning been marred by externalist readings that do not engage with Dewey's thinking from the inside and suggests that this throws doubt upon the new revisionary histories of analytic philosophy and Deweyan pragmatism according to which the marginalization of Dewey's pragmatism represents the sensible result of critical processes of reasoning. At the same time however the book also points out that Dewey and his analytic critics in fact share several worries and suggests that these common concerns might serve as points of reference for more fruitful dialogues across the traditions of analytic philosophy and Deweyan pragmatism in the future.

Contingency Blues Paul Jay, 1997-04-01 From Emerson to Rorty American criticism has grappled in one way or another with the problem of modernity specifically how to determine critical and cultural standards in a world where every position seems the product of an interpretation. Part intellectual history part cultural critique this provocative book is an effort to shake American thought out of the grip of the nineteenth century and out of its contingency blues. Paul Jay focuses his analysis on two strands of American criticism. The first which includes Richard Poirier and Giles Gunn has attempted to revive what Jay insists is an anachronistic pragmatism derived from Emerson James and Dewey. The second represented most forcefully by Richard Rorty tends to reduce American criticism to a metadiscourse about the contingent grounds of knowledge. In chapters on Emerson Whitman Santayana Van Wyck Brooks Dewey and Kenneth Burke Jay examines the historical roots of these two positions which he argues are marked by recurrent attempts to reconcile transcendentalism and pragmatism. A forceful rejection of both kinds of revisionism *Contingency Blues* locates an alternative in the work of the border studies critics those who give our interest in contingency a new more concrete form by taking a more historical cultural and anthropological approach to the invention of literature subjectivity community and culture in a pan American context.

Works about John Dewey, 1886-2012 Barbara Levine, 2013-11-05 *Works of John Dewey 1886-2012* is an invaluable and meticulously compiled resource for the growing number of scholars and researchers seeking a deeper understanding of the work of the prominent American philosopher psychologist and educational reformer Dewey 1859-1952 an influential philosopher credited with the founding of pragmatism and also recognized as a pioneer in functional psychology and the progressive moment in education was hailed by Life magazine in 1990 as one of the one hundred most important Americans of the twentieth century. This rich and continually expanding compendium of historical and more recent essays research and references is a testament to the growing interest in Dewey's intellectual work and his measurable impact in the United States and throughout the world. In *Works of John Dewey 1886-2012* some four thousand new entries are presented in ebook format in addition to those from earlier print and electronic editions dating back to 1995. Copies of most of the works have been obtained and are stored at the Center for Dewey Studies. For the first time users can access all items from all editions in one user friendly format. Jump links to alphabetical sections facilitate movement through the vast collection of entries. Users can search by keyword and author.

Romanticism Pragmatism And Deconstruction Introduction

In this digital age, the convenience of accessing information at our fingertips has become a necessity. Whether its research papers, eBooks, or user manuals, PDF files have become the preferred format for sharing and reading documents. However, the cost associated with purchasing PDF files can sometimes be a barrier for many individuals and organizations. Thankfully, there are numerous websites and platforms that allow users to download free PDF files legally. In this article, we will explore some of the best platforms to download free PDFs. One of the most popular platforms to download free PDF files is Project Gutenberg. This online library offers over 60,000 free eBooks that are in the public domain. From classic literature to historical documents, Project Gutenberg provides a wide range of PDF files that can be downloaded and enjoyed on various devices. The website is user-friendly and allows users to search for specific titles or browse through different categories. Another reliable platform for downloading Romanticism Pragmatism And Deconstruction free PDF files is Open Library. With its vast collection of over 1 million eBooks, Open Library has something for every reader. The website offers a seamless experience by providing options to borrow or download PDF files. Users simply need to create a free account to access this treasure trove of knowledge. Open Library also allows users to contribute by uploading and sharing their own PDF files, making it a collaborative platform for book enthusiasts. For those interested in academic resources, there are websites dedicated to providing free PDFs of research papers and scientific articles. One such website is Academia.edu, which allows researchers and scholars to share their work with a global audience. Users can download PDF files of research papers, theses, and dissertations covering a wide range of subjects. Academia.edu also provides a platform for discussions and networking within the academic community. When it comes to downloading Romanticism Pragmatism And Deconstruction free PDF files of magazines, brochures, and catalogs, Issuu is a popular choice. This digital publishing platform hosts a vast collection of publications from around the world. Users can search for specific titles or explore various categories and genres. Issuu offers a seamless reading experience with its user-friendly interface and allows users to download PDF files for offline reading. Apart from dedicated platforms, search engines also play a crucial role in finding free PDF files. Google, for instance, has an advanced search feature that allows users to filter results by file type. By specifying the file type as "PDF," users can find websites that offer free PDF downloads on a specific topic. While downloading Romanticism Pragmatism And Deconstruction free PDF files is convenient, its important to note that copyright laws must be respected. Always ensure that

the PDF files you download are legally available for free. Many authors and publishers voluntarily provide free PDF versions of their work, but its essential to be cautious and verify the authenticity of the source before downloading Romanticism Pragmatism And Deconstruction. In conclusion, the internet offers numerous platforms and websites that allow users to download free PDF files legally. Whether its classic literature, research papers, or magazines, there is something for everyone. The platforms mentioned in this article, such as Project Gutenberg, Open Library, Academia.edu, and Issuu, provide access to a vast collection of PDF files. However, users should always be cautious and verify the legality of the source before downloading Romanticism Pragmatism And Deconstruction any PDF files. With these platforms, the world of PDF downloads is just a click away.

FAQs About Romanticism Pragmatism And Deconstruction Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer webbased readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks.
