Rome Paperback:

Ancient Rome Matthew Dillon, Lynda Garland, 2005 Lynda Garland and Matthew Dillon present a comprehensive reference text for all students and scholars of the Roman Republic The History of Rome, Books 37 to the End with the Epitomes and Fragments of the Lost Books Livy, 2019-11-22 In The History of Rome Books 37 to the End with the Epitomes and Fragments of the Lost Books Livy provides an extensive narrative that chronicles the critical events of Rome's transformation from a republic to an imperial power. Known for his eloquent and sophisticated prose, Livy employs a blend of historical analysis and rhetorical flair, giving life to the characters of Rome's storied past. This work concludes Livy's monumental history, capturing the tumultuous political landscape and cultural shifts during a pivotal era while also addressing themes of virtue, morality, and the impact of fate on human endeavors. The inclusion of epitomes and fragments offers invaluable insights into lost works, enriching the reader's understanding of Roman historiography and scholarly discourse of the time. Livy, a prominent Roman historian born in 59 BCE, is often regarded as one of the foundational figures in the crafting of historical narrative. His dedication to exploring the complexities of Rome's past is evident in his comprehensive analysis of civic duty, governance, and the moral fabric of society. Livy's experiences during the transitional period of Rome undoubtedly influenced his perspective on power and ethics, driving him to produce a work that both captivates and instructs through history. This book is an essential read for scholars and enthusiasts alike, as it not only supplements Livy's earlier volumes but also serves as a crucial resource for understanding the depth of Roman history. Readers will find a meticulously crafted text that invites reflection on the enduring themes of governance, ambition, and the lessons that history imparts, making it a timeless addition to any library.

Key to Rome Frederick Vreeland, Vanessa Vreeland, 2006 Unlocking the door to the hidden treasures of the imperial capital's multifaceted cultural history, *Key to Rome* is a tour book unlike any other. Author Frederick Vreeland, former U.S. senior diplomat in Rome, and his artist wife Vanessa guide visitors and armchair travelers through layers of time, from the ruins of antiquity to Renaissance palaces to the trendiest new shops and restaurants, exploring major sites and revealing insider secrets. Written in a brisk anecdotal style, this gorgeously illustrated handbook is packed with photographs, historical drawings, sidebars, foldout maps, and floor plans, and has been completely updated from its original Italian edition. Organized into four sections: Ancient, Christian, Renaissance, and Baroque, and Shopping and the Grand Tour, the guidebook's succinct descriptions of the sights are framed by historical timelines and punctuated by special must-see highlights. A comprehensive reference section at the back details day trips of interest, a guide to Italian food, the newest in specialty shops and boutiques, Rome by Night, and Rome for Kids, as well as transportation, facts, hotel and restaurant suggestions, and much more.

Rome--Book I (eBook) Marilyn Chase, 1970-09-01 Rome I contains 12 PowerPoint slides, 12 reproducible pages, and a richly detailed teacher's guide. Among the topics covered in this volume are the geography of Italy in the 6th century B.C., Rome's Etruscan heritage, Roman government, and religion.

Roman law the Roman army and Julius Caesar **Catalogue of Books Exclusive of Prose Fiction in the Central Lending Library** Leeds (England). Public Libraries, Art Gallery and Museum,1907 Rome and Italy Livy,2004-05-27

Books VI X of Livy s monumental work trace Rome s fortunes from its near collapse after defeat by the Gauls in 386 bc to its emergence in a matter of decades as the premier power in Italy having conquered the city state of Samnium in 293 bc In this fascinating history events are described not simply in terms of partisan politics but through colourful portraits that bring the strengths weaknesses and motives of leading figures such as the noble statesman Camillus and the corrupt Manlius vividly to life While Rome s greatest chronicler intended his history to be a memorial to former glory he also had more didactic aims hoping that readers of his account could learn from the past ills and virtues of the city The Eagles of Rome - Book II Enrico Marini,2015-10-07T00:00:00+02:00 Having gone through the same training Marcus Valerius Falco and Arminius have discovered together of the intoxication of combat and the pleasures of the senses What started as a mutual dislike has gradually turned into shared respect and eventually friendship In this second volume Marcus launches himself into the amorous pursuit of the gorgeous Priscilla Unfortunately the lady in question is already promised to another leading the love crazed Marcus into rash decisions and sticky situations Luckily Arminius has got his back but his tolerance of his best friend s foolishness soon reaches its limits Sexy action packed with plenty of plotting and poison against the backdrop of the Roman Empire s relentless military conquests **Rome--Book II (eBook)** Marilyn Chase,1970-09-01 Rome II contains 12 full color transparencies print books or PowerPoint slides eBooks 12 reproducible pages and a richly detailed teacher s guide Among the topics covered in this volume are the triumph of Augustus Pax Romana the Good Emperors Roman art and literature Diocletian s division of the empire Constantine the Great the triumph of Christianity the fall of Rome in the west and barbarian kingdoms and the Byzantine empire The Rough Guide to Rome Martin Dunford,2012-04-02 The Rough Guide to Rome is the ultimate travel guide to one of the greatest cities on earth Now in full colour throughout with dozens of colour photos to illustrate the finest of Rome s beautiful ancient buildings iconic landmarks and distinctive neighbourhoods this guide will show you the best the city has to offer This guide unearths the hidden side of Rome ancient little visited churches quirky museums the best out of the way restaurants and authentic markets and the hippest most up and coming neighbourhoods It also has any number of suggestions of things to do with kids where to indulge in a spot of shopping how to get to the best out of town beaches with everything located on a number of clear and easy to use maps The Eagles of Rome Book 1 – 6 , The strategic general Drusus is entrusted with the mission of bringing the indomitable barbarians of Germania under the Roman Empire s control Once the battle is won Prince Sigmar offers his son Arminius as a hostage to the Romans Caesar consigns the education of the young barbarian to one of his most trusted companions Titus Valerius Falco Titus has a son of the same age as Arminius an unruly young man called Marcus also in need of an education worthy of his name Together these two budding soldiers go through full training and are time and again subjected to the steely discipline

and harsh tests of their tutor an ex legionary Through these trying experiences the insolent young Roman and the hot headed German gradually transform their reciprocal hatred into a strong friendship especially as they begin to discover the irresistible charms of their various female contemporaries

Handbook to Life in Ancient Rome Lesley Adkins,Roy A. Adkins,Both Professional Archaeologists Roy A Adkins,2014-05-14 Describes the people places and events of Ancient Rome describing travel trade language religion economy industry and more from the days of the Republic through the High Empire period and beyond

Rome's Third Samnite War, 298-290 BC Mike Roberts,2020-03-30 A compelling account of alliances animosities and ancient warfare in central Italy The Third Samnite War was a crucial episode in the early history of Rome Upon its outcome rested mastery of central Italy and the independent survival of both Rome and the Samnites Determined to resist aggressive Roman expansion the Samnites forged a powerful alliance with the Senones a tribe of Italian Gauls Etruscans and Umbrians The result was eight years of hard campaigning brutal sieges and bitter battles that stretched Rome to the limit The desperate nature of the struggle is illustrated by the ritual self sacrifice devotio by the Roman consul Publius Decimus Mus at the Battle of Sentinum 295 BC which restored the resolve of the wavering Roman troops and by the Samnite Linen Legion at the Battle of Aquilonia 393 BC each man of which was bound by a sacred oath to conquer or die on the battlefield Mike Roberts who has travelled the Italian landscape upon which these events played out mines the sources which are more reliable he argues than for Rome s previous wars to produce a compelling narrative of this momentous conflict

The Horizon Book of Daily Life in Ancient Rome Lionel Casson,1975

The Roman Barbarian Wars Ludwig Heinrich Dyck,2015-11-30 A great book that summarizes pieces of Roman military history that are often not mentioned or difficult to find sources for an entertaining read War History Online As Rome grew from a small city state to the mightiest empire of the west her dominion was contested not only by the civilizations of the Mediterranean but also by the barbarians the tribal peoples of Europe The Celtic the Spanish Iberian and the Germanic tribes lacked the pomp and grandeur of Rome but they were fiercely proud of their freedom and gave birth to some of Rome s greatest adversaries Romans and barbarians iron legions and wild tribesmen clashed in dramatic battles on whose fate hinged the existence of entire peoples and at times the future of Rome Far from reducing the legions and tribes to names and numbers The Roman Barbarian Wars The Era of Roman Conquest reveals how they fought and how they lived and what their world was like Through his exhaustive research and lively text Ludwig H Dyck immerses the reader into the epic world of the Roman barbarian wars I was reminded as I picked up this superb book of that magnificent scene from Gladiator when they unleashed hell on the Barbarian hordes at the beginning of the film Dyck has produced a book that celebrates the brilliance of the Roman commanders and of Rome itself from its foundation to its eventual demise Books Monthly Dyck s details of ancient battles and the people involved provide as much sword slashing excitement as any fictional account Kirkus Reviews His vivid prose makes for a gripping read Military Heritage

Livy: Book VII-X. Contents of lost books. Book XXI-XXIII Livy,1836

FAO publications catalogue

2023 Food and Agriculture Organization of the United Nations,2023-10-10 This catalogue aims to improve the dissemination and outreach of FAO s knowledge products and overall publishing programme By providing information on its key publications in every area of FAO s work and catering to a range of audiences it thereby contributes to all organizational outcomes From statistical analysis to specialized manuals to children s books FAO publications cater to a diverse range of audiences This catalogue presents a selection of FAO s main publications produced in 2023 or earlier ranging from its global reports and general interest publications to numerous specialized titles In addition to the major themes of agriculture forestry and fisheries it also includes thematic sections on climate change economic and social development and food safety and nutrition

The Origins of Human Rights R.U.S Prasad,2022-09-09 This book studies the history of intercultural human rights It examines the foundational elements of human rights in the East and the West and provides a comparative analysis of the independent streams of thought originating from the two different geographic spaces It traces the genesis of the idea of human rights back to ancient Indian and Greco Roman texts especially concepts such as the Rigvedic universal moral law the Upanishadic narratives the Romans model of governance the rule of law and administration of justice It also looks at Cicero s concept of rights and duties which focuses on quality of compassion and fair play and Seneca s expositions on mercy empathy justice and checks on the arbitrary exercise of power An important contribution this book fills a significant gap in the study of human rights It will be useful for students and researchers of political science ancient history religion and civilizations philosophy history human rights governance law sociology and South Asian studies The book also caters to general readers interested in the history of human rights

History of Urban Form Before the Industrial Revolution A.E.J. Morris,2013-12-02 Provides an international history of urban development from its origins to the industrial revolution This well established book maintains the high standard of information found in the previous two editions describing the physical results of some 5000 years of urban activity It explains and develops the concept of unplanned cities that grow organically in contrast with planned cities that were shaped in response to urban form determinants Spread throughout the texts are copious illustrations from a wealth of sources including cartographic urban records aerial and other photographs original drawings and the author s numerous analytical line drawings

The History of Rome, Book I : the Period Anterior to the Abolition of the Monarchy Theodor Mommsen,2016-01-13 This is a look at Ancient Rome s early history from its founding to the expulsion of its kings and the beginning of the Republic From the intro We intend here to relate the history of Italy not simply the history of the city of Rome Although in the formal sense of political law it was the civic community of Rome which gained the sovereignty first of Italy and then of the world such a view cannot be held to express the higher and real meaning of history What has been called the subjugation of Italy by the Romans appears rather when viewed in its true light as the consolidation into an united state of the whole Italian stock a stock of which the Romans were doubtless the most powerful branch but still were only a branch The history of Italy falls into two main sections 1 its internal history down to its

union under the leadership of the Latin stock and 2 the history of its sovereignty over the world Under the first section which will occupy the first two books we shall have to set forth the settlement of the Italian stock in the peninsula the imperilling of its national and political existence and its partial subjugation by nations of other descent and older civilization Greeks and Etruscans the revolt of the Italians against the strangers and the annihilation or subjection of the latter finally the struggles between the two chief Italian stocks the Latins and the Samnites for the hegemony of the peninsula and the victory of the Latins at the end of the fourth century before the birth of Christ or of the fifth century of the city The second section opens with the Punic wars it embraces the rapid extension of the dominion of Rome up to and beyond the natural boundaries of Italy the long status quo of the imperial period and the collapse of the mighty empire These events will be narrated in the third and following books

Science and Technology in World History, Volume 1 David Deming, 2014-01-10 Science is a living organic activity the meaning and understanding of which have evolved incrementally over human history This book the first in a roughly chronological series explores the development of the methodology and major ideas of science in historical context from ancient times to the decline of classical civilizations around 300 A D It includes details specific to the histories of specialized sciences including astronomy medicine and physics along with Roman engineering and Greek philosophy It closely describes the contributions of such individuals as Pythagoras Hippocrates Socrates Plato Aristotle Alexander the Great Euclid Archimedes Ptolemy Seneca Pliny the Elder and Galen

Reviewing **Rome Paperback**: Unlocking the Spellbinding Force of Linguistics

In a fast-paced world fueled by information and interconnectivity, the spellbinding force of linguistics has acquired newfound prominence. Its capacity to evoke emotions, stimulate contemplation, and stimulate metamorphosis is really astonishing. Within the pages of "**Rome Paperback**," an enthralling opus penned by a highly acclaimed wordsmith, readers attempt an immersive expedition to unravel the intricate significance of language and its indelible imprint on our lives. Throughout this assessment, we shall delve into the book's central motifs, appraise its distinctive narrative style, and gauge its overarching influence on the minds of its readers.
