The Architecture Lover's Guide to Rome Elizabeth F. Heath,2020-02-19 An informed photo filled guide to all of the essential stopping places with terrifically detailed information on the architectural joys of Rome Books Monthly Rome s architectural remains date as far back as the city s founding in the 8th century BCE The primitive settlement that began on the Palatine Hill grew over the next thousand years to the caput mundi the capital of the world the largest most powerful presence in the ancient Western world Along the way Rome s architectural styles whether developed organically or appropriated from the cultures it subjugated and absorbed were physical evidence of the politics propaganda and pragmatism of the times Written for readers passionate about Rome and how its architecture is inimitably linked to its history The Architecture Lover s Guide to Rome is the armchair architect s tour of the Eternal City It provides a timeline that begins with the founding of Rome and documents its significant architectural monuments and styles through the millennia with photos maps and practical information for visiting

The Rome of Peter and Paul Brian Schmisek,2017-10-12 This handbook is a short guide for those who are interested in Roman sites that have something to do with the New Testament and in particular with Peter and Paul For more than ten years Dr Schmisek has led graduate ministry programs in the Eternal City This book is informed by the questions insights and comments from students over those years While not addressing each and every claimed New Testament artifact in the city of Rome the handbook focuses on the more significant churches and locales that have a connection to Petrine and Pauline legends places such as St Peter s at the Vatican and St Paul s outside the Walls are included but also St Peter s at Montorio and Tre Fontane There are two primary parts to this book the first is a brief survey of what is known and not known regarding Peter and Paul s time in Rome The various sources of Pauline and Petrine legends are included in this survey as those legends are key to interpreting many sites and their significance The second part of the book is more akin to a tour book laid out in four subsections generally corresponding to geographical areas of the city This brief handbook will be a

valuable guide to those who seek a greater understanding of the historical and legendary background to Petrine and Pauline sites in Rome

Welch M. D., 2008-12 The LaTrappe Creek Chronicles is a story of how a week of sailing with four friends became an annual event Friends invited friends fathers invited sons and eventually grandfathers invited grandsons joining to create enduring memories of camaraderie and adventure Thirty five years later the Society still sails for one week each year but with some ten boats and a roster of over one hundred members In these pages we celebrate the sport of sailing noting the range from racing small one design dinghies to cruising catamarans from the America's Cup to the Tucket Bucket Jet travel and charter facilities worldwide afford new sailing grounds and catalyzed our group to sail in exotic venues and add on unique travel with spouses and friends Unusual highlights include an audience with the Pope and treading the sacred burial grounds of the gods of Polynesia The combination of sailing and travel brought a keen interest in history and ecology long before saving the oceans became so critical This is also a story of the robust education found while in the pursuit of the art and science of sailing the discipline of proper anchoring the joys of producing gourmet fare from a tiny galley the spice of philosophy the confrontation of political discourse and examining and embracing the different views on economics and cosmic exploration Most of these lessons cascading from the confines of a cockpit with brandy and cigars The Chronicles is not a how to book but there are usable observations for governance of such an organization as the LaTrappe Creek Historical and Ecological Society There are By Laws indelibly retained in the memory of the Commodore and established Archives to secure information that even the CIA or KGB could not access Above all these chronicles relate how all who have been a part of this sailing saga have experienced the joy of valued friends and unfortunately the sadness of burying old friends at sea And Oh Yes There is a real place called LaTrappe Creek and all the characters in this book are real **A History of Architecture on the Comparative Method for Students, Craftsmen & Amateurs** Sir Banister Fletcher, 1921
