Saarinen, 2014-02-07 Los Libros de Erigiend I es la historia que da inicio a una saga de fantas a y aventuras plagada de seres y tierras fabulosos y de b squedas de objetos m gicos en torno a la manipulaci n del tiempo y a la lucha contra poderosos y oscuros enemigos **Prostíbulo de la Palabra** Benito Pastoriza Iyodo, 2012-05-07 Prost bulo de la palabra is Benito Pastoriza Iyodo's fourth collection of poetry The first edition of the book is accompanied by its English translation Brothel of the Word This bilingual volume exposes the reader to a work diverse in themes structure and format The book is a collection that encapsulates the people places beliefs and actions implicit in the concepts presented in the operative terms brothel and word in their physical linguistic and spiritual incarnations The title engenders curiosity about how the poet will interconnect these two concepts A brothel is generally associated with prostitution But knowing that the term prostitution can go beyond the world associated with the sexual act it should be no surprise that the poetic subject moves from the confines of a building the brothel to the environs where prostitution manifests itself in the impure and many times masked manipulation of language and mankind within a broader more global brothel The dialog between the poems

transforms into a conversation among the reader the poetry and the poet in the physical linguistic spiritual and philosophic debates that affect humanity

**Affectual Erasure** Cynthia Margarita Tompkins, 2018-08-23 Affectual Erasure examines how Argentine cinema has represented Indigenous peoples throughout a period spanning roughly a century Cynthia Margarita Tompkins interrelates her discussion of films with the ethnographic context of the Indigenous peoples represented and an analysis of the affective dimensions at play These emotions underscore the inherent violence of generic conventions as well as the continued political violence preventing Indigenous peoples from access to their ancestral lands and cultural mores Tompkins explores a broad range of movies beginning in the silent period and includes both feature films and documentaries underscored by archival and contemporary film stills She traces the initial erotic projection moving

through melodrama to the conventions of the Western into the 1960s focus on decolonization superseded by allegorical renditions and the promise of self expression in late twentieth century documentaries Each section includes an introduction to the sociohistorical events of the period and their impact on film production Analyzed chronologically the films evidence different stages in the projection of the hegemonic Argentine imaginary which fails to envision the daily life of Indigenous peoples prior to conquest or in colonial times and remains in denial of their existence in the present
