Maxwell Owen,2022-07-07 It all started in a garden From the garden of Eden to the garden of Gethsemane to our eternal

home in the garden of the Father the garden has been a symbol or representation of our journey in this life Throughout Scripture we are encouraged to take root in God to love Him with all of our heart all of our soul all of our mind and all of our strength and to anchor our souls in Him and in His word Over and over in the Bible we are also instructed to bear fruit Bearing fruit or spreading the good news of the kingdom is a natural outcome of a heart that is wholly His When we are rooted sure and steadfast in God we will impact the lives of those around us for Him it is inevitable We bear fruit when we are firmly rooted to the Lord In this book Mrs Owen uses the analogy of a garden to beautifully illustrate this correlation between taking root and bearing fruit There are many different players and contributors in the garden each one with their own job to do pollinators sunlight water gardening tools and more Mrs Owen shares with us how just as in the garden each person in the family of God has their own unique purpose When we all work together we become a fruitful and abundant garden firmly rooted in God and bearing fruit for His kingdom The surviving remnant of the house of Judah will again take root downward and bear fruit upward For out of Jerusalem will go forth a remnant and out of Mount Zion survivors The zeal of the Lord will perform this 2 Kings 19 30 This verse from 2 Kings can be understood literally as well as figuratively Yes God s people would once again plant and harvest the land but they would also once again be rooted in God s hand bearing fruit for Him The goal of this book is to help us all become more firmly rooted in God and active in bearing fruit for Him not from compulsion but from the joy of knowing our God

Gifted Origins to Graced Fulfillment Kerrie Hide, 2001 2002 Catholic Press Association Award Winner The classical expression of soteriology salvation theology has tended to spiritualize salvation and place it on a supernatural plane where it loses contact with the existential lives of people In the face of this heritage questions have risen from contemporary experience that challenge the Christian tradition Does life have meaning Is love at the core of all reality In *Gifted Origins to Graced Fulfillment* Kerrie Hide searches for responses to these questions Hide examines the soteriology presented in the Revelations of Divine Love composed by Julian of Norwich She analyzes the understanding of salvation expressed in the Visions or showings of Julian and expands previous theological inquiry into Julian s texts After demonstrating how Julian s theology is a trinitarian theology of love Hide addresses each aspect of Julian s soteriology within the framework of her trinitarian formula The theological precis reveals that for Julian salvation is a process of oneing in a mystical three part journey from our origins with God to our ultimate return to God Hide s analysis provides a hermeneutic for examining mystical literature theologically and demonstrates the important contribution mystical theology makes to the broader field of theology She contributes a systematic study of Julian s understanding of salvation not undertaken previously In Part One Hide examines Julian s Visionary experience and her expression of the experience that led others to reflect on record and write about her texts She also presents a hermeneutic for interpreting Julian s showings Part Two presents Julian s soteriology as a trinitarian soteriology of oneing and explores how our life is in three stages In Part Three Hide delves into our gifted origins She surveys Julian s creation theology and her anthropology Part Four focuses on

Christology This section presents Christ's role in redemption through the cross through his work as servant and through his function as mother Part Five inquires into graced endings The chapters examine the present experience of graced fulfillment in the power of the Holy Spirit and the hope for fulfillment in the eschaton Finally in Part Six Hide draws together Julian's understanding of salvation She appraises the relevance of these teachings for today Chapters are Julian of Norwich A Hermeneutic for Interpreting the Showings Oneing Through the Trinity Oneing in Being Oneing Through the Crucifixion Oneing Through the Servant Oneing Through Christ Deep Wisdom and Mother Oneing Through the Holy Spirit Oneing in the Eschaton and Julian's Spiritual Understanding

Fruitful Theology Ronni Kurtz, 2022-08-30 Why do the theologians rage Even a cursory scrolling of social media may lead you to the conclusion that you have to be angry to do theology Sadly our day is characterized by theological fighting complete with harsh words exaggeration biting sarcasm and the spirit of tearing down our brothers and sisters in Christ But it does not have to be this way In fact it should not be this way In Fruitful Theology Ronni Kurtz swims upstream to counter this prevailing problem Instead of theology leading to anger division and discord this book shows that the life of the mind can actually lead to the fruit of the Spirit Fruitful Theology is for anyone who Wants to grow in an understanding of Scripture but is afraid that knowledge will make them arrogant Is confused about the relationship between doctrine and Christian living Is concerned that theological conviction promotes disunity and discord among Christians Desires to grow in Christian maturity but isn't sure how theology fits into that desire What if our speech and conduct were seasoned more with love joy peace patience kindness goodness faithfulness gentleness and self control How might the church's unity be restored and our witness be maximized if we were characterized by the fruit of the Spirit instead of the spirit of our age Theology may not be the most obvious candidate in helping reorient our life towards the fruit of the Spirit but a right contemplation of God can indeed lead to right living for God and that is exactly what this book hopes to explore
