**Craig Livingston** 

#### **Roots Of Modern Mormonism:**

Roots of Modern Mormonism Mark P. Leone, 1979 **Mormonism** Jan Shipps, 1985 Mormonism is one of the fastest growing most misunderstood and most debated religions of recent times Even the simple act of defining WHAT Mormonism is or should be has been filled with controversy The author reconstructs the signal events of early Mormonism as perceived Justice Without Law? Jerold S. Auerbach Wellesley College, 1983-04-07 Describes the from INSIDE the faith disadvantages of litigation looks at what the American legal system suggests about our society and discusses arbitration mediation and conciliation alternatives to our adversary approach to justice The Millenarian World of Early Mormonism Grant Underwood, 1999-01-15 Shows how early LDS interpretation of the Bible and the Book of Mormon **Hebrew Roots of Mormonism** David Thomas, 2023-02-14 The affected and was affected by Mormon millennial doctrines Hebrew Roots of Mormonism describes Christianity's original roots in Hebrew traditions and culture then explains how Mormonism is the faithful inheritor of those traditions Following the death of the original twelve Apostles Christianity became fractured but when a young boy knelt to pray in the spring of 1820 revelations restored Hebrew Christianity to the Mormon History Ronald Warren Walker, David J. Whittaker, James B. Allen, 2001 earth as Mormonism Mormonism Eric Alden Eliason, 2001 The ideal introduction to what many historians consider the most innovative and Excavating Mormon Pasts Newell C. successful religion to emerge during the spiritual ferment of antebellum America Bringhurst, Lavina Fielding Anderson, 2004-08-31 Winner of the Special Book Award from the John Whitmer Historical Association Excavating Mormon Pasts assembles sixteen knowledgeable scholars from both LDS and the Community of Christ traditions who have long participated skillfully in this dialogue It presents their insightful and sometimes incisive surveys of where the New Mormon History has come from and which fields remain unexplored It is both a vital reference work and a stimulating picture of the New Mormon History in the early twenty first century Mormonism W. Paul Reeve, Ardis E. Parshall, 2010-08-13 Covering its historic development important individuals and central ideas and issues this encyclopedia offers broad historical coverage of The Church of Jesus Christ of Latter day Saints Mormonism A Historical Encyclopedia helps readers explore a church that has gone from being an object of ridicule and sometimes violent persecution to a worldwide religion counting prominent businesspeople and political leaders among its members including former Massachusetts governor and recent presidential candidate Mitt Romney The encyclopedia begins with an overview of The Church of Jesus Christ of Latter day Saints six essays cover the church's history from Joseph Smith's first vision in 1820 to its current global status This provides a context for subsequent sections of alphabetically organized entries on key events and key figures in Mormon history A final section looks at important issues such as the church's organization and government its teachings on family Mormonism and blacks Mormonism and women and Mormonism and Native Americans Together these essays and entries along with revealing primary sources portray the Mormon experience like no other

available reference work From Above and Below Craig Livingston, 2013-06-01 2014 Best International Book Award Mormon History Association For the first century of their church's existence Mormon observers of international events studied and cheered global revolutions as a religious exercise As believers in divine human co agency many prominent Mormons saw global revolutions as providential precursors to the imminent establishment of the terrestrial kingdom of God French Revolutionary symbolism socialist critiques of industrialism American Indian nationalism and Wilsonian internationalism all became the raw materials of Mormon millennial theologies which were sometimes barely distinguishable from secular utopianism Many Mormon thinkers accepted secular revolutionary arguments that the old world order needed to be destroyed not merely reformed to clear the way for the new In From Above and Below author Craig Livingston tells the story of Mormon commentary on global revolutions from the European revolutions of 1848 to the collapse of Mormon faith in progress in the 1930s when revolutionary communist and fascist regimes exposed themselves as violent and repressive As the Church bureaucratized and assimilated to mainstream American and capitalist values Mormons became champions of the conservative view of political and social development for which they are known today The first Mormon converts in Mexico and France both political radicals would scarcely recognize the arch conservative twenty first century Church of Religions in Szeged Porció, Tibor, 2010 The Antipolygamy Controversy in U.S. Women's Movements, 1880-1925 Joan Smyth Iversen, 2014-01-21 This first study of the antipolygamy movement in the United States traces its growth from a Utah based women s group into a national crusade where it sparked a debate in suffrage politics The author analyzes this debate highlighting the differing views of marriage family and the role of women held by suffrage leaders Mormon women and antipolygamy reformers Antipolygamy rhetoric masked a more significant debate within women s groups about the structure and meaning of the American family Coming in the post Civil War period the antipolygamy agenda reflects an attempt to re construct the Republican family diminish patriarchal authority and improve the status of women The reaction of the antipolygamy women was also more than a struggle for power Their adherence to the Republican family was a discourse involving not just rhetoric but a whole range of cultural forms and institutions which provided women with status moral authority and an identity Often the fear of polygamy was mingled with anxiety over the increase in divorce and the emergence of the new woman Ironically by the end of the long congressional battle over Utah and the Mormons both the rhetoric of polygamy and antipolygamy were used against the women s movement **Relics of Modernity** Andrew F. Wood, 2025-06-12 This collection of essays expands upon an emerging topic within and beyond the field of communication studies that challenges students and scholars of the built environment to peer beyond the somewhat typical collection of monuments museums and memories often found in essays related to space and place to consider the role of ruins as lenses upon modernity These locales which include economic ghost towns industrial relics prison sites and other places associated with so called dark tourism generally conjure feelings of melancholy connotations of failure While their assemblages of moldy

floors waterlogged walls shattered windows and sagging roofs do not make for traditional tourist snapshots ruins possess a potential to inspire awe an awareness of the tenuous nature of modern confidence a reverence for the passing of things In their inquiry and investigation one may encounter oddly sublime traces and fragments of the contemporary age Seeking to better understand the rhetoric and performances of ruins contributors to this book have crafted chapters that are theoretically sophisticated and vividly authored The resulting collection of nine essays surveys ruins within and beyond the United States to examine a unique and unexpected constellation of ideas related to authenticity identity memory representation and power America's Religions Peter W. Williams, 2008 A panoramic introduction to religion in America newly revised and updated **Sojourner in the Promised Land** Jan Shipps, 2024-04-22 Infused with Jan Shipps s lively curiosity scholarly rigor and contagious fascination with a significant subculture Sojourner in the Promised Land presents a distinctive parallel history in which Shipps surrounds her professional writings about the Latter day Saints with an ongoing personal description of her encounters with them By combining a portrait of the dynamic evolution of contemporary Mormonism with absorbing intellectual autobiography Shipps illuminates the Mormons and at the same time shares with the reader what it has been like to be on the outside of a culture that remains both familiar and strange The House of Government Yuri Slezkine, 2017-08-07 On the 100th anniversary of the Russian Revolution the epic story of an enormous apartment building where Communist true believers lived before their destruction The House of Government is unlike any other book about the Russian Revolution and the Soviet experiment Written in the tradition of Tolstoy's War and Peace Grossman's Life and Fate and Solzhenitsyn's The Gulag Archipelago Yuri Slezkine's gripping narrative tells the true story of the residents of an enormous Moscow apartment building where top Communist officials and their families lived before they were destroyed in Stalin's purges A vivid account of the personal and public lives of Bolshevik true believers the book begins with their conversion to Communism and ends with their children's loss of faith and the fall of the Soviet Union Completed in 1931 the House of Government later known as the House on the Embankment was located across the Moscow River from the Kremlin The largest residential building in Europe it combined 505 furnished apartments with public spaces that included everything from a movie theater and a library to a tennis court and a shooting range Slezkine tells the chilling story of how the building s residents lived in their apartments and ruled the Soviet state until some eight hundred of them were evicted from the House and led one by one to prison or their deaths Drawing on letters diaries and interviews and featuring hundreds of rare photographs The House of Government weaves together biography literary criticism architectural history and fascinating new theories of revolutions millennial prophecies and reigns of terror The result is an unforgettable human saga of a building that like the Soviet Union itself became a haunted house forever disturbed by the ghosts of the disappeared Jaredites & Manassites Robert F. Smith, 2022-12-28 This book explores the literate and advanced cultures of two very separate groups in the Book of Mormon 1 the Jaredites described in the book of Ether and 2 the members of

tribal Manasseh who dominate the remainder of the Book of Mormon The first group flourished during the millennia before the arrival of the second group in a nearby area and became extinct as a civilization not long after the arrival of that second group Within the New World only one complex culture arose which was literate built great cities and had a large population namely the Olmec of southern Mexico the mother culture of the five subsequent advanced cultures of Mesoamerica This book demonstrates how the Mesopotamian Jaredites brought with them a Sumero Akkadian culture to the New World The linguistics of Sumero Akkadian are not only found systematically within the Jaredite onomasticon but a comparison of Sumero Akkadian with reconstructed ancient Olmec Proto Mixe Zoque strongly suggests the ultimate origin of that people in Mesopotamia at least 5 thousand years ago In the second section of the book an offshoot of tribal Manasseh Clan Lehi demonstrates its pervasive influence through an onomasticon almost exclusively showing derivation from Manassite names known from the Bible and archeology and which are collocated geographically with each other and with a set of names known biblically to be associated with transjordanian tribes and southern areas such as Midian where Clan Lehi first goes to make good its escape from Judah The Mormon Mirage Latayne C. Scott, 2009 Three decades after leaving the Mormon faith Latayne Colvett Scott looks back to her original journey out of Mormonism and the reasons why she left Revised and updated this third edition of The Mormon Mirage presents both a fascinating inside look at Mormonism and new and formidable evidence against its claims and teachings Biblical Roots of Mormonism: Over 1000 scriptures Referenced from the bible Eric Shuster, Chuck Sale, 2023-03-22 Last year Eric Shuster wrote Catholic Roots Mormon Harvest about his conversion from Catholicism to Mormonism Now he and coauthor Charles Sale bring us The Biblical Roots of Mormonism a discovery of Mormon doctrines as they are revealed in the Bible Each chapter delves into a specific belief such as the Godhead premortal life and revelation Quoting hundreds of Old and New Testament passages the authors show how the Bible alone can sustain Mormon theology and practice This incredibly well researched guide provides fresh insights about the Bible as each page reveals a new connection to the Mormon beliefs Perfect for believers investigators and skeptics alike this book will inspire and astonish as it lays out the biblical foundation of Mormonism **Building the Kingdom** Claudia Lauper Bushman, Richard Lyman Bushman, 2001-12-27 The authors introduce the faith's charismatic early leaders Joseph Smith and Brigham Young delve deeply into Mormon rites and traditions follow the adventurous trail of Mormon pioneers into the West evoke the momentous rise of Salt Lake City and describe the numerous skirmishes and court battles between the Mormons and their neighbors other religions and the American government They describe the church's formidable institutional apparatus the unique role of women in Mormon affairs both before and after the Mormons practice of polygamy and how the church has addressed the challenges of modernity Throughout the Bushmans demonstrate how the rise of a small and persecuted movement intersected and even transformed the history of the American nation
