characters that have appeared throughout the course of Waits musical career from *Closing Time* 1973 to *Orphans Brawlers Bawlers and Bastards*. His raw form of expression and his evocative lyrics work together to form an emotional chronicle of society's misfits, outcasts and lowlifes. He is not the sort of composer to chase after shiny red fire trucks to awesome blazing fires but instead looks after the intangible dreams found dissipating in the last wisp of smoke from a cigarette held in the weathered hands of a broken soul. Here author Corinne Kessel pursues Waits into this distinctly murky and unsettled atmosphere to address in particular Waits's enduring questions of reality, landscape and identity.
