Go Home is a book birthed from the spirit of God Just imagine sitting at the foot of the throne with pen and paper and God telling you why He is concerned for the body of Christ Just imagine God allowing you to feel His emotions for His people If you can just picture the cross and the price that was paid and how the price has become so insignificant to the Church then you can understand what this book is designed to accomplish The things written in this book come straight from the word of God The only way to dispute it is to dispute the word the truth I often tell my children that the truth is the truth whether you choose to accept it or not You can analyze it You can show what you think is a better way You can even convince a nation that what you say is true but when Jesus Christ returns and declares the truth that will be it All issues will be settled all arguments will cease all those who are going to heaven will go and all those who are not will go to hell No it is not a damnation and hellfire book It is a book written out of love If God did not love us He would not bother to reach us He could just allow us to continue in this world s deception and end up where many of us are now separated from Him The words get right let us know that it is not too late This book is just a warning to let the Church and the world know that time is not on our side Time is insignificant to God but it means everything to us When time ends it ends Everyone will go to heaven once some to be judged and some to be welcomed home This book is designed to help you get home *Medicine River* Mary Annette Pember,2025-04-22 A sweeping and deeply personal account of Native American boarding schools in the United States and the legacy of abuse wrought by them in an attempt to destroy Native culture and life From the mid nineteenth century to the late 1930s tens of thousands of Native children were pulled from their tribal communities to attend boarding schools whose stated aim was to save the Indian by way of assimilation In reality these boarding schools sponsored by the U S government but often run by various religious orders with little to no regulation were a calculated attempt to dismantle tribes by pulling apart Native families Children were beaten for speaking their Native languages denied food clothing and comfort and forced to work menial jobs in terrible conditions all while utterly deprived of love and affection Amongst those thousands of children was Ojibwe journalist Mary Pember s mother who was sent to a boarding school in northern Wisconsin at age five The trauma of her experience cast a pall over Pember s own childhood and her relationship with her mother Highlighting both her mother s experience and the experiences of countless other students at such schools their families and their children *Medicine River* paints a stark but hopeful portrait of communities still reckoning with the trauma of acculturation religion and abuse caused by the state Through searing interviews and careful reporting Pember traces the evolution and continued rebirth of Native cultures and nations in relation to the country that has been intent on eradicating them *When We All Go Home* David A. Baer,2001-12-01 Paying special attention to chapters 56-66 David Baer analyses the labour that resulted in the Greek Isaiah He compares the Greek text with extant Hebrew texts and with early biblical versions to show that the translator has approached his craft with homiletical interests in mind This earliest translator of Isaiah produces a preached text at the same time modifying his received tradition in theological and nationalistic directions

which would reach their full flower in Targumic and Rabbinical literature In basic agreement with recent work on other portions of the Septuagint the Greek Isaiah is seen to be an elegant work of Hellenistic literature whose linguistic fluidity expresses the convictions and longings of a deeply Palestinian soul *The Social Welfare Forum* National Conference on Social Welfare,1891 **Go Big or Go Home** Scotty McCreery, Travis Thrasher, 2016-05-03 Platinum award winning country music star Scotty McCreery shares his journey from North Carolina to American Idol and the top of the country music charts American Idol was just a simple singing competition that seemed fun to audition for Who knew what kind of doors it might open for a sixteen year old from Garner North Carolina Go Big or Go Home is the story of a kid with country songs in his soul Daring to enter the limelight at a young age Scotty found himself embraced by the nation and even overseas as he competed on season 10 of American Idol In Go Big or Go Home Scotty shares his journey from his North Carolina roots to winning America's most popular singing competition and launching the musical career he had always dreamed of Along the way Scotty teaches us What it means to have an uncompromising faith The power of dreaming big The importance of embracing your God given talents Join Scotty as he shares a glimpse of where he came from and the impact his faith family and friends have had on a humble guy who keeps asking Why me Praise for Go Big or Go Home Revealing touching and often humorous Go Big or Go Home takes fans behind the scenes of Scotty McCreery's journey so far and pulls back the curtain on American Idol and the music industry while McCreery navigates the tricky waters of instant fame with grace insight and above all gratitude for the gifts he has been given Melinda Newman music journalist Being an artist takes you out of your comfort zone and thrusts you into the world Some of what you experience you are prepared for and some of it you aren't To quote the country music prophet Aaron Tippin You've got to stand for somethin or you'll fall for anything Scotty McCreery stands for something You hear it in his voice You see it in his actions And you feel it in his songs This book outlines the wild ride he's been on being thrust into the world Josh Turner Grammy nominated and multiplatinum selling MCA recording artist and bestselling author **Congressional Record** United States.
