Seraglio A Novel:

The Seraglio James Merrill,1987 **James Merrill's Apocalypse** Timothy Materer,2000 Materer interprets Merrill's body of work from the perspective of his epic *The Changing Light at Sandover* and shows that in his earliest poems and in the volumes preceding *The Changing Light* Merrill repeatedly expressed his fear of nuclear holocaust and his sense that some momentous revelation was near at hand Materer demonstrates how apocalyptic motifs also inspire *Late Settings* *The Inner Room* and *A Scattering of Salts* **BOOK JACKET** James Merrill Langdon Hammer,2015-04-14 Langdon Hammer has given us the first biography of the poet James Merrill 1926-95 whose life is surely one of the most fascinating in American literature Merrill was born to high privilege and high expectations as the son of Charles Merrill the charismatic cofounder of the brokerage firm Merrill Lynch and Hellen Ingram a muse ally and antagonist throughout her son's life Wounded by his parents' bitter divorce he was the child of a broken home looking for repair in poetry and love This is the story of a young man escaping yet also reenacting the energies and obsessions of those powerful parents It is the story of a gay man inventing his identity against the grain of American society during the eras of the closet gay liberation and AIDS Above all it is the story of a brilliantly gifted fiercely dedicated poet working every day to turn his life into art After college at Amherst and a period of adventure in Europe Merrill returned to the New York art world of the 1950s he was friendly with W H Auden Maya Deren Truman Capote Larry Rivers Elizabeth Bishop and other midcentury luminaries and began publishing poems plays and novels In 1953 he fell in love with an aspiring writer David Jackson They explored boys and bars as they made their life together in Connecticut and later in Greece and Key West At the same time improbably they carried on a forty-year conversation with spirits of the Other World by means of a Ouija board The board became a source of poetic inspiration for Merrill culminating in his prizewinning uncanny one-of-a-kind work *The Changing Light at Sandover* In his virtuosic poetry and in the candid letters and diaries that enrich every page of this deliciously readable life Merrill created a prismatic art of multiple perspectives and comic self-knowledge expressing hope for a world threatened by nuclear war and environmental catastrophe Holding this life and art together in a complex evolving whole Hammer illuminates Merrill's chronicles of love loss and the poignant personal journey they record **The Spirit of Montesquieu's Persian Letters** Constantine Christos Vassiliou,Jeffrey Church,Alin Fumurescu,2023-05-08 This book's primary purpose is to commemorate the 300th anniversary of Montesquieu's *Persian Letters* a seminal book in classical liberal thought *Persian Letters* is a delightfully rich sympathetic satire of commercial society's promise and discontents covering a wide range of issues and themes that shaped the direction of liberal modernity It consists of a series of letters largely written by two Persian travelers to Paris who allow modern readers to view Parisian life from the perspective of an outsider The volume includes contributions from prominent scholars of Montesquieu's and early career scholars who have recently unearthed new and exciting avenues for understanding this important hinge figure in modern political thought *Seraglio* Janet Wallach,2003 At the age of thirteen while travelling

home from school in France Aimee du Buc is kidnapped by Algerian pirates The graceful young girl is a valuable commodity and is soon placed in service in the Seraglio sir al ee o the Ottoman sultan s private world in Topkapi Palace As du Buc discovers the secrets that win the hearts of kings and learns the affairs of the empire she struggles to retain her former identity including her Christian faith

Collected Novels and Plays of James Merrill James Merrill, 2011-03-09 Following the widely celebrated Collected Poems this second volume in the series of James Merrill s works brings us Merrill as novelist and playwright Just as in his poems we come upon prose pieces dramatic dialogue and even a short play in verse in his novels and plays we find the rhythms of his poetry reflected and given new form Merrill s first novel The Seraglio is a daring roman clef derived in large part from his early life as the cosmopolitan son of Charles Merrill one of America s most famous twentieth century financiers Written in a highly refined prose that owes something to Henry James the book is a compelling portrait of the luxury and treachery swirling around the Southampton beach house of an irrepressible family patriarch with his many mistresses and ex mistresses in attendance told from the point of view of his lively but troubled son At the other end of the narrative spectrum we find The Diblos Notebook an experimental novel in which a young American s adventures on a Greek island are deconstructed and assembled into a tentative fiction before our eyes Merrill s plays including the one act comedy of manners The Bait and the Chekhovian The Immortal Husband a reinvention of the myth of Tithonus who was granted eternal life but not eternal youth are also fresh turns on his characteristic themes home and travel reality and artifice simplicity and complication And for the first time in print here is Merrill s short play The Birthday a fledgling effort written in 1947 and a fascinating window onto the concern with spiritual communication and the otherworldly that would later blossom into his great epic The Changing Light at Sandover

Fabulous Orients Ros Ballaster, 2005-10-20 Narrative moves Stories migrate from one culture to another over vast distances sometimes but their path is often difficult to trace and obscured by time Fabulous Orients looks at the traffic of narrative between Orient and Occident in the eighteenth century and challenges the assumption that has dominated since the publication of Edward Said s Orientalism 1978 that such traffic is always one way Eighteenth century readers in the West came to draw their mental maps of oriental territories and distinctions between them from their experience of reading tales from the Orient In this proto colonial period the English encounter with the East was largely mediated through the consumption of material goods such as silks indigo muslin spices or jewels imported from the East together with the more moral traffic of narratives about the East both imaginary and ethnographic Through analyses of fictional representations including travellers accounts letter narratives such as Letters Writ by a Turkish Spy and popular sequences of tales such as the Arabian Nights Entertainments of four oriental territories Persia Turkey China and India Ros Ballaster demonstrates the ways in which the East came to be understood as a source of story a territory of fable and narrative Fabulous Orients is structured according to territory rather than genre Each section opens by re narrating an oriental story in which a feminine

character serves to figure western desire for the territory she represents the courtesan queen of the Ottoman seraglio Roxolana the riddling Chinese princess Turandoc and the illusory sati of India Canzade The book goes on to explore the range of fabulous writings relating to each territory in order to illustrate how certain narrative tropes can come to dominate its representation the conflict between the male look and female speech staged in the seraglio in the case of Turkey and Persia the inauthenticity and or dullness associated with China and its products such as porcelain and the illusory dreams that are woven in the space of India and associated with its textile industries This is the first book length study of the oriental tale to appear for almost a century Informed by recent historiographical and literary re assessments of western constructions of the East it develops an original argument about the use of narrative as a form of sympathetic and imaginative engagement with otherness a disinvestment of the self rather than a confident expression of colonial or imperial ambition *The Steel Seraglio* Mike Carey, Linda Carey, Louise Carey, 2012-04-10 A confident One Thousand and One Nights for our present Furious pop entertainment full of sex passion violence and magic Slant Magazine The sultan Bokhari Al Bokhari of Bessa has 365 concubines until a violent coup puts the city in the hands of the religious zealot Hakkim Mehdad Hakkim has no use for the pleasures of the flesh He condemns the women first to exile and then to death Cast into the desert the concubines must rely on themselves and each other to escape from the new sultan's fanatical pursuit But their goals go beyond mere survival With the aid of the champions who emerge from among them they intend to topple the usurper and retake Bessa from the repressive power that now controls it The assassin Zuleika whose hands are weapons The seer Rem whose tears are ink The wise Gursoon who was the dead sultan's canniest advisor The camel thief Anwar Das who offers his lying tongue to the concubines cause Together they must forge the women of the harem into an army a seraglio of steel and use it to conquer a city But even if they succeed their troubles will just be beginning because their most dangerous enemy is within their own number The Steel Seraglio is not a work of feminist or utopian theory Nor is it a historical fantasy a romance a thriller a poem an allegory or an epic Rather somehow it is all of these things Neon Magazine A masterful engaging and utterly fascinating story by three wonderful writers SF Revu Collected Novels and Plays James Merrill, 2002 Following the widely celebrated Collected Poems this second volume in the series of James Merrill's works brings us Merrill as novelist and playwright Just as in his poems we come upon prose pieces dramatic dialogue and even a short play in verse in his novels and plays we find the rhythms of his poetry reflected and given new form Merrill's first novel The Seraglio is a daring roman a clef derived in large part from his early life as the cosmopolitan son of Charles Merrill one of America's most famous twentieth century financiers Written in a highly refined prose that owes something to Henry James the book is a compelling portrait of the luxury and treachery swirling around the Southampton beach house of an irrepressible family patriarch with his many mistresses and ex mistresses in attendance told from the point of view of his lively but troubled son At the other end of the narrative spectrum we find The Diblos Notebook an experimental novel in which a young American's adventures on a

Greek island are deconstructed and assembled into a tentative fiction before our eyes Merrill's plays including the one act comedy of manners *The Bait* and the Chekhovian *The Immortal Husband* a reinvention of the myth of Tithonus who was granted eternal life but not eternal youth are also fresh turns on his characteristic themes home and travel reality and artifice simplicity and complication And for the first time in print here is Merrill's short play *The Birthday* a fledgling effort written in 1947 and a fascinating window onto the concern with spiritual communication and the otherworldly that would later blossom into his great epic *The Changing Light at Sandover* *A Select Collection of Novels and Histories*, 1729

Abbé Prévost's Histoire D'une Grecque Moderne Jonathan Walsh, 2001

Histoire d'une Grecque moderne is a masterpiece of ambiguity Through the narrator's own bias and hypocrisy and through his doubles in the story who mirror or contrast with his character Abbe Prevost deflates the patriarchal figures of eighteenth century European society The Oriental heroine's quest for intellectual and physical autonomy challenges such traditional authority figures as the aristocratic hero narrator the European imperialist the philosophe and the writer who reflect Western sexual and cultural prejudices Like the other novels of Prevost's 1740 trilogy and even to a greater extent than in Manon Lescaut La Greque moderne conveys a disturbing moral pessimism and indeterminacy that in the end the heroine's courage and determination cannot overcome In an age of skepticism and increasing individualism La Greque moderne seems to question the existence of any trustworthy model of moral authority
