ideal of Christian brotherhood as a way of transcending divisions Opponents of civil rights denounced brotherhoodism as a movement that undercut parental and religious authority Others especially in the African American community rejected the idea of family crisis altogether working to redefine family adaptability as a source of strength Rather than attempting to define the experience of an archetypal southern family Ownby looks broadly at contexts such as political and religious debates about divorce and family values southern rock music autobiographies and more to reveal how people in the South used the concept of the family as a proxy for imagining a better future or happier past

Preaching with All You've Got
David Day, 2006 Becoming a Living Sermon Beyond spoken words what is it that really helps preachers get their message across Seasoned pastor and preaching professor David Day explores the ways in which preachers may embody their messages in their own person in the words they use through the use of objects pictures literature and drama and in the response of their audience An eloquent and compelling volume suitable for communicators from a broad range of Christian denominations it offers a practical workbook of ideas that preachers can begin using in their very next sermon FEATURES Contains many helpful examples case studies excerpts from real addresses and two or three exercises in each chapter Great as a classroom supplementary textbook Books on preaching are full of good advice writes Day This book is bursting with good ideas and inspiration but I would not call it advice It is far too refreshing and amusing to be called advice With a practical array of shalts and shalt nots both the experienced preacher and the learner will be spurred to hone their art not just that of delivering communication but of enabling transformation When it comes to preaching Day is keen to communicate propositions through pictures and theory through experience Embodying the Word does not simply describe how to do it it embodies the technique itself through countless examples and illustrations The Revd Dr Jo Bailey Wells Associate Professor of the Practice of Ministry and Bible Director of Anglican Studies Duke Divinity School
