Fount Dr Tommy Mthembu, 2013-09-26 CHAPTER 1 In the very first chapter a discussion is opened and titled open the eyes
of my heart Lord This sets up the main running theme of the book that God's guidance direction and path be every believers
aim and focus God is shown as the final arbiter in all of man's affairs We are encouraged to seek the revealed truth in our
lives Our prayer and wish should be that God directs all our ways The story of the prophet Elisha under attack is used to
illustrate God's providence for his children Because Elisha's spiritual eyes are open he is not filled with fear and panic in light
of his enemies but is reassured of God's protective shield over his life God surrounds his children with his love God is a
warrior and fights our battles CHAPTER 2 Nothing is too hard for the Lord Sarah and Abraham had been married for a long
time and had no children They even tried to help God in this regard but their attempt was remiss Our faith in God helps us to
get results that are otherwise impossible Sarah was rich had a large household servants and animals and all but lacked one
thing a son she could call her own This became a source of misery and ridicule for her As rich as she was when people looked
at her they just remembered her shortcoming and constantly reminded her about it Her faith gave birth to strength and
power Through the faithfulness of God and her practicing faith principles she bore a son when all hope was lost Read her
story to build your faith and see your trust in God soar CHAPTER 3 The book of James admonishes Christians to be glad when
they face tough testing situations This results in patience a requisite believers virtue Temptations and trials may leave us
broken dejected and discouraged We may be broken but not valueless because God sees value in us however our status as he
is in the business of transforming our lives God is able to spring to life and quicken our spirit even after adverse experiences
The life of Paul the apostle is used to illustrate that we can endure all sorts of persecution to remain in focus on the right
path and remain resolute in our faith Like a diamond we can withstand pressure in order to let our light shine through

CHAPTER 4 God is powerful far beyond our imagination or comprehension there is no limit to what He can do Its only when we come to Him that we can reach our fullest potential God also possess all wisdom This is why it is not prudent to put ones trust in the help of man Gods wisdom does not fail The story of Noah teaches us that through Gods wisdom he an unlearned and unqualified engineer built maintained sailed and saved humanity and all animals all at once Can you begin to marvel at the plumbing and ablution feat this must have been Everything we are capable of counts for nothing if the source is not God He has the power to change the times and the seasons of our lives He can change your time of mourning into a time of joy God is all powerful everything on earth is under His control CHAPTER 5 Sometimes the troubles and tribulations that follow us cant seem to have an end They leave us feeling forsaken We may remove our eyes from God and focus on them An account of how the children of Israel were faced with their enemy on countless occasions but finally prevailed is given Gods leading through Moses and Aaron is expounded Against Pharaoh they had an indomitable ferocious stubborn adversary Time after time even after relenting he would be oppressively behind the children of Israel I show in this account that no matter how many our enemies no matter how well armed no matter our humble unprotected lowly position God fights our battles for us We know we can prevail through him CHAPTER 6 The book of Ezra depicts a picture of a people who were heavily discouraged It speaks of people who were told they would never finish what God had commissioned them to do Zerubbabel is the leader at th **Everyday Christian Life, Or, Sermons by the Way** Frederic William Farrar,1898 **Everyday Christian Life** Frederic William Farrar,1888 Sermons on Daily Life and Duty George Dawson,1878 The Love and Wisdom of God Edward King,1913 Sermons for Living Your Life Carol A Holzweiss,Carol Wilson,2007 This book is packed with twenty sermons on topics that are appropriate for today s world These sermons help the new Bible believers understand Theological worldview on Bible topics It also offers a self helped page which asks for commitment by making a vow to walk with God This book is for everyone who desires a spiritual journey in understanding God s words It does not matter whether you are a Christian Jew or Muslim What matters is having a heart to know God **Sermons and Talks Volume 1** Ellen G White,2021-03-30 When Ellen Gould Harmon was in her early teens no one would have predicted that eventually she would become one of the world s premier women public speakers Yet under the blessing of God this frail teenager developed into a remarkably gifted and popular pulpiteer It is estimated that during the seventy years of her prophetic ministry 1844 1915 she delivered at least 10 000 sermons and public addresses on three continents She spoke at Sabbath morning church services camp meetings ministerial councils revivals General Conference sessions college chapel exercises temperance rallies conventions church dedications and wherever else there was need for public labor With the publication of this volume we are beginning a new series entitled Sermons and Talks Additional volumes will be added as need and time require and permit We trust that a deepening of spiritual insight and a closer fellowship with the Lord will reward all who read the messages in this book Now in a NEW BIG PRINT EDTION A4 **Daily Strength for Daily Living.
