Sermons You Can Preach on Matthew W. Herschel Ford, 1985-05-01 *Preaching Matthew's Gospel* Richard A. Jensen, 1998 Jensen's research and insights provide a stimulating resource on Matthew's Gospel Jensen provides Homiletical Directions at the end of each chapter that will help the preacher find a focus and locate themes for preaching the text Jensen points to the ways in which the biblical writers lock their stories together with other stories in order to give fuller meaning to their narratives He covers material that is not included in the assigned lectionary texts and discusses the inter relatedness of Matthew's stories These narrative analogies imply that preaching on Matthew's Gospel may at times be a retelling of two or more Matthean stories This is the third installment in Jensen's series which also includes *Preaching Mark's Gospel* and *Preaching Luke's Gospel* Richard A. Jensen is the Axel Jacob and Gerda Maria Swanson Carlson Professor of Homiletics at the Lutheran School of Theology at Chicago He is also Dean of the Doctor of Ministry in Preaching program of the Association of Chicago Theological Schools He is well known throughout the country as the preacher for eleven years on the radio program *Lutheran Vespers* sponsored by the ELCA Jensen has served as professor at Mekane Yesus Seminary in Addis Ababa Ethiopia Dana College in Blair Nebraska Wartburg Theological Seminary in Dubuque Iowa and Luther Seminary in St Paul Minnesota He is the author of nine books and numerous published articles **Preaching Life-Changing Sermons** Jesse L.

The Miscellaneous Works of the Rev. Matthew Henry Matthew Henry, 1833

Basis of Preaching Biblical Message: Preach the Word Rev Dr Koningthung Ngoru Moyon, 2024-11-07 Public Speaking is one of the most important task and challenging to the human beings It is imperative for all the committed Christians to learn and live with the Biblical truths As such the knowledge and application of Scripture is an utmost necessity to be grounded upon the word of God The necessity of Scripture means that the Bible is necessary for knowing the gospel for maintaining spiritual and moral life and for knowing God's will but is not necessary for knowing that God exists or for knowing something about God's character and moral law

Basis of Preaching Biblical Message Preach the Word is for the glory of God the building up of the church and society and the spreading of the Gospel to the ends of the earth that is to all the creation Biblical preaching is centered around and takes its content from the inerrant Word of God True Biblical preaching aims at life change Biblical preaching also comes through the personality of the preacher Some communicators or preachers are encouragers some are confrontational Some are humour while others use sound logic and well reasoned content It is not good to fall into the trap of trying to mimic your favourite preacher Instead learn from them and develop your own style as a good communicator Rev Dr Koningthung Ngoru Moyon

presents Biblical Preaching in his book *Basis of Preaching* Biblical Message Preach the Word is both an art and a science It is a science in the sense that there are rules and principles of communication that we are to follow It is an art in that each person brings his own unique personality and style to the preaching experience Preaching is truth through personality Both are necessary However the very important and foremost focus in the book is that Biblical Preaching is empowered by the work of the Holy Spirit is focus in the book Transformational Preaching David M. Brown,2003-02 Transformational Preaching Theory and practice is a comprehensive textbook for the beginning student of preaching the graduate student in pulpit discourse or the seasoned preacher Seeking to reclaim the pulpit for biblical preaching the book counteracts the popular teaching approach that is common today and argues that preaching must be persuasive rather than informative that the preacher is central to the act of preaching and that through the preaching event both preacher and listener together fashion the message and its meaning Both theoretical and highly practical the book offers a challenging look at all aspects of the preaching ministry It contextualizes preaching in pastoral ministry and congregational worship but most significantly argues that the practice of preaching must be informed and driven by theory As such the book draws from a wide perspective of disciplines including biblical theology classical rhetoric contemporary human communication public discourse persuasion linguistics performance and orality The book s wealth of practical guidelines for every step of sermon development encourages students to apply general principles within their own contexts of ministry **The Complete Works of the Rev. Matthew Henry (his Unfinished Commentary Excepted)** Matthew Henry,1853 Graded lessons on the Gospel according to st. Matthew William Taylor (of Battersea training coll.),1899 *A Philosophy of Pastoral Preaching* David A. Christensen,2023-05-26 I am a pastor I preach Doesn t that make me a pastoral preacher Not necessarily Many preach missional rather than pastoral sermons designed to appeal to the unchurched not the church The popularity of regional churches and the global reach of the internet allow preachers to focus their sermons on people they do not know and market a message to an audience they never see Evangelical leaders produce many resources on attractional preaching but who is developing a vision for pastoral preaching David Christensen draws on years of experience to develop a philosophy of pastoral preaching He writes Social media changes the way we preach More and more pastors are preaching clickbait sermons These are sermons designed to get clicks or attract interest rather than teach truth We want catchy titles and clever analogies that will grab people s attention because the digital world is built on attention whatever will get likes or drive outrage However pastoral preaching builds community It is rooted in local soil to the people we know in the place we live We need a philosophy of preaching that shepherds a community of disciples who worship together in one place **The Abingdon Preaching Annual 2017** Scott Hoezee,2016-04-05 The Abingdon Preaching Annual 2017 includes The Primary Theme Fleshed out with brief pithy nuggets of thought idea jump starters or questions designed to spur the preacher s imagination Secondary or Parallel Themes Two or three themes or streams of thought that are related to but separate from

the primary theme offered Worship Helps Including Gathering Prayer Collect Pastoral Prayer Congregational Prayer Responsive Reading and a Closing Prayer or Benediction Topical Essays These 700 word essays cover a variety of current and critical topics for the preacher contributed by leading homileticians Full Sermons The full text from six to twelve sermons will be included These sermons will highlight best practices unique approaches and fresh voices Sermon Series Ideas This section will briefly outline and describe ideas for unique sermon series based on lectionary readings As a weekly preacher I often find that preparing for preaching and crafting sermons are spiritual disciplines for me It is a time in which I try to quiet all of the other to do lists that occupy much of my ministry This resource from Abingdon Press will now be a partner in those conversations almost like a new personal devotional guide I am grateful for additional voices who can help me make space for God s Living Word Shannon J Kershner Pastor Fourth Presbyterian Church Chicago IL The Abingdon Preaching Annual is a valuable resource for today s preacher seeking to offer sermons with theological depth and thematic clarity It seeks to activate the preacher s own reflection and imagination in the challenging task of weekly preaching Alyce M McKenzie Le Van Professor of Preaching and Worship Director The Perkins Center for Preaching Excellence **Living with the Sermon** Robert P. Hoch-Yidokodilona, 2024-09-05 In Living with the Sermon readers will find a friendly companion to the preaching life With humor personal stories theological musings and practical signposts for those who live with the sermon Robert Hoch Yidokodilona explores the highs and lows of the preaching life you will learn not only techniques for preaching but also how the life of the preacher is haunted by holy things There is according to Robert a wink and peek to the preaching life some playful mischief some mystery and yet in a practical spirit down to earth signposts to help along the way Whether you have been in the pulpit for many years or have just begun the journey this work will add to your wisdom and joy in the preaching life Proclaiming the Whole Counsel of God Steve D. Eutsler, 2025-04-24 For years the best sages have warned Those who fail to plan plan to fail Experience has proven this advice to be true in the spiritual realm as well as in the secular Without careful planning even Pentecostal ministers of the gospel often repeat certain texts or topics while they neglect other critical truths This frequent phenomenon inspired the integrated approach in this project Dr Eutsler has written a book on preaching that Pentecostal Charismatic pastors and ministers have needed for a long time Based on years of practical experience and sound scholarship it combines an emphasis on the guidance of the Holy Spirit along with long range planning After exploring the unique dynamics of Pentecostal preaching he discusses step by step how to increase their implementation on a more consistent basis This volume will benefit both beginning and veteran students of preaching It could easily be used personally or in a classroom setting Those preachers who read and implement its wise counsel will improve the quality creativity and variety of their preaching George O Wood General Superintendent of the Assemblies of God *The Abingdon Preaching Annual 2020* Tanya Linn Bennett, 2019-05-07 The Abingdon Preaching Annual is lectionary based and follows the calendar year January December Each week s entry includes Primary Theme Secondary Themes and
