Sermons From The Black Pulpit:

Power in the Pulpit Cleophus James LaRue, 2002-01-01 In this book scholar and preacher Cleophus J LaRue brings together the voices of twelve of America's most influential African American preachers. Each of these renowned preachers describes his or her method of sermon preparation and includes a sample sermon for illustration. An excellent how to manual for pastors and students. *Power in the Pulpit* is both sage wisdom on the art of preaching and an inspiring look at some of the most prominent figures in the black church. *More Power in the Pulpit* Cleophus J. LaRue, 2009-04-20 In this companion and sequel to the best selling *Power in the Pulpit* 2002 which has sold over 11 000 copies, more of America's best known and most influential African American preachers describe how they go about preparing their sermons. Each preacher also presents a sermon that highlights his or her particular method of sermon preparation. This book is an excellent how to manual for pastors and students, presenting sage advice and wisdom on the art of preaching and an inspirational look at the work of some of the most prominent figures in the life of the black church. **The Heart of Black Preaching** Cleophus J. LaRue, 1999-11-01 Cleophus LaRue argues that the extraordinary character of black preaching derives from a distinctive biblical hermeneutic that views God as involved in practical ways in the lives of African Americans. This hermeneutic, he believes, has remained constant since the days of slavery. LaRue analyzes the distinct characteristics of African American preaching and brings the insights of both theory and practice to bear on this important subject matter. *Voices from the Dexter Pulpit* Michael Thurman, 2007-01-01 From its founding in 1877, a series of remarkable preachers have filled the pulpit at the Dexter Avenue King Memorial Baptist Church in Montgomery, Alabama. Most famous among them, of course, was Martin Luther King Jr., whose leadership of the civil rights movement began in a meeting in the basement of the Dexter Church at the outset of the Montgomery Bus Boycott in 1955. Yet King's was only one of the powerful voices which thundered the social gospel from what has become one of the most significant religious edifices in the world. In this book, editor Michael Thurman, the current pastor of the church, presents sermons from each of the ministers who have led the church since 1947. These pastors are Vernon Johns, Martin Luther King Jr., Herbert Eaton, G. Murray Branch, Robert Dickerson, Boykin Sanders, Richard Wills, and Michael Thurman. Their collective sermons reveal the rhetorical and literary talents which are a hallmark of great preaching, the profound faith which has sustained the African American tradition, and the power and persuasiveness which have come to be identified with the Dexter Church pulpit as a force for both spiritual and social change. *Preaching Black Lives (Matter)* Gayle Fisher-Stewart, 2020-07-17 An anthology that asks, "What does it mean to be church where Black lives matter?" Prophetic imagination would have us see a future in which all Christians would be free of the soul-warping belief and practice of racism. This collection of reflections is an incisive look into that future today. It explains why preaching about race is important in the elimination of racism in the church and society and how preaching has the ability to transform hearts. While programs, protests, conferences, and laws are all important and necessary, less frequently discussed is the role of the

church specifically the Anglican Church and Episcopal Church in ending systems of injustice The ability to preach from the pulpit is mandatory for every person clergy or lay regardless of race who has the responsibility to spread the gospel For there s a saying in the Black church If it isn t preached from the pulpit it isn t important Black Preaching ,1979

Eric C Redmond,2020-02-04 Say It A Celebration of Expository Preaching in the African American Tradition argues that Biblical Exposition is most dynamic when coupled with the African American preaching tradition Charlie Dates Romell Williams George Parks Jr Terry D Streeter and a cast of pastors and preaching professors collaborate to demonstrate the power of exposition in the cradle of the Black pulpit The contributors in this volume give examples of African American Biblical exposition in every section of the Old Testament and New Testament They also explain how to preach from narrative poetical prophetic epistolary and apocalyptic genres throughout the Scriptures This important and powerful resource celebrates the faithful biblical preaching of African Americans that is so often overlooked because it s stylistically different than the style of most white preachers Appropriate for training associate ministers or use as a textbook in homiletics Say It will give the preacher what is needed to speak to real life from every page of the Book *The Reading and Preaching of the Scriptures in the Worship of the Christian Church*,

preachers need to use the most artful language to send the Word on its journey **Rhetoric of the Protestant Sermon in America** Jonathan J. Edwards,Eric C. Miller,2020-01-20 In Rhetoric of the Protestant Sermon in America Pulpit Discourse at the Turn of the Millennium ten scholars analyze notable sermons from the fifty year span between 1965 and 2015 during which the Protestant sermon has undergone significant change in the United States Contributors examine how this turbulent time period witnessed a variety of important shifts in the arguments evidences and rhetorical strategies employed by contemporary preachers Because religious practice is inextricably tangled in the culture politics and economy of its historical situation the public expression of a faith is certain to move with the times In their treatment of race sex gender class and citizenship sermons apply ancient texts to current events and controversies often to revealing effect This collection thoughtfully edited by Eric C Miller and Jonathan J Edwards demonstrates how the genre of the Protestant sermon has evolved or resisted evolution across the years Scholars of religion rhetoric communication sociology and cultural studies will find this book particularly useful

The Four Pages of the Sermon Paul Scott Wilson,2010-09-01 Doing justice to the complexity of the preaching task and the questions that underlie it Wilson organizes both the preparation and the content of the sermon around its four pages Each page addresses a different theological and creative component of what happens in any sermon Page One presents the trouble or conflict that takes place in or that underscores the biblical text itself Page Two looks at similar conflict sin or brokenness in our own time Page Three returns to the Bible to identify where God is at work in or behind the text in other words to discover the good news Page Four points to God at work in our world particularly in relation to the situations described in Page Two

Preaching in Black & White E. K. Bailey,Warren W. Preaching with Sacred Fire: An Anthology of African American Sermons, 1750 to the Present Martha Simmons, Frank A. Thomas,2010-08-16 One hundred

sermons that display the victorious although sometimes painful historical and spiritual pilgrimage of black people in America. A groundbreaking anthology *Preaching with Sacred Fire* is a unique and powerful work. It captures the stunning diversity of the cultural and historical legacy of African American preaching more than three hundred years in the making. Each sermon as editors Martha Simmons and Frank A. Thomas reveal is a work of art and a lesson in unmatched rhetoric. The journey through this anthology which includes selections from Jarena Lee, Frederick Douglass, Malcolm X, Martin Luther King Jr., Gardner C. Taylor, Vashti McKenzie and many others offers a rare view of the unheralded role of the African American preacher in American history. The collection provides new insights into the underpinnings of the black fight for emancipation and the rise and growth of the Civil Rights and Black Power movements. Sermons from the first decade of the twenty-first century point toward the future of African American preaching. Biographies of the preachers put their work in the cultural and homiletic context of their periods. The preachers of these sermons are men and women from a range of faiths, ancestries and educational backgrounds. They draw on a vast and luminous landscape of poetic language using metaphor, rhythm and imagery to communicate with their congregations. What they all have in common is hope, resilience and sacred fire. Even during the most difficult and oppressive times, Simmons and Thomas write in the preface, the delivery, creativity, charisma, expressivity, fervor, forcefulness, passion, persuasiveness, poise, power, rhetoric, spirit, style and vision of black preaching gave and gives hope to a community under siege. This magnificent work beautifully renders the complexity, spiritual richness and strength of African American life.

A Chorus of Witnesses Thomas G. Long, Cornelius Plantinga, 1994.
